If no agreement is reached between the two units regarding joint or singular responsibility or the appropriate percentage portion of each owner therefore for repairs and maintenance or the cost to be expended therefore, the issue(s) shall be submitted to the Association by either unit owner. The decision of the Association, acting through a majority vote of

all the members shall be final. If a majority vote does not exist at the meeting at which the issue is presented, the expense shall be a joint expense, the appropriate percentage portion of responsibility for such repair or maintenance to be fifty (50) percent for each unit, and the cost shall be determined by the actual cost incurred to repair or maintain. - A) All owners shall be obligated to pay the estimated assessments by the Association to meet the Common Expenses attributable to the property included in this Declaration. The assessment shall be made equally to each unit. The Limited Common Elements shall be maintained as General Common Elements and owners having exclusive use thereof shall not be subject to any special charges or assessments (except, however, this provision shall not impose upon the Association the obligation to clean or sweep, or remove snow from any of the Limited Common Elements). There shall be no division of the assessment charge between General and Limited Common Elements. Assessments for the estimated Common Expenses, including, at the option of the Association, insurance shall be due and payable monthly in advance on the first day of each month. Assessments shall be delinquent and interest thereon at eighteen percent (18%) per annum shall commence effective the day after the due date. The Association shall prepare and deliver to each owner periodic statements for the estimated expenses.

Assessments shall commence on the conveyance of the first unit to an owner by Declarant. Assessments on units owned by Declarant shall, notwithstanding anything to the contrary in the preceding, be at a rate equal to twenty-five percent (25%) of the assessment

rate. When a unit under the Declarant's control becomes occupied, the Declarant shall be required to be charged at a rate equal to the full assessment on that unit. Declarant shall also, however, underwrite any difference between actual expenses of the Association and assessments levied (subject to annual assessment increases as determined in Section 3(a) until Association control passes to Class A members. Upon conveyance of a unit, to a unit owner, Declarant agrees to pay to the Association a sum equal to 3 months of the regular unit assessment for purposes of finding a working capital fund for the Association.

- B) If the ownership of a condominium unit commences on a day other than the first day of a month, monthly assessments with respect to such unit shall commence on the first day of the next month following the date such ownership commences.
- C) The assessments made for the Common Expenses shall be based upon the estimated cash requirements deemed to be the aggregate sums the Association shall from time to time determine is to be paid by all of the owners including Declarant, to provide for payment of all estimated expenses growing out of or connected with maintenance and operation of the Common Elements which sum may include among other things, expenses of management; taxes and special assessments until separately assessed, if assessed by the Association; fire insurance with extended coverage and vandalism and malicious mischief insurance with endorsements attached in the amount of the maximum replacement value of all of the condominium units, including all fixtures, interior walls and partitions decorated and finished surfaces of perimeter walls, floors and ceilings, doors and windows and elements or materials comprising a part of the unit; casualty and comprehensive public liability and other insurance premiums; landscaping and care of grounds; lighting for common areas; repairs and renovations; wages; water charges; legal and accounting fees; management fees; expenses and liabilities incurred by the Association under or by reason of this Declaration; the payment of any deficit remaining from a previous period; the creation of reasonable contingency or other reserve, sinking or surplus funds; as well as other costs and expenses relating to the Common Elements.
- D) The omission or failure to fix the assessment or deliver or mail a statement for any period shall not be deemed a waiver,

modification or a release of the owners from their obligations to pay the same.

- E) The Association shall be obligated to establish a reserve fund for the maintenance, repair and replacement of those Common Elements that must be replaced periodically and such reserve fund shall be funded through the monthly payments of the Common Expenses and not by extraordinary special assessments.
- F) The portion of Common Expense assessments allocated to the payment of the Association blanket insurance policies shall be set aside in a special escrow account to be used solely for payment of such insurance policy premiums.
- G) Until January 1 of the year immediately following the conveyance of the first unit to an owner, the maximum annual assessment shall be Four Hundred Twenty Dollars (\$420.00) per unit:
  - 1. From and after January 1, of the year immediately following the conveyance of the first unit to an owner, the maximum annual assessment may be increased effective January 1, of each year without a vote of the owners either (I) in conformance with the rise, if any, of the All Items category of the Denver Consumer Price Index (published by the Department of Labor, Washington, D.C.) For the preceding month of July, or (ii) not more than five percent (5%) above the maximum annual assessment for the previous year, whichever is greater.
  - 2. From and after January 1 of the year immediately following the conveyance of the first unit to an owner, the maximum annual assessment may be increased above that established by Subparagraph (G)(1) above by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.
  - 3. The Board of Managers may fix the annual assessment at an amount not in excess of the maximum.
- H) Special Assessments.

In addition to the regular assessments authorized by this

paragraph, the Association may levy, in an assessment year, a special assessment, payable over such a period as the Association may determine, for the purpose of defraying, in whole or in part, the costs of any construction or reconstruction, unexpected repair or replacement of the capital improvements or any part thereof, or for any other expense incurred or to be incurred as provided in this Declaration provided that any such special assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose. This section shall not be construed as an independent source of authority for the Association to incur expenses, but shall be construed to prescribe the manner of assessing for expenses authorized by other sections hereof. Any amounts assessed pursuant hereto pursuant hereto shall be assessed equally to each of the units. Notice in writing of the amount of such special assessments and the time for payment thereof shall be given promptly to the owners, and No payment shall be due less than thirty (30) days after such notice shall have been given. A special assessment, and any installment thereof, shall bear interest at the rate of eighteen percent (18%) per annum from the date it becomes due and payable if not paid within thirty (30) days after such date.

21. Voting Class:

The Association shall have two classes of voting membership:

A) Class A.

