This Notice highlights certain sections of your policy with important provisions and is only provided as guidance in helping you understand your policy. This Notice does not alter your coverage in any way. This Notice does not form part of your policy. No coverage is provided by this Notice nor can it be construed to replace any provision of your policy. You should read your policy and review your Declarations page for complete information on the coverages you are provided. If there is any conflict between the Policy and this Notice, **THE PROVISIONS OF THE POLICY SHALL PREVAIL.**

Carefully read your policy, including the endorsements attached to your policy.

The Declarations are usually the first page(s) of your policy and typically provide a snapshot of basic coverage information, including your specific coverage(s), limit(s) of insurance, and deductible(s).

  - (3) \$2,500 for patterns, dies, molds and forms.

## 5. Additional Coverages

### a. Debris Removal

- (1) Subject to Paragraphs (2), (3) and (4), we will pay your expense to remove debris of Covered Property and other debris that is on the described premises, when such debris is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to:
  - (a) Remove debris of property of yours that is not insured under this policy, or property in your possession that is not Covered Property;
  - (b) Remove debris of property owned by or leased to the landlord of the building where your described premises are located, unless you have a contractual responsibility to insure such property and it is insured under this policy;
  - (c) Remove any property that is Property Not Covered, including property addressed under the Outdoor Property Coverage Extension;
  - (d) Remove property of others of a type that would not be Covered Property under this policy;
  - (e) Remove deposits of mud or earth from the grounds of the described premises;
  - (f) Extract "pollutants" from land or water; or
  - (g) Remove, restore or replace polluted land or water.
- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
  - (a) The most that we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.

(b) Subject to Paragraph (3)(a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage. However, if no Covered Property has sustained direct physical loss or damage, the most we will pay for removal of debris of other property (if such removal is covered under this Additional Coverage) is \$5,000 at each location.

(4) We will pay up to an additional \$25,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:

(a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.

(b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if Paragraphs (4)(a) and/or (4)(b) apply, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$25,000.

**(5) Examples**

**Example 1**

|                                |                               |
|--------------------------------|-------------------------------|
| Limit of Insurance             | \$ 90,000                     |
| Amount of Deductible           | \$ 500                        |
| Amount of Loss                 | \$ 50,000                     |
| Amount of Loss Payable         | \$ 49,500                     |
|                                | (\$50,000 – \$500)            |
| Debris Removal Expense         | \$ 10,000                     |
| Debris Removal Expense Payable | \$ 10,000                     |
|                                | (\$10,000 is 20% of \$50,000) |

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of Paragraph (3).

**Example 2**

| Limit of Insurance             | \$ 90,000                   |

| Amount of Loss                 | \$ 80,000                   |
| Amount of Loss Payable         | \$ 79,500                   |
|                                | (\$80,000 – \$500)          |
| Debris Removal Expense         | \$ 40,000                   |
| Debris Removal Expense Payable |                             |
|                                | Basic Amount \$ 10,500      |
|                                | Additional Amount \$ 25,000 |

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000; capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$40,000) exceeds 25% of the loss payable plus the deductible (\$40,000 is 50% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$40,000 = \$119,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$25,000, the maximum payable under Paragraph (4). Thus, the total payable for debris removal expense in this example is \$35,500; \$4,500 of the debris removal expense is not covered.

**b. Preservation Of Property**

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss of or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

**c. Fire Department Service Charge**

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$2,500 for service at each premises described in the Declarations, unless a different limit is shown in the Declarations. Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed.

This Additional Coverage applies to your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

**d. Collapse**

The coverage provided under this Additional Coverage – Collapse applies only to an abrupt collapse as described and limited in Paragraphs d.(1) through d.(7).

- (1) For the purpose of this Additional Coverage – Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.
- (2) We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this policy or that contains Covered Property insured under this policy, if such collapse is caused by one or more of the following:
  - (a) Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;

- (b) Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;

- (c) Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.

