

## Policy of The Brickyard At Wellington Homeowners Association

### Architectural Control Committee Policy, Rules, Regulations and Guidelines

**Subject:** To clarify process and scope of Architectural Control Committee (ACC) regulations regarding submission requirements, factors for consideration of approval, and defining ancillary items present and visible at each unit. This policy amplifies but does not supersede Article V of the Declaration of Covenants, Conditions, and Restrictions of The Brickyard at Wellington.

**Purpose:** To ensure uniformity of appearance, attractiveness, preservation of neighborhood value and harmony with surroundings.

**Authority:** The Declaration, Articles of Incorporation and Bylaws of the Association and Colorado law.

**Effective Date:** May 31, 2023

**Resolution:** The Association hereby adopts the following policy and procedures:

1. In addition to plan requirements of section 5 in the CC&R's, plans submission must include a site plan, engineered foundation plan, final site drainage and grading plan including roof drainage design, landscaping plan showing patios, plants, landscape material, and privacy fencing. Plans must show if connections to the Association's owned infrastructure (irrigation and storm drainage) is anticipated.
2. Exterior materials must be of the same quality, durability, appearance and expected longevity as the materials used in existing construction at the Brickyard. Specifications detailing manufacturer, specific product type, and salient characteristics for all exterior materials is a required submission.
3. There are four approved exterior color schemes and the ACC submission shall specify which scheme is proposed. The selection of color scheme shall rotate in a fashion similar to existing structures to ensure the same scheme is not repeated adjacent to each other:

4. Fencing: All privacy fencing must be constructed of treated wood posts, treated wood support structure and corrugated steel panels that rust to a natural patina. Posts shall be secured in concrete.
5. Safety railings: Where required by code or as a limited architectural feature on the stoop of a house shall be constructed of black metal rails and stiles.
6. Flags must not be larger than three feet by five feet and one flag per unit is allowed. Flags must be hung from the dwelling in a manner that is structurally sound.
7. Yard signs must not be larger than two feet by three feet and must be located within 10 feet of the dwelling.
8. Association owned and maintained irrigation lines may not be modified, revised or tapped into.
9. Any modification or addition to existing landscaping must be submitted to the ACC for approval.
10. Holiday lighting is allowed but must not be lit prior to eight weeks before the holiday and four weeks after the holiday.
11. Submit all ACC requests using the form found on the Association Managers website. Submit to the Association Manager and they will ensure the Architectural Control Committee receives the application.