Class A members shall be all owners, with the exception of the Declarant, and shall be entitled to vote one (1) vote for each unit owned. When more than one person holds an interest in any unit, all such persons shall be members. The vote for such unit shall be exercised as they determine, but in no event shall more than one (1) vote be cast with respect to any unit.

B) Class B.

The Class B members shall be the Declarant and shall be entitled to three (3) votes for each unit owned. With respect only to the units then declared (and without prejudice to the Declarant's right to three (3) votes per unit with respect to additional units, if any, thereafter declared annexed pursuant to Paragraph 36), the Class B membership, shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

1. 120 days from the date when the total votes currently outstanding in the Class A membership equal the total votes currently outstanding in the Class B membership; or
2. Seven (7) years from the date of recording of this declaration; or
3. A redetermination of the interests of the units in the Common Elements pursuant to Paragraph 36 (E)(2) or (E)(3).

22. Insurance:

A) The Board of Managers of the Association shall obtain and maintain at all times, to the extent obtainable, policies involving standard premium rates established by the Colorado Insurance Commission, and written with companies licensed to do business in Colorado and having a Best's Insurance Report rating of Class VI or better, covering the risks set forth below. The Board of Managers of the Association shall not obtain any policy where: (I) under the terms of the insurance company's charter, bylaws or policy, contributions of assessments may be made against the mortgagor, mortgagee or mortgagee's designee; or (ii) by the terms of carrier's charter, bylaws or policy, loss payments are contingent upon action by the company's Board of Directors, policyholders or members; or (iii) the policy includes any limiting clauses (other than insurance conditions) which could prevent mortgagees or the mortgagor from collecting insurance proceeds. The types of coverages to be obtained and risks to be covered are as follows, to wit:

1. Fire insurance with extended coverage and all risks endorsements which endorsements shall include endorsements for vandalism, malicious mischief, sprinkler

leakage, debris removal, cost of demolition, windstorm and water damage. Said casualty insurance shall insure the entire condominium project and any property, the nature of which is a Common Element (including all of the units, fixtures therein initially installed by the Declarant but not including furniture, furnishings or other personal property supplied by or installed by unit owners) together with all service equipment contained therein in an amount equal to the full replacement value, without deduction for depreciation. The policy shall have an Agreed Amount Endorsement or its equivalent, if available, or an Inflation Guard Endorsement. All policies shall be in amounts satisfactory to all first mortgagees, and shall contain a standard non-contributory mortgagee clause in favor of each first mortgagee of a condominium unit, which shall provide that the loss if any, thereunder, shall be payable to the Grace Park Filing No. 1 Condominium Association for the use and benefit of first mortgagees as their interests may appear. All policies of property insurance must provide that, despite any provisions giving the insurance carrier the right to elect to restore damage in lieu of a cash settlement, such option shall not be exercisable without the prior written approval of the Association.

2. Comprehensive public liability and property damage insurance in such limits as the Board of Managers of the Association may from time to time determine, but not in an amount less than \$500,000.00 per injury, per person, per occurrence and umbrella liability limits of \$1,000,000.00 per occurrence, covering all claims for bodily injury or property damage. Coverage shall include, without limitation, liability for personal injuries, operations of automobiles on behalf of the Association, and activities in connection with the ownership, operation, maintenance and other use of the project. Said policy shall also contain a "severability of interest endorsement".
3. Worker's Compensation and employer's liability insurance and all other similar insurance with respect to the employees of the Association in the amounts and in the forms now or hereafter required by law.

4. The Association shall purchase, in an amount not less than one hundred fifty percent (150%) of the Association's estimated annual operating expenses and reserves, fidelity coverage against dishonesty of employees, destruction or disappearance of money or securities and forgery. Said policy shall also contain endorsements thereto covering any persons who serve the Association without compensation, and shall name the Association as an obligee.
  5. The Association may obtain insurance against such other risks, of a similar or dissimilar nature, as it shall deem appropriate with respect to the project, including plate or other glass insurance, and insurance against loss to any personal property of the Association located on the project.
- B) All policies of insurance to the extent obtainable shall contain waivers of subrogation and waivers of any defense based on invalidity arising from any acts of a condominium unit owner and shall provide that such policies may not be cancelled or modified without at least thirty (30) days prior written notice to all of the insured, including mortgagees. Duplicate originals of all policies and renewals thereof, together with proof of payments of premiums, shall be delivered to all first mortgagees at least ten (10) days prior to expiration of the then current policies. The insurance shall be carried in blanket form naming the Association as the insured, as attorney in fact and trustee for all of the condominium unit owners, which policy or policies shall identify the interest of each condominium unit owner (owner's name and unit number designation) and first mortgagee.
- C) Prior to obtaining any policy of fire insurance or renewal thereof, the Board of Managers of the Association shall obtain an appraisal from a duly qualified real estate or insurance appraiser, which appraiser shall reasonable estimate the full replacement value of the entire condominium project, without deduction for depreciation, for the purpose of determining the amount of the insurance to be affected pursuant to the provisions of this insurance paragraph. In no event shall the insurance policy contain a co-insurance clause for less than the full replacement cost. Determination of maximum replacement value shall be made at least bi-annually by one or more appraisals to be furnished by a person knowledgeable of replacement cost, and each mortgagee shall be furnished with a

copy thereof, within thirty (30) days after receipt of such appraisals. Such amounts of insurance shall be contemporized annually in accordance with their currently determined maximum replacement value.