- (d) Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:

- (i) A cause of loss listed in Paragraph (2)(a) or (2)(b);
- (ii) One or more of the "specified causes of loss";
- (iii) Breakage of building glass;
- (iv) Weight of people or personal property; or

- (3) This Additional Coverage – Collapse does not apply to:

- (a) A building or any part of a building that is in danger of falling down or caving in;
- (b) A part of a building that is standing, even if it has separated from another part of the building; or
- (c) A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

- (4) With respect to the following property:

- (a) Awnings;
- (b) Gutters and downspouts;
- (c) Yard fixtures;
- (d) Outdoor swimming pools;
- (e) Piers, wharves and docks;
- (f) Beach or diving platforms or appurtenances;
- (g) Retaining walls; and
- (h) Walks, roadways and other paved surfaces;

000003 14/115

if an abrupt collapse is caused by a cause of loss listed in Paragraphs (2)(a) through (2)(d), we will pay for loss or damage to that property only if such loss or damage is a direct result of the abrupt collapse of a building insured under this policy and the property is Covered Property under this policy.

- (5) If personal property abruptly falls down or caves in and such collapse is **not** the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:
- (a) The collapse of personal property was caused by a cause of loss listed in Paragraphs (2)(a) through (2)(d) of this Additional Coverage;
  - (b) The personal property which collapses is inside a building; and
  - (c) The property which collapses is not of a kind listed in Paragraph (4), regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph (5) does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

- (6) This Additional Coverage – Collapse does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
- (7) This Additional Coverage – Collapse will not increase the Limits of Insurance provided in this policy.
- (8) The term Covered Cause of Loss includes the Additional Coverage – Collapse as described and limited in Paragraphs d.(1) through d.(7).

**e. Water Damage, Other Liquids, Powder Or Molten Material Damage**

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes.

We will not pay the cost to repair any defect that caused the loss or damage, but we will pay the cost to repair or replace damaged parts of fire extinguishing equipment if the damage:

- (1) Results in discharge of any substance from an automatic fire protection system; or
- (2) Is directly caused by freezing.

**f. Business Income**

**(1) Business Income**

- (a) We will pay for the actual loss of Business Income you sustain due to the necessary suspension of your "operations" during the "period of restoration". The suspension must be caused by direct physical loss of or damage to property at the described premises. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of such premises.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of a building, your premises mean:

- (i) The portion of the building which you rent, lease or occupy;
- (ii) The area within 100 feet of the building or within 100 feet of the premises described in the Declarations, whichever distance is greater (with respect to loss of or damage to personal property in the open or personal property in a vehicle); and
- (iii) Any area within the building or at the described premises, if that area services, or is used to gain access to, the portion of the building which you rent, lease or occupy.

- (b) We will only pay for loss of Business Income that you sustain during the "period of restoration" and that occurs within 12 consecutive months after the date of direct physical loss or damage. We will only pay for ordinary payroll expenses for 60 days following the date of direct physical loss or damage, unless a greater number of days is shown in the Declarations.
- (c) Business Income means the:
- (i) Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses; and
- (ii) Continuing normal operating expenses incurred, including payroll.
- (d) Ordinary payroll expenses:
- (i) Means payroll expenses for all your employees except:

**(2) Extended Business Income**

- (a) If the necessary suspension of your "operations" produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:
- (i) Begins on the date property except finished stock is actually repaired, rebuilt or replaced and "operations" are resumed; and
  - (ii) Ends on the earlier of:
    - i. The date you could restore your "operations", with reasonable speed, to the level which would generate the Business Income amount that would have existed if no direct physical loss or damage had occurred; or
    - ii. 60 consecutive days after the date determined in Paragraph (a)(i) above, unless a greater number of consecutive days is shown in the Declarations.
- However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.
- (b) Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.
- (3) With respect to the coverage provided in this Additional Coverage, suspension means:
- (a) The partial slowdown or complete cessation of your business activities; or
  - (b) That a part or all of the described premises is rendered untenable, if coverage for Business Income applies.
- (4) This Additional Coverage is not subject to the Limits of Insurance of Section I – Property.

**g. Extra Expense**

- (1) We will pay necessary Extra Expense you incur during the "period of restoration" that you would not have incurred if there had been no direct physical loss or damage to property at the described premises. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of such premises.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of a building, your premises mean:

- (a) The portion of the building which you rent, lease or occupy;
  - (b) The area within 100 feet of the building or within 100 feet of the premises described in the Declarations, whichever distance is greater (with respect to loss of or damage to personal property in the open or personal property in a vehicle); and
  - (c) Any area within the building or at the described premises, if that area services, or is used to gain access to, the portion of the building which you rent, lease or occupy.
- (2) Extra Expense means expense incurred:
- (a) To avoid or minimize the suspension of business and to continue "operations":
    - (i) At the described premises; or
    - (ii) At replacement premises or at temporary locations, including relocation expenses, and costs to equip and operate the replacement or temporary locations.
  - (b) To minimize the suspension of business if you cannot continue "operations".

