

6/20/24 Good Hope Townhomes Meeting Minutes

5:32 pm Ashley Jagodzinski and Barbara Bishop met at the Mailboxes located on S. Good Hope. There were 4 homeowners present.

Barbara and Ashley introduced themselves and stated that due to inclement weather the Meeting would be rescheduled. We told the homeowners that we will figure out a new date next week and will post the new date and time on the Community Boards and will also send out an email. Ashley stated that the Agenda for the newly scheduled Meeting would remain the same.

Ashley posted the following notice on both Community Boards:

Good Hope Townhomes Meeting **6/20/24**

is rescheduled due to inclement weather. We will notify everyone of the date & time of the new Meeting as soon as possible via email and posting on the Community Boards. The Agenda for the Meeting will remain the same.

Sorry for any inconvenience.