- D) Unit owners may carry other insurance for their benefit and at their expense, provided that all such policies shall contain waivers of subrogation, and provided further that, the liability of the carriers issuing insurance obtained by the Board of Managers shall not be affected or diminished by reason of any additional insurance carried by any unit owner.
- E) Insurance coverage on furnishings, including carpet, draperies, oven, range, refrigerator, wallpaper, disposal and other items of personalty or other property belonging to an owner, and public liability coverage within each unit, shall be the sole and direct responsibility of the unit owner thereof, and the Board of Managers, the Association and/or the Managing Agent shall have no responsibility therefore.

23. Lien for Non Payment of Assessments:

All sums assessed by the Association but unpaid by the owner of any condominium unit, including interest thereon at eighteen percent (18%) per annum commencing the first day after the due date, shall constitute a lien on such unit superior (prior) to all other liens and encumbrances, except only for all sums unpaid on a first mortgage of record, including all unpaid obligatory sums as may be provided by such encumbrance, and including additional advances made thereon prior to the arising of such lien, and except for tax and special assessment liens in favor of a governmental assessing entity.

To evidence such lien for unpaid assessments, the Association shall prepare a written notice setting forth the amount, the name of the owner of the condominium unit and a description of the condominium unit. Such notice shall be signed on behalf of the Association and by an officer of the Association and shall be recorded in the office of the Clerk and Recorder of the County of Mesa. Such lien shall attach from the date of the failure of payment of the assessment. Such lien may be enforced by foreclosure by the Association of the defaulting owner's condominium unit in like manner as mortgages on real property; however, a lawsuit to recover a money judgment for unpaid assessments shall be maintainable without

foreclosing or waiving this lien. The lien provided herein shall be in favor of the Association and for the benefit of all of the condominium unit owners who are members of the Association. In any such foreclosure, the owner shall be required to pay the costs and expenses of such proceedings, the costs, expenses and attorney's fees for filing the notice or claim of lien, and all reasonable attorney's fees in connection with such foreclosure. The owner shall also be required to pay to the Association the monthly assessment for the condominium unit during the period of foreclosure and the Association shall be entitled to a receiver to collect the same. The Association on behalf of the unit owners shall have the power to bid in the condominium unit at foreclosure sale and to acquire and hold, lease, mortgage and convey same.

Declarant states, in accordance with the requirements of the Colorado Condominium Ownership act, that it is possible that liens, other than mechanic's liens, assessment liens and tax liens, may be obtained against the Common Elements, including judgment liens and purchase money mortgage liens.

24. Owner's Obligation for Payment of Assessment:

The amount of the expenses assessed by the Association against each condominium unit shall be the personal and individual debt of the owner thereof at the time the assessment is made. Suit to recover a money judgment for unpaid common expenses shall be maintainable without foreclosing or waiving the lien securing the same. No owner may exempt himself from liability for his contribution toward the Common Expenses by a waiver of the use of enjoyment of any of the common elements or by abandonment of his unit.

25. Liability for Common Expenses Upon Transfer of Condominium Unit:

Upon payment of a reasonable fee not to exceed Thirty Dollars (\$30.00) and upon the written request of any owner, any mortgagee or any prospective mortgagee of a condominium unit, the Association shall issue a written statement setting forth the amount of the unpaid expenses, if any, assessed to such unit, the amount of the current monthly assessment and the date that such assessment becomes due, credit for advanced payments or for prepaid items, including but not limited to insurance premiums, which statement shall be conclusive upon the Association in favor of all persons who rely thereon in good faith. Unless such request for a statement of indebtedness shall be complied with within ten (10)

days, all unpaid Common Expenses which become due prior to the date of making such request shall be subordinate to the lien of the person requesting such statement.

The grantee of a unit, including a first mortgagee who comes into possession of a condominium unit pursuant to the remedies provided in its mortgage or becomes an owner of a condominium unit pursuant to foreclosure of its mortgage or by the taking of a deed in lieu thereof, or any purchaser at a foreclosure sale, shall not be liable with the grantor for unpaid assessments against the latter for the grantor's proportionate share of expenses up to the time of the grant or conveyance of a unit, unless the grantee expressly assumes such liability. Any such express assumption shall be without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefore. Upon payment of a reasonable fee for not to exceed Thirty Dollars (\$30.00) and upon written request, any prospective grantee shall be entitled to a statement from the Association setting forth the amount of the unpaid assessments, Association setting forth the amount of the unpaid assessments, if any, with respect to the subject unit, the amount of the current monthly assessment and the date that such assessment becomes due, credit for advanced payments or for prepaid items, including but not limited to insurance premiums, which shall be conclusive upon the Association, unless such request for a statement of indebtedness shall be complied with within ten (10) days of such request, then a grantee shall not be liable for, nor shall the condominium unit conveyed by subject to, a lien for any unpaid assessments against the subject unit. Notwithstanding the terms and provisions set forth above, no first mortgagee shall be liable for any unpaid common expense or special assessments accruing prior to the time such mortgagee becomes the record owner of any condominium unit whether by way of foreclosure or any proceedings in lieu thereof, but will be liable for those thereafter. Any such unpaid assessments shall become a common expense to be collected equally from all owners including such grantee, his successors and assigns.

26. **Mortgaging a Condominium Unit - Priority:**

Any owner shall have the right from time to time to mortgage or encumber his interest in a condominium unit by deed of trust, mortgage or other security instrument. A first mortgage shall be one which has first and paramount priority under applicable law. An owner may create junior

mortgages on the following conditions: (I) that any such junior mortgages shall always be subordinate to all terms, conditions, expenses, and other obligations created by this Declaration and by the Bylaws; and (ii) that the mortgagee under any junior mortgage shall release, for the purpose of restoration of any improvements upon the mortgaged premises, all of his right, title and interest in and to the proceeds under all insurance policies upon said premises, which insurance policies were affected and placed upon the mortgaged premises by the Association. Such release shall be furnished forthwith by a junior mortgagee upon written request of the Association, and if not granted, may be executed by the Association as attorney in fact for such junior mortgagee.