**(c) To:**

- (i) Repair or replace any property; or
- (ii) Research, replace or restore the lost information on damaged "valuable papers and records";

to the extent it reduces the amount of loss that otherwise would have been payable under this Additional Coverage or Additional Coverage f. Business Income.

- (3) With respect to the coverage provided in this Additional Coverage, suspension means:

- (a) The partial slowdown or complete cessation of your business activities; or
- (b) That a part or all of the described premises is rendered untenable, if coverage for Business Income applies.

- (4) We will only pay for Extra Expense that occurs within 12 consecutive months after the date of direct physical loss or damage. This Additional Coverage is not subject to the Limits of Insurance of Section I – Property.

**h. Pollutant Clean-up And Removal**

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay for each location under this Additional Coverage is \$10,000 for the sum of all such expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

**i. Civil Authority**

When a Covered Cause of Loss causes damage to property other than property at the described premises, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises, provided that both of the following apply:

- (1) Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage, and the described premises are within that area but are not more than one mile from the damaged property; and
- (2) The action of civil authority is taken in response to dangerous physical conditions resulting from the damage or continuation of the Covered Cause of Loss that caused the damage, or the action is taken to enable a civil authority to have unimpeded access to the damaged property.

Civil Authority Coverage for Business Income will begin 72 hours after the time of the first action of civil authority that prohibits access to the described premises and will apply for a period of up to four consecutive weeks from the date on which such coverage began.

Civil Authority Coverage for necessary Extra Expense will begin immediately after the time of the first action of civil authority that prohibits access to the described premises and will end:

- (1) Four consecutive weeks after the date of that action; or
- (2) When your Civil Authority Coverage for Business Income ends;

whichever is later.

The definitions of Business Income and Extra Expense contained in the Business Income and Extra Expense Additional Coverages also apply to this Civil Authority Additional Coverage. The Civil Authority Additional Coverage is not subject to the Limits of Insurance of Section I – Property.

**j. Money Orders And "Counterfeit Money"**

We will pay for loss resulting directly from your having accepted in good faith, in exchange for merchandise, "money" or services:

- (1) Money orders issued by any post office, express company or bank that are not paid upon presentation; or

- (2) If you are sued for refusing to pay the check, draft, promissory note, bill of exchange or similar written promise of payment in "money", on the basis that it has been forged or altered, and you have our written consent to defend against the suit, we will pay for any reasonable legal expenses that you incur in that defense.
- (3) For the purpose of this coverage, check includes a substitute check as defined in the Check Clearing for the 21st Century Act and will be treated the same as the original it replaced.

**l. Increased Cost Of Construction**

- (1) This Additional Coverage applies only to buildings insured on a replacement cost basis.
- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with the minimum standards of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in Paragraphs (3) through (9) of this Additional Coverage.

- (3) The ordinance or law referred to in Paragraph (2) of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises and is in force at the time of loss.
- (4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:
  - (a) You were required to comply with before the loss, even when the building was undamaged; and
  - (b) You failed to comply with.
- (5) Under this Additional Coverage, we will not pay for:
  - (a) The enforcement of or compliance with any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungi", wet rot or dry rot; or
  - (b) Any costs associated with the enforcement of or compliance with an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungi", wet rot or dry rot.
- (6) The most we will pay under this Additional Coverage, for each described building insured under Section I – Property, is \$10,000. If a damaged building(s) is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for each damaged building, is \$10,000.

The amount payable under this Additional Coverage is additional insurance.

- (7) With respect to this Additional Coverage:
  - (a) We will not pay for the Increased Cost of Construction:
    - (i) Until the property is actually repaired or replaced, at the same or another premises; and
    - (ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
  - (b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction is the increased cost of construction at the same premises.
  - (c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction is the increased cost of construction at the new premises.
- (8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion, to the extent that such exclusion would conflict with the provisions of this Additional Coverage.
- (9) The costs addressed in the Loss Payment Property Loss Condition in Section I – Property do not include the increased cost attributable to enforcement of or compliance with an ordinance or law. The amount payable under this Additional Coverage, as stated in Paragraph (6) of this Additional Coverage, is not subject to such limitation.

