2. Specifics:

Recreational Vehicles (RVs), Motor Homes, OHVs, 5th Wheels, Toy Haulers, or any other pull behind trailers are not allowed parking on the streets of the HOA, except for loading and unloading purposes. For said loading and unloading, such vehicles or trailers are allowed on the streets in the HOA for a total of 72 hours per every 30 days; meaning—three (3) days per month. If said vehicles or trailers are located or parked on the streets longer than the stipulated time, the HOA shall tag the vehicles/trailers for removal. The Owners shall incur all costs associated with their removal.

Storage: Recreational Vehicles (RVs), Motor Homes, OHVs, 5th Wheels, Toy Haulers, or any other pull behind trailers shall be stored on the Lot and not on the streets.

At no time shall anyone live in any Recreational Vehicle located in the HOA. This is strictly prohibited and if an Owner is found in violation of this policy, the RV in question will be removed from the HOA at the Owner's expense.

Violations may be observed by the Board of Directors, the management company, a committee member or reported via written correspondence through e-mail, fax or mail service. The complaint must state specifically the violation observed and include who the violating party was, what was observed, the date, place and time of the violation and any other pertinent information such as license plate numbers etc.

If full details are not provided with a complaint, further action beyond additional observation may not be made. The Board will investigate the complaint further and will make additional observations if required.

If a complaint is found to be in violation of a municipal code, the complaint will be forwarded to the appropriate authorities.

If a violation is found and documented the following actions will be taken:

- A letter will be sent to the owner (and tenant if it is known that the unit is being used as a rental) stating that a violation has occurred while referring them to the governing documents which appear to be in violation. This letter will allow the unit owner to forward documentation if they believe the violation did not occur. The unit owner will have 7 days to respond to the letter or to correct the violation.
- If the violation is still observed after 10 days, a second letter will be sent to the Owner (and tenant if it is known that the unit is being used as a rental)

stating that if the violation continues then fines will be imposed. The unit owner will have 7 days to correct the violation or request a hearing with the Board (see Dispute Resolution Policy for specifics)

- If at the hearing it is found that the violation did (does) occur, the Owner will be charged a fine from the 7th day after the date of the second letter. The Association shall charge \$20.00 per day/occurrence for all parking, RV/trailer non-compliance issues.
- Special fine for living in an RV/Trailer: \$100.00 per day, per occurrence.
- If a hearing is not requested by the owner within 7 days of the second violation letter, fines will commence and continue until violation is corrected.
- It is the responsibility of the Owner to notify the Board that a violation has been rectified.

Owners are responsible for any fines that may be levied against their property due to non-compliance of their tenants.

Non-payment of fines will fall under the Dues Collection Policy.

Voting rights will be suspended for any Owner who is or has been in violation of the Policies or CC&R's in the previous thirty (30) days.