27. Mortgagee Rights:

- A) In the event there is any conflict between this Paragraph 27 and any other provision of this Declaration, the Articles, the Bylaws or the Rules and Regulations of the Association with respect to the approval of the mortgagees as to those matters set forth in this Paragraph 27, the provisions of this Paragraph 27 shall govern.
- B) The prior written approval of institutional holders of a first mortgage lien on units in the project shall be required for the following:
  - 1. Fifty one percent (51%) of all for the abandonment or termination of the project, except for abandonment or termination provided by law in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain; and
  - 2. The effectuation of any decision by the Association to terminate professional management and assume self-management of the project; and
  - 3. Two thirds (66%) of all for any material amendment to the Bylaws of the Association.
- C) The prior written approval of fifty one percent (51%) of mortgagees, set forth in a duly recorded instrument, shall be required for the revocation or amendment of the Declaration, including, but not limited to, any amendment which would change the percentage interests of the unit owners in the common elements.

- D) No unit in the project may be partitioned or subdivided without the prior written approval of the holder of the first mortgage lien on such unit.
- E) Any institutional holder of first mortgage on a unit in the project will, upon request, be entitled to:
  - 1. Inspect the books and records of the project during normal business hours;
  - 2. Receive an annual audited financial statement of the project with ninety (90) days following the end of any fiscal year of the project; and
  - 3. Written notice of all meetings of the Association and be permitted to designate a representative to attend all such meetings.
- F) Any lien which the Association may have on any unit in the project for the payment of Common Expense assessments (and special assessments) attributable to such unit shall be subordinate to prior tax liens, to the lien of any first mortgage on the unit recorded prior to the date any such common expense assessments (and special assessments) become due, and to any mortgage guaranteed by the U.S. Veterans Administration.
- G) In the event of substantial damage to or destruction of any unit in excess of One Thousand Dollars (\$1,000.00), or any part of the common elements in excess of Ten Thousand Dollars (\$10,000.00), the institutional holder of any first mortgage on a unit shall be entitled to timely written notice of any such damage or destruction, and no owner of a unit or other party shall have priority over such institutional holder with respect to the distribution to such owner of any insurance proceeds.
- H) If any unit or portion thereof, or the common elements or any portion thereof, is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired

by a condemning authority, then the holder of any first mortgage on a unit will be entitled to timely written notice from the Association of any such proceeding or proposed acquisition and no owner or other party shall have priority over such institutional holder with respect to the distribution to such owner of the proceeds of any award or settlement.

- I) Each holder of a first mortgage lien who comes into possession or title to a unit by virtue of foreclosure or any purchaser at a foreclosure sale, shall take the unit free of any claims for unpaid assessments and charges against the unit which accrued and were payable prior to the time such holder comes into possession of or acquires title to the unit, except for claims for a pro-rata share of such assessments or charges resulting from a pro-rata reallocation of such assessments or charges to all units including the mortgaged unit.
- J) At the request of a mortgagee of a unit, the Association shall report any unpaid assessments due from the owner of such unit.
- K) Except as provided in Paragraph 36 concerning annexations, unless at least fifty one percent (51%) of the first mortgagees (based upon one vote for each first mortgage owned) of condominium units or owners (other than the Declarant) have given their prior written approval, neither the Association nor the owners shall be empowered or entitled to:
  - 1. Change the pro-rata interest or obligations of individual condominium units for the purpose of: (I) levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards, or (ii) determining the pro-rata share of ownership of each condominium unit in the common elements.
  - 2. Use hazard insurance proceeds for loss to the improvements for other than the repair, replacement or reconstruction of such improvements; or
  - 3. Terminate professional management and assume self-management of the project.
- L) The Association shall grant to each owner and each first mortgagee

of a condominium unit the right to examine copies of the current Declaration, Articles, Bylaws, and books and records of the Association at any reasonable time.

- M) Any encumbrances holding a lien on a condominium unit may, but shall not be required to, pay any unpaid common expense payable with respect thereto and upon such payment, such encumbrance shall have a lien on such unit for the amounts paid, of the same rank as the lien of his encumbrance, without the necessity of having the record a notice or claim of such lien.
- N) Upon request of a mortgagee, the Association shall report in writing to the mortgagee of a condominium unit any unpaid assessment remaining unpaid for more than thirty (30) days after due, or other default of any covenant, condition, obligation or term of this Declaration not cured within thirty (30) days, provided, however, that a mortgagee shall have furnished to the Association notice of such encumbrance.
- O) The Association, upon request of any first mortgagee, shall furnish evidence that all taxes, real estate assessments and charges shall relate only to an individual condominium unit and not to the condominium project as a whole.
- P) Notwithstanding Paragraph 13, any mortgagee of a condominium unit who shall become the owner of such unit pursuant to a lawful foreclosure sale or the taking of a deed in lieu of foreclosure shall not be under any obligation to indemnify and hold harmless any other owner against liability for claims for labor or materials provided and incorporated into such unit where such claims arise for such labor performed or materials supplied prior to the date such mortgagee becomes an owner of such unit, but shall be under such obligation for any claims thereafter.
- Q) The lien which may be created in favor of Mesa County pursuant to Paragraph 17(B)(3) shall never be superior to the lien of a first mortgagee upon any unit or upon the common elements.
- R) The Association shall send to the first mortgagee of a unit any notice of lien for unpaid assessments being filed by the Association pursuant to Paragraph 23 upon such unit.