**m. Business Income From Dependent Properties**

- (1) We will pay for the actual loss of Business Income you sustain due to physical loss or damage at the premises of a dependent property or secondary dependent property caused by or resulting from any Covered Cause of Loss.

However, this Additional Coverage does not apply when the only loss at the premises of a dependent property or secondary dependent property is loss or damage to "electronic data", including destruction or corruption of "electronic data". If the dependent property or secondary dependent property sustains loss or damage to "electronic data" and other property, coverage under this Additional Coverage will not continue once the other property is repaired, rebuilt or replaced.

The most we will pay under this Additional Coverage is \$5,000 unless a higher Limit Of Insurance is indicated in the Declarations.

- (2) We will reduce the amount of your Business Income loss, other than Extra Expense, to the extent you can resume "operations", in whole or in part, by using any other available:
  - (a) Source of materials; or
  - (b) Outlet for your products.

  - (d) Attract customers to your business.The dependent property must be located in the coverage territory of this policy.

  - (a) Delivers materials or services to a dependent property, which in turn are used by the dependent property in providing materials or services to you; or

- (b) Accepts materials or services from a dependent property, which in turn accepts your materials or services.

A road, bridge, tunnel, waterway, airfield, pipeline or any other similar area or structure is not a secondary dependent property.

Any property which delivers any of the following services is not a secondary dependent property with respect to such services:

- (i) Water supply services;
- (ii) Wastewater removal services;
- (iii) Communication supply services; or
- (iv) Power supply services.

The secondary dependent property must be located in the coverage territory of this policy.

- (6) The coverage period for Business Income under this Additional Coverage:
  - (a) Begins 72 hours after the time of direct physical loss or damage caused by or resulting from any Covered Cause of Loss at the premises of the dependent property or secondary dependent property; and
  - (b) Ends on the date when the property at the premises of the dependent property or secondary dependent property should be repaired, rebuilt or replaced with reasonable speed and similar quality.
- (7) The Business Income coverage period, as stated in Paragraph (6), does not include any increased period required due to the enforcement of or compliance with any ordinance or law that:
  - (a) Regulates the construction, use or repair, or requires the tearing down of any property; or
  - (b) Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".The expiration date of this policy will not reduce the Business Income coverage period.

- (8) The definition of Business Income contained in the Business Income Additional Coverage also applies to this Business Income From Dependent Properties Additional Coverage.

**o. Fire Extinguisher Systems Recharge Expense**

- (1) We will pay:
- (a) The cost of recharging or replacing, whichever is less, your fire extinguishers and fire extinguishing systems (including hydrostatic testing if needed) if they are discharged on or within 100 feet of the described premises; and
- (b) For loss or damage to Covered Property if such loss or damage is the result of an accidental discharge of chemicals from a fire extinguisher or a fire extinguishing system.
- (2) No coverage will apply if the fire extinguishing system is discharged during installation or testing.
- (3) The most we will pay under this Additional Coverage is \$5,000 in any one occurrence.

**p. Electronic Data**

- (1) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore "electronic data" which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that "electronic data" is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the "electronic data" was stored, with blank media of substantially identical type.

- (2) The Covered Causes of Loss applicable to Business Personal Property include a computer virus, harmful code or similar instruction introduced into or enacted on a computer system (including "electronic data") or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including "electronic data") by any employee, including a temporary or leased employee, or by an entity retained by you, or for you, to inspect, design, install, modify, maintain, repair or replace that system.

- (3) The most we will pay under this Additional Coverage – Electronic Data for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved, is \$10,000, unless a higher Limit Of Insurance is shown in the Declarations. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in, but not after, that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

- (4) This Additional Coverage does not apply to your "stock" of prepackaged software, or to "electronic data" which is integrated in and operates or controls a building's elevator, lighting, heating, ventilation, air conditioning or security system.

**q. Interruption Of Computer Operations**

- (1) Subject to all provisions of this Additional Coverage, you may extend the insurance that applies to Business Income and Extra Expense to apply to a suspension of "operations" caused by an interruption in computer operations due to destruction or corruption of "electronic data" due to a Covered Cause of Loss.

(2) With respect to the coverage provided under this Additional Coverage, the Covered Causes of Loss are subject to the following:

(a) Coverage under this Additional Coverage – Interruption Of Computer Operations is limited to the "specified causes of loss" and Collapse.

(b) If the Businessowners Coverage Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage.

(c) The Covered Causes of Loss include a computer virus, harmful code or similar instruction introduced into or enacted on a computer system (including "electronic data") or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including "electronic data") by any employee, including a temporary or leased employee, or by an entity retained by you, or for you, to inspect, design, install, modify, maintain, repair or replace that system.

(3) The most we will pay under this Additional Coverage – Interruption Of Computer Operations for all loss sustained and expense incurred in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved, is \$10,000 unless a higher Limit Of Insurance is shown in the Declarations. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.

(4) This Additional Coverage – Interruption Of Computer Operations does not apply to loss sustained or expense incurred after the end of the "period of restoration", even if the amount of insurance stated in (3) above has not been exhausted.

(5) Coverage for Business Income does not apply when a suspension of "operations" is caused by destruction or corruption of "electronic data", or any loss or damage to "electronic data", except as provided under Paragraphs (1) through (4) of this Additional Coverage.

- (6) Coverage for Extra Expense does not apply when action is taken to avoid or minimize a suspension of "operations" caused by destruction or corruption of "electronic data", or any loss or damage to "electronic data", except as provided under Paragraphs (1) through (4) of this Additional Coverage.
- (7) This Additional Coverage does not apply when loss or damage to "electronic data" involves only "electronic data" which is integrated in and operates or controls a building's elevator, lighting, heating, ventilation, air conditioning or security system.

**r. Limited Coverage For "Fungi", Wet Rot Or Dry Rot**

- (1) The coverage described in Paragraphs r.(2) and r.(6) only applies when the "fungi", wet rot or dry rot is the result of a "specified cause of loss" other than fire or lightning that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.

This Additional Coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.

- (2) We will pay for loss or damage by "fungi", wet rot or dry rot. As used in this Limited Coverage, the term loss or damage means:
  - (a) Direct physical loss or damage to Covered Property caused by "fungi", wet rot or dry rot, including the cost of removal of the "fungi", wet rot or dry rot;
  - (b) The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungi", wet rot or dry rot; and
  - (c) The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungi", wet rot or dry rot is present.

- (3) The coverage described under this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungi", wet rot or dry rot, we will not pay more than the total of \$15,000 even if the "fungi", wet rot or dry rot continues to be present or active, or recurs, in a later policy period.

- (4) The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungi", wet rot or dry rot, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungi", wet rot or dry rot, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungi", wet rot or dry rot causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

- (5) The terms of this Limited Coverage do not increase or reduce the coverage provided under the Water Damage, Other Liquids, Powder Or Molten Material Damage or Collapse Additional Coverages.

(6) The following applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the suspension of "operations" satisfies all the terms and conditions of the applicable Business Income and/or Extra Expense Additional Coverage:

- (a) If the loss which resulted in "fungi", wet rot or dry rot does not in itself necessitate a suspension of "operations", but such suspension is necessary due to loss or damage to property caused by "fungi", wet rot or dry rot, then our payment under the Business Income and/or Extra Expense Additional Coverages is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
- (b) If a covered suspension of "operations" was caused by loss or damage other than "fungi", wet rot or dry rot, but remediation of "fungi", wet rot or dry rot prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

## 6. Coverage Extensions

In addition to the Limits of Insurance of Section I – Property, you may extend the insurance provided by this policy as provided below.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

- (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
- (8) Cooperate with us in the investigation or settlement of the claim.
- (9) Resume all or part of your "operations" as quickly as possible.

b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

### 4. Legal Action Against Us

No one may bring a legal action against us under this insurance unless:

- a. There has been full compliance with all of the terms of this insurance; and
- b. The action is brought within two years after the date on which the direct physical loss or damage occurred.