28. Association - Attorney in Fact:

This Declaration does hereby make mandatory the irrevocable appointment of an attorney in fact to deal with the property upon its damage, destruction or obsolescence. Title to any condominium unit is declared and expressly made subject to the terms and conditions hereof, and acceptance by any grantee of a deed from the Declarant or from any owner shall constitute appointment of the attorney in fact herein provided. All of the owners irrevocably constitute and appoint the Association their true and lawful attorney in their name, place and stead for the purpose of dealing with their property upon its damage, destruction or obsolescence as is hereinafter provided. As attorney in fact, the Association shall have full and complete authorization, right and power to make, execute and deliver any contract, deed or any other instrument with respect to the interest of a condominium unit owner which may be necessary and appropriate to exercise the powers herein granted. Repair and reconstruction of the improvements as used in the succeeding subparagraph means restoring the improvements to substantially the same condition in which they existed prior to the damage, with each unit and the general and limited elements having the same vertical and horizontal boundaries as before. The proceeds of any insurance collected shall be available to the Association for the purpose of repair, restoration or replacement as is provided hereinafter.

- A) In the event of damage or destruction due to fire or other disaster, the insurance proceeds, if sufficient to reconstruct the improvements, shall be applied by the Association, as attorney in fact, to such reconstruction, and the improvements shall be promptly repaired and are reconstructed. The Association shall have full authority, right and power, as attorney in fact, to cause the repair and restoration of the improvements.
- B) If the insurance proceeds are insufficient to repair and reconstruct the improvements, and if such damage is not more than seventy percent (70%) of the total replacement cost of all of the condominium units in this project, not including land, such damage or destruction shall be promptly repaired and reconstructed by the Association as attorney in fact, using the proceeds of insurance and the proceeds of a special assessment to be made against all of the owners and their condominium units. Such special assessment shall be a common expense and made equally to each unit and shall be due and payable no earlier than thirty (30) days after

written notice thereof. The Association shall have full authority, right and power, as attorney in fact, to cause the repair, replacement or restoration of the improvements, using all of the insurance proceeds for such purpose notwithstanding the failure of an owner to pay the assessment. The assessment provided for herein shall be a debt of each owner and a lien on his condominium unit and may be enforced and collected as is provided in Paragraph 23. In addition thereto, the Association, as attorney in fact, shall have the absolute right and power pursuant to a judicial foreclosure to sell the condominium unit of any owner refusing or failing to pay such deficiency assessment within the time provided, and if not so paid the Association shall cause to be recorded a notice that the condominium unit of the delinquent owner shall be sold by the Association, as attorney in fact, pursuant to the provisions of this paragraph. Assessments for common expenses shall not be abated during the period of insurance adjustment and repair and reconstruction. The delinquent owner shall be required to pay to the Association the costs and expenses for filing the notice, interest at a rate of eighteen (18%) per annum on the amount of the assessment and all reasonable attorney's fees. The proceeds derived from the sale of such condominium unit shall be used and disbursed by the Association as attorney in fact, in the following order:

1. For payment of the balance of the lien of any first mortgage;
  2. For payment of taxes and special assessment liens in favor of any assessing entity and the customary expenses of sale;
  3. For payment of unpaid common expenses and all costs, expenses and fees incurred by the Association;
  4. For payment of junior liens and encumbrances in the order of and to the extent of their priority; and
  5. The balance remaining, if any, shall be paid to the condominium unit owner.
- C) If the insurance proceeds are insufficient to repair and reconstruct the improvements, and if such damage is more than seventy percent (70%) of the total replacement cost of all of the condominium units in this project not including land such damage

or destruction shall be promptly repaired and reconstructed by the Association as attorney in fact, using the proceeds of insurance and the proceeds of a special assessment to be made against all of the owners and their condominium units as provided in subparagraph (B) above, provided, however, that if the owners of two thirds (2/3) of the units (and subject to the approval of mortgagees as set forth in paragraph 27) agree that the improvements should not be so repaired and reconstructed then upon recording of a notice to such effect by the Association's president and secretary or assistant secretary, the project shall be sold by the Association pursuant to the provisions of this paragraph, as attorney in fact for all of the owners, free and clear of the provisions contained in this Declaration, the map, the Articles, the Bylaws, and the regulatory agreement. Assessments for common expenses shall not be abated during the period prior to sale. The insurance settlement proceeds shall be allocated equally to each unit and such divided proceeds shall be paid into separate accounts, each such account shall be in the name of the Association, and shall be further identified by the condominium unit designation and the name of the owner. From each separate account the Association, as attorney in fact, shall forthwith use and disburse the total amount of each of such accounts, without contribution from one account to another, toward the partial or full payment of the lien of any first mortgagee encumbering the condominium unit represented by such separate account. Thereafter, each such account shall be supplemented by the apportioned amount of the proceeds obtained from the sale of the project. Such apportionment shall be equal for each unit. The total funds of each account shall be used and disbursed, without contribution, from one account to another by the Association, as attorney in fact, for the same purposes and in the same order as is provided in subparagraph (B) of this paragraph.

- D) The owners representing an aggregate ownership of two thirds (2/3) of the condominium units in this project may agree that the common elements are obsolete and adopt a plan for the renewal and reconstruction, which plan must have the approval of mortgagees as set forth in paragraph 27. If a plan for the renewal or reconstruction is adopted, notice of such plans shall be recorded, and the expense of renewal and reconstruction shall be payable by all of the owners as a common expense whether or not they have previously consented to the plan of renewal and reconstruction.