### 5. Loss Payment

In the event of loss or damage covered by this policy:

a. At our option, we will either:

- (1) Pay the value of lost or damaged property;
- (2) Pay the cost of repairing or replacing the lost or damaged property;
- (3) Take all or any part of the property at an agreed or appraised value; or
- (4) Repair, rebuild or replace the property with other property of like kind and quality, subject to Paragraph d.(1)(e) below.

b. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.

c. We will not pay you more than your financial interest in the Covered Property.

d. Except as provided in Paragraphs (2) through (7) below, we will determine the value of Covered Property as follows:

(1) At replacement cost without deduction for depreciation, subject to the following:

- (a) If, at the time of loss, the Limit of Insurance on the lost or damaged property is 80% or more of the full replacement cost of the property immediately before the loss, we will pay the cost to repair or replace, after application of the deductible and without deduction for depreciation, but not more than the least of the following amounts:

- (i) The Limit of Insurance under Section I – Property that applies to the lost or damaged property;

- (ii) The cost to replace, on the same premises, the lost or damaged property with other property:
  - i. Of comparable material and quality; and
  - ii. Used for the same purpose; or
- (iii) The amount that you actually spend that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost is limited to the cost which would have been incurred had the building been built at the original premises.

- (b) If, at the time of loss, the Limit of Insurance applicable to the lost or damaged property is less than 80% of the full replacement cost of the property immediately before the loss, we will pay the greater of the following amounts, but not more than the Limit of Insurance that applies to the property:

- (i) The actual cash value of the lost or damaged property; or
- (ii) A proportion of the cost to repair or replace the lost or damaged property, after application of the deductible and without deduction for depreciation. This proportion will equal the ratio of the applicable Limit of Insurance to 80% of the full replacement cost of the property.

**Example**

The full replacement cost of property which suffers a total loss is \$100,000. The property is insured for \$70,000. 80% of the full replacement cost of the property immediately before the loss is \$80,000 ( $\$100,000 \times .80 = \$80,000$ ). A partial loss of \$25,000 is sustained. The amount of recovery is determined as follows:

Amount of recovery  
 $\$70,000 + \$80,000 = .875$   
 $.875 \times \$25,000 = \$21,875$

- (c) You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim on a replacement cost basis if you notify us of your intent to do so within 180 days after the loss or damage.

- (d) We will not pay on a replacement cost basis for any loss or damage:

- (i) Until the lost or damaged property is actually repaired or replaced; and

- (ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage.

However, if the cost to repair or replace the damaged building property is \$2,500 or less, we will settle the loss according to the provisions of Paragraphs **d.(1)(a)** and **d.(1)(b)** above whether or not the actual repair or replacement is complete.

- (e) The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

- (2) If the Actual Cash Value – Buildings option applies, as shown in the Declarations, Paragraph (1) above does not apply to Buildings. Instead, we will determine the value of Buildings at actual cash value.

- (3) The following property at actual cash value:

- (a) Used or secondhand merchandise held in storage or for sale;

- (b) Property of others. However, if an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance;

- (c) Household contents, except personal property in apartments or rooms furnished by you as landlord;
  - (d) Manuscripts; and
  - (e) Works of art, antiques or rare articles, including etchings, pictures, statuary, marble, bronzes, porcelain and bric-a-brac.
- (4) Glass at the cost of replacement with safety glazing material if required by law.
- (5) Tenants' improvements and betterments at:
- (a) Replacement cost if you make repairs promptly.
  - (b) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:
    - (i) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
    - (ii) Divide the amount determined in (i) above by the number of days from the installation of improvements to the expiration of the lease.
- If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.
- (c) Nothing if others pay for repairs or replacement.
- (6) Applicable only to the Optional Coverages:
- (a) "Money" at its face value; and
  - (b) "Securities" at their value at the close of business on the day the loss is discovered.
- (7) Applicable only to accounts receivable:
- (a) If you cannot accurately establish the amount of accounts receivable outstanding as of the time of loss or damage:
    - (i) We will determine the total of the average monthly amounts of accounts receivable for the 12 months immediately preceding the month in which the loss or damage occurs; and

- (ii) We will adjust that total for any normal fluctuations in the amount of accounts receivable for the month in which the loss or damage occurred or for any demonstrated variance from the average for that month.
- (b) The following will be deducted from the total amount of accounts receivable, however that amount is established:
- (i) The amount of the accounts for which there is no loss or damage;
  - (ii) The amount of the accounts that you are able to reestablish or collect;
  - (iii) An amount to allow for probable bad debts that you are normally unable to collect; and
  - (iv) All unearned interest and service charges.
- e. Our payment for loss of or damage to personal property of others will only be for the account of the owners of the property. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- g. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, provided you have complied with all of the terms of this policy, and:
- (1) We have reached agreement with you on the amount of loss; or
  - (2) An appraisal award has been made.

- h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

#### 6. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, you may retain the property. But then you must return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limits of Insurance of Section I – Property.

#### 7. Resumption Of Operations

We will reduce the amount of your:

- a. Business Income loss, other than Extra Expense, to the extent you can resume your "operations", in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the described premises or elsewhere.
- b. Extra Expense loss to the extent you can return "operations" to normal and discontinue such Extra Expense.

#### 8. Vacancy

##### a. Description Of Terms

- (1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in Paragraphs (a) and (b) below:

- (a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

- (b) When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

- (i) Rented to a lessee or sublessee and used by the lessee or sublessee to conduct its customary operations; and/or

- (ii) Used by the building owner to conduct customary operations.

- (2) Buildings under construction or renovation are not considered vacant.

##### b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

- (1) We will not pay for any loss or damage caused by any of the following even if they are Covered Causes of Loss:

- (a) Vandalism;

- (b) Sprinkler leakage, unless you have protected the system against freezing;

- (c) Building glass breakage;
- (d) Water damage;
- (e) Theft; or
- (f) Attempted theft.

- (2) With respect to Covered Causes of Loss other than those listed in Paragraphs (1)(a) through (1)(f) above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

## F. Property General Conditions

### 1. Control Of Property

Any act or neglect of any person other than you beyond your direction or control will not affect this insurance.

The breach of any condition of this Coverage Form at any one or more locations will not affect coverage at any location where, at the time of loss or damage, the breach of condition does not exist.

### 2. Mortgageholders

- a. The term "mortgageholder" includes trustee.
- b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this policy, the mortgageholder will still have the right to receive loss payment if the mortgageholder:
  - (1) Pays any premium due under this policy at our request if you have failed to do so;
  - (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
  - (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this policy will then apply directly to the mortgageholder.

- e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this policy:

- (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
- (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgageholder at least:
  - (1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or
  - (2) 30 days before the effective date of cancellation if we cancel for any other reason.
- g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

- f. This Optional Coverage is cancelled as to any employee immediately upon discovery by:

  - (2) Any of your partners, "members", "managers", officers or directors not in collusion with the employee; of any dishonest act committed by that employee before or after being hired by you.

- h. If you (or any predecessor in interest) sustained loss or damage during the policy period of any prior insurance that you could have recovered under that insurance except that the time within which to discover loss or damage had expired, we will pay for it under this Optional Coverage, provided:
- (1) This Optional Coverage became effective at the time of cancellation or termination of the prior insurance; and
  - (2) The loss or damage would have been covered by this Optional Coverage had it been in effect when the acts or events causing the loss or damage were committed or occurred.

- (2) Leakage at any valve, fitting, shaft seal, gland packing, joint or connection;
- (3) Damage to any vacuum tube, gas tube, or brush; or

We will then pay the amount of loss in excess of the applicable deductible up to the applicable limit for this coverage.

If no optional deductible is chosen for this Optional Coverage, the Property Deductible shown in the Declarations applies.

- f. With respect to Additional Coverages **5.f. Business Income** and **5.g. Extra Expense**, if the 72-hour time period in the definition of "period of restoration" (hereinafter referred to as time deductible) is amended for this Optional Coverage as shown in the Declarations, we will not pay for any Business Income loss that occurs during the consecutive number of hours shown as the time deductible in the Declarations immediately following a mechanical breakdown or electrical failure. If a time deductible is shown in days, each day shall mean 24 consecutive hours.

With respect to the coverage provided by this Optional Coverage, any time deductible shown in the Declarations for Equipment Breakdown Protection Coverage supersedes any time deductible otherwise applicable to the Business Income coverage provided by this policy.

- g. With respect to the coverage provided by this Optional Coverage, Paragraph **H. Property Definitions** is amended as follows:

1. "Computer" means:

"Computer" includes those used to operate production-type machinery or equipment.

Whenever any covered pressure, mechanical or electrical machinery and equipment is found to be in, or exposed to, a dangerous condition, any of our representatives may suspend coverage provided by this Optional Coverage for loss from a mechanical breakdown or electrical failure to that pressure, mechanical or electrical machinery and equipment.