The Association as attorney in fact, shall have the absolute right and power pursuant to a judicial foreclosure to sell the condominium unit of any owner refusing or failing to pay such assessment within the time provided, and if not so paid, the Association shall cause to be recorded a notice that the condominium unit of the delinquent owner shall be sold by the Association. The delinquent owner shall be required to pay to the Association the costs and expenses for filing the notices, interest at the rate of eighteen percent (18%) per annum, and all reasonable attorney's fees. The proceeds derived from the sale of such condominium unit shall be used and disbursed by the Association, as attorney in fact for the same purposes and in the same order, as is provided in subparagraph (B) of this paragraph.

- E) The owners representing an aggregate ownership of two thirds (2/3) of the condominium units may agree that the condominium units are obsolete and that the same should be sold. Such plan or agreement must have the approval of mortgagees as set forth in Paragraph 27. In such instance, the Association shall forthwith record a notice setting forth such fact and upon the recording of such notice by the Association's president and secretary or assistant secretary, the entire project shall be sold by the Association, as attorney in fact, for all of the owners, free and clear of the provisions contained in this Declaration, the map, the Articles, the Bylaws, and the Regulatory Agreement. The sale proceeds shall be apportioned among the owners, subject to the provisions of Paragraph 36 concerning annexations, on the basis of one (1) share for each unit, and such apportioned proceeds shall be paid into separate accounts, each such account representing one condominium unit. Each such account shall be in the name of the Association and shall be further identified by the condominium unit designation and the name of the owners. From each separate account, the Association as attorney in fact, shall use and disburse the total amount of each of such accounts, without contribution from one account to another, for the same purposes and in the same order as is provided in subparagraph(B) of this paragraph.
- F) The Association shall be under a fiduciary duty to use all funds available to it for repair and restoration of all or any portion of the project which has suffered damage for the joint benefit of the owners and first mortgagees having an interest in such damaged property. Prior to commencement of repairs or restoration work

(except in the event of emergency repairs), the Association shall make available at the project and the Association's offices, for inspection and copying during normal business hours.

29. Condemnation:

If at any time or times during the continuance of the condominium ownership pursuant to this Declaration, all or any part of the condominium project shall be taken or condemned by any public authority or sold or otherwise disposed of in lieu of or in avoidance thereof, the following provisions of this paragraph 29 shall apply:

A) Proceeds. All compensation, damages or other proceeds therefrom, the sum of which is hereafter called the "Condemnation Award" shall be payable to the Association.

B) Complete Taking:

1. In the event that the entire project is taken or condemned, or sold or otherwise disposed of in lieu of or in avoidance thereof, the condominium ownership pursuant hereto shall terminate. The Condemnation Award shall be apportioned among the owners on the same basis of each condominium interest in the common elements, provided however, that if a standard different from the value of the property as a whole is employed as the measure of the condemnation award in the negotiation, judicial decree or otherwise, then in determining such shares the same standard shall be employed to the extent it is relevant and applicable.

2. On the basis of the principle set forth in paragraph 28, the Association shall as soon as practicable determine the share of the condemnation award to which each owner is entitled. Such shares shall be paid into separate accounts and disbursed as soon as practicable in the same manner provided in paragraph 28.

C) Partial Taking:

In the event that less than the entire condominium project is taken or condemned, sold or otherwise disposed of in lieu of or in avoidance thereof, the condominium ownership hereunder shall not terminate. Each owner shall be entitled to a share of the

condemnation award to be determined in the following manner. As soon as practicable the Association shall reasonably and in good faith, allocated the condemnation award between compensation, damages or other proceeds and shall apportion the amounts so allocated among the owners as follows: (I) the total amount allocated to taking of or injury to the common elements, shall be apportioned among the owners on the basis of each owner's interest respectively in the common elements; (ii) the total amount allocated to severance damages shall be equitably apportioned to those condominium units which were not taken or condemned; (iii) the respective amounts allocated to the taking of or injury to a particular unit and to the improvements an owner has made within his own unit shall be apportioned to the particular unit involved; and (iv) the total amount allocated to consequential damages and any other takings or injuries shall be apportioned as the Association determines to be equitable in the circumstances. If the allocation of the condemnation award is already established in negotiations, judicial decree or otherwise, then in allocating the condemnation award the Association shall employ such allocation to the extent it is relevant and applicable. Distribution of apportioned proceeds shall be disbursed as soon as practicable in the same manner as provided in paragraph 28. In the event a partial taking results in the taking of a complete unit, the owner thereof automatically shall cease to be member of the association, shall cease to hold any right, title or interest in the remaining common elements and shall execute any and all documents necessary to accomplish the same. Thereafter, the Association shall reallocate the ownership voting rights and assessment ratio equally among the remaining units and shall submit such reallocation interest in the remaining common elements and shall execute any and all documents necessary to accomplish the same. Thereafter, the Association shall reallocate the ownership, voting rights and assessment ratio equally among the remaining units and shall submit such reallocation to the owners and to first mortgagees of remaining units for amendment of this Declaration as provided in Paragraph 19.

30. Additional Property for Common Use:

The Association may acquire and hold for the benefit of the condominium owners, real property, and tangible and intangible personal property, and may dispose of the same by, sale or otherwise, and the beneficial interest in any such property shall be owned by the condominium owners in the

same proportion as their respective interests in the common elements and shall not be transferable except with a transfer of a condominium unit. A transfer of a condominium unit shall transfer to the transferee ownership of the transferor's beneficial interest in such real or personal property without any reference to inclusion of a bill of sale. Each owner may use such real and personal property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the other owners. Sale of a condominium unit under foreclosure shall thereby entitle the purchaser thereof to the beneficial interest in the real and personal property associated with the foreclosed condominium unit. The owners of each condominium unit shall have a perpetual non-exclusive easement in common with all other condominium unit owners in this condominium project giving them the right to beneficial use and enjoyment of any recreational facilities which the Association acquires, and holds, either by purchase or by gift and for walkways, vehicular access and parking and any other common element as set forth on the condominium map and in this Declaration, subject, however, to reasonable regulations adopted and amended by the Association.

31. Registration by Owner of Mailing Address:

Each owner shall register his mailing address with the Association, and except for monthly statements and other routine notices, all other notices or demands intended to be served upon an owner shall be sent by either registered or certified mail, postage prepaid and addressed in the name of the owner of such registered mailing address. All notices, demands or other notices intended to be served upon the Association shall be sent by certified mail, postage prepaid to the Grace Park Filing No. 1 Condominium Association, Inc. C/o Christian Brothers Realty, 1008 Third Avenue, Grand Junction, Colorado 81502, until such address is changed by a notice of address change duly recorded in the office of the Clerk and Recorder, County of Mesa, State of Colorado.

32. Period of Condominium Ownership:

The separate condominium estates created by this Declarant and the map shall continue until this Declaration is revoked in the manner and as provided in paragraph 27 of this Declaration or until terminated in the manner and as is provided in subparagraphs ( C ) or ( E ) of paragraph 28 of this Declaration.

33. Restrictive Covenant:

- A) The property is hereby restricted to residential dwellings for residential use and uses related to the convenience and enjoyment of such residential use. No structures of a temporary character, trailer, boats, campers, camper shells, inoperative motor vehicles, tent, shack, garage, barn or other out building shall be used or permitted to be kept or stored on any portion of the premises at any time either temporarily or permanently except as provided for in the proposed recreational vehicle parking referred to in Article 3A of the Declaration.

- D) No advertising signs (except one not more than one square foot "For Rent" or "For Sale" sign per unit), billboards, unsightly objects, or nuisances shall be erected, placed or permitted to remain on the premises of a unit or the common elements, nor shall the premises be used in any way or for any purpose which may endanger the health or unreasonably disturb the owner of any condominium unit or any resident thereof. Further, no business activities of any kind

whatever shall be conducted in the buildings or in any portion of the project. Provided further, however, the foregoing covenants shall not apply to the business activities, signs and billboards or the maintenance of buildings and improvements, if any, of the Declarant, its agents, contractors, and assigns during the marketing period and of the Association, its successors and assigns in furtherance of its powers and purposes as hereinafter set forth.

- E) All garbage cans, wood piles, or similar items shall be kept screened so as to conceal them from view of neighboring units and streets. All rubbish, trash or garbage shall be regularly removed from the property by the owner, and shall not be allowed to accumulate thereon.
- F) Except in the individual balcony and patio areas, no planting or gardening shall be done, and no fences, hedges or walls shall be erected or maintained upon said property, except such as are installed in accordance with the initial construction of the buildings located thereon and those added to the project or as approved by the Architectural Control Committee. No gardening or maintaining of any tree, shrub, bush or other plant shall be made or done by any owner in any patio area which will or would affect the view of any other owner without the prior written approval of the Architectural Control Committee.
- G) Any screen door or storm door installed over the front door of a unit must have the same color as the unit's front door. No window air conditioning units, or visible antenna, shall be installed in or on any condominium unit.

34. Architectural Control:

- A) Review of Plans.  
No building, fence, wall, canopy, awning, structure or improvement shall be commenced, erected, altered, moved, removed or maintained upon the project or any portion thereof, nor shall any exterior addition to, or change or alteration thereof be made until the plans and specifications showing the nature, kind, shape, height, materials, location and approximate cost of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Control Committee composed to three (3) or more representatives appointed by the Board.

B) Architectural Control Committee.

The Architectural Control Committee (ACC) shall be appointed by the Board and shall exercise its best judgment to see that all improvements, construction, landscaping and alterations on lands within the project conform to and harmonize with existing surroundings and structures. The committee shall consist of three (3) persons.

C) Procedures.

The ACC shall approve or disapprove all plans and requests within thirty (3) days after submission. In the event the ACC fails to take any action within thirty (30) days after requests have been submitted, approval will not be required, and this paragraph 34© will be deemed to have been fully complied with.

D) Majority Vote.

A majority vote of the ACC is required for approval or disapproval proposed amendments.

E) Written Records.

The ACC shall maintain records of all applications submitted to it and of all actions it may have taken.

F) No Liability.

Each owner hereby agrees that the ACC shall not be liable for damages to any person submitting requests for approval or to any owner with the properties by reason of any action, failure to act, approval, disapproval, or failure to approve or disapprove with regard to such requests.

G) Reservation of Right to Exercise by Declarant.

Notwithstanding any other provision expressly or implied to the contrary contained in this Declaration, the Articles, the Bylaws, the Rules and Regulations, Declarant reserves the right to exercise the rights, duties and functions of the Association's ACC until such time as all of the condominium units situated on the property, including any property and condominium units annexed thereto and made subject to this Declaration, have been sold and conveyed by Declarant.

35. Acceptance of Provisions of All Documents.

The conveyance or encumbrance of a condominium unit shall be deemed to include the acceptance of all of the provisions of this Declaration, the Articles, the Bylaws, the Regulatory Agreement, rules and regulations and management agreement and shall be binding upon each grantee without the necessity or inclusion of such express provision in the instrument of conveyance or encumbrance.

36. Reservation to Enlarge and Supplement Project:

- A) Annexation by Declarant. Declarant, for itself, its successors and assigns, expressly reserves, until seven (7) years from the date of the recording of this Declaration, the right to enlarge this project (without the permission of the owners) by annexing additional real property described in Exhibit C attached hereto and by this reference incorporated herein by declaration of no more than ninety-two (92) additional condominium units in five (5) phases. Such additions shall be expressed in and by a duly recorded supplement to this declaration and the map. All additional common elements and units shall be of comparable quality and similar appearance to those previously erected upon the real property. The reference to the declaration in any instrument shall be deemed to include any supplements to the declaration without specific reference thereto. As long as there is a Class B membership, all annexations to this project must have the prior approval of the Federal Housing Administration or the Veteran's Administration.
- B) Standards. Such supplements to this declaration shall provide for a division of such annexed real property and

improvements into condominium units and common elements similar in method and form to the division made of the real property and improvements in this declaration.

- C) Common Expenses. In order that the common expenses of this project, including all supplemental declarations hereto, shall continue to be shared equally and equitably by the owners of the initially submitted condominium units and the owners of all subsequently submitted additional condominium units; the common expenses shall be equally shared in accordance with the following formula: to determine the share of the common expense for each condominium units, multiply the total amount of the common expenses by a fraction, the numerator of which shall be the number one and the denominator shall be the total number of all condominium units then existing under this declaration and all supplements thereto.
- D) Voting Rights. The owners of each unit now or hereafter declared shall be entitled to collectively cast one (1) vote at any election or meeting of the association members in accordance with paragraph 22, the Articles and the Bylaws. The owners of a unit shall determine among themselves how such vote shall be cast. Fractional votes may not be cast by owners.
- E) Determination of Interests in Common Elements.

The Declaration acknowledges that the initial allocation of an interest in the common elements appurtenant to each unit is based upon the expectation that all phases of the project will be completed. As such, until all 104 units have been declared, one hundred percent (100%) of the interests in the common elements will not have been allocated. Therefore, until declaration of all 104 condominium units or a redetermination of such interests as provided below, if and when it is necessary to allocate insurance, sales or condemnation proceeds (or for any other purpose) among the units and their mortgagees according to their interests in the common elements, such allocation shall be determined on the basis of one share per unit counting only those condominium units presently declared under this declaration and all supplements of record as of the time of the occurrence of the event giving rise to such an allocation.

A final re-computation of the interests of the condominium units in the common elements shall also occur as the result of termination of declarant's right to enlarge the project pursuant to this Paragraph 36 for any of the reasons set forth below:

1. The Declarant has executed and recorded its Notice of Termination of Declarant's Right of Annexation, which notice shall state that the declarant hereby releases and waives its right to enlarge and annex additional property to the project pursuant to this paragraph 36, and which notice shall include a final schedule of one hundred percent (100%) of the common elements allocated equally among the declared units existing as of the time of execution of such notice; or
2. Within eighteen (18) months after declarant has conveyed the last condominium unit it owned as part of the Declaration and all subsequent supplemental declarations, if the Declarant shall have failed to record with the County of Mesa, Colorado a supplemental declaration declaring additional condominium units pursuant to paragraph 36; or
3. Seven (7) years shall have elapsed since the day this Declaration was recorded with the County of Mesa and less than the entire 104 condominium units contemplated shall have been declared by execution and recording of this Declaration and supplemental declarations thereto.

Upon the occurrence of event (2) or (3), within thirty (30) days thereafter the Association shall prepare and record pursuant to this paragraph 36, a schedule setting forth a final, recomputed equal allocation of interest in the common elements among the condominium units then declared and existing.

F) Special Terms:

1. Except as may be otherwise specifically provided by the provisions of such supplement(s) to this Declaration, all of the provisions contained in this Declaration shall be applied to such condominium units submitted to the project.
2. Each owner shall have the non-exclusive right, together with

all other owners, to use all common elements, open spaces, recreational facilities, grass and landscaping are as, sidewalks, pathways, private streets, and all other areas in the project and any supplements or additional thereto, owned by the Association, subject to the reasonable rules and regulations of the Association. This easement shall be irrevocable and shall be for the purpose of ingress and egress, recreational and social use and shall apply to all property hereafter owned by the Association and committed to the project.

3. Although it is contemplated that additional lands may ultimately be annexed to this project and additional condominium units declared, the Declarant, its appointees, successors and assigns, as defined in this Declaration, shall apply to all real property which is added to this project in accordance with these provisions relating to enlargement.

G) Annexation by Owners.

Additional real property may be annexed to the project with the consent of two thirds (2/3) of each class of members of the Association.

37. General.

A) If any of the provisions of this Declaration of any paragraph, sentence, clause, phrase or work, or the application thereof in any circumstance be invalidated, such validity shall not affect the validity of the remainder of this Declaration, and the application of any such provision, paragraph, sentence, clause, phrase or work in any other circumstance shall not be affected hereby.

B) The provisions of this Declaration, the Articles and the Bylaws shall be in addition and supplemental to the Condominium Ownership Act of the State of Colorado and to all other provisions of law, and the provisions of such act shall apply in the event of conflict with, or omission from, this Declaration, the Articles or the Bylaws of provisions required by such Act.

- C) Whenever used herein, unless the context shall otherwise provide, the plural, the singular, and the use of any gender shall include all genders.
- D) In the event there shall be any conflict between the provisions of this Declaration and any Bylaw or rule and regulation of the Association, the provisions of this Declaration shall be deemed controlling.

Any lease agreement shall be required to provide that the terms of the lease shall be subject in all respects to the provisions of the Declaration, the Articles, the Bylaws, and the Regulatory Agreement and any failure by the lessee to comply with the terms of such documents shall be a default under the lease. Unless expressly waived by the Board, all leases shall be in writing for an initial term of not less than six (6) months, and shall require the tenant to abide by the terms of all documents governing the project.
- F) At the time of the recording of this Declaration, there were no recreational facilities for this condominium project.