However, coverage provided by this Optional Coverage may be reinstated for loss from a mechanical breakdown or electrical failure to that pressure, mechanical or electrical machinery and equipment if the reasons for the suspension are found by any of our representatives to no longer exist.

We may suspend or reinstate this Optional coverage by mailing or delivering a written notification regarding the suspension or reinstatement to:

- (1) Your last known address; or
- (2) The address where the pressure, mechanical or electrical machinery and equipment is located.

This notification will indicate the effective date of the suspension or reinstatement.

If the coverage provided by this Optional Coverage is not reinstated, you will get a pro rata refund of premium. But the suspension will be effective even if we have not yet made or offered a refund.

#### H. Property Definitions

##### 1. "Computer" means:

- a. Programmable electronic equipment that is used to store, retrieve and process data; and
- b. Associated peripheral equipment that provides communication, including input and output functions such as printing and auxiliary functions such as data transmission.

"Computer" does not include those used to operate production-type machinery or equipment.

- 2. "Counterfeit money" means an imitation of "money" that is intended to deceive and to be taken as genuine.
- 3. "Electronic data" means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a "computer" or device connected to it, which enable the "computer" or device to receive, process, store, retrieve or send data.
- 4. "Fungi" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.
- 5. "Manager" means a person serving in a directorial capacity for a limited liability company.
- 6. "Member" means an owner of a limited liability company represented by its membership interest, who also may serve as a "manager".
- 7. "Money" means:
  - a. Currency, coins and bank notes in current use and having a face value; and
  - b. Traveler's checks, register checks and money orders held for sale to the public.
- 8. "Operations" means your business activities occurring at the described premises.
- 9. "Period of restoration":
  - a. Means the period of time that:
    - (1) Begins:
      - (a) 72 hours after the time of direct physical loss or damage for Business Income Coverage; or
      - (b) Immediately after the time of direct physical loss or damage for Extra Expense Coverage;

caused by or resulting from any Covered Cause of Loss at the described premises; and

(2) Ends on the earlier of:

- (a) The date when the property at the described premises should be repaired, rebuilt or replaced with reasonable speed and similar quality; or
- (b) The date when business is resumed at a new permanent location.

b. Does not include any increased period required due to the enforcement of or compliance with any ordinance or law that:

- (1) Regulates the construction, use or repair, or requires the tearing down of any property; or
- (2) Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

The expiration date of this policy will not cut short the "period of restoration".

10. "Pollutants" means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.

11. "Securities" means negotiable and nonnegotiable instruments or contracts representing either "money" or other property and includes:

- a. Tokens, tickets, revenue and other stamps (whether represented by actual stamps or unused value in a meter) in current use; and
- b. Evidences of debt issued in connection with credit or charge cards, which cards are not issued by you;

but does not include "money".

12. "Specified causes of loss" means the following:

Fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.

a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:

- (1) The cost of filling sinkholes; or
- (2) Sinking or collapse of land into man-made underground cavities.

b. Falling objects does not include loss of or damage to:

- (1) Personal property in the open; or
- (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.

c. Water damage means:

- (1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of any part of a system or appliance (other than a sump system including its related equipment and parts) containing water or steam; and
- (2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe that is located off the described premises and is part of a municipal potable water supply system or municipal sanitary sewer system, if the breakage or cracking is caused by wear and tear.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in c.(1) or c.(2) of this definition of "specified causes of loss", such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the ground surface.

13. "Stock" means merchandise held in storage or for sale, raw materials and in-process or finished goods, including supplies used in their packing or shipping.

14. "Valuable papers and records" means inscribed, printed or written:

- a. Documents;
- b. Manuscripts; and
- c. Records;

including abstracts, books, deeds, drawings, films, maps or mortgages.

But "valuable papers and records" does not mean "money" or "securities".

## SECTION II – LIABILITY

### A. Coverages

#### 1. Business Liability

a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury", "property damage" or "personal and advertising injury" to which this insurance applies. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known before the policy period.

(2) To "personal and advertising injury" caused by an offense arising out of your business, but only if the offense was committed in the "coverage territory" during the policy period.

Notwithstanding the provisions of Paragraph B.1.b.(2) Exclusions in Section II – Liability, such payments will not be deemed to be damages for "bodily injury" and "property damage" and will not reduce the Limits of Insurance.

3. Paragraph **C. Concealment, Misrepresentation Or Fraud** is replaced by the following:

**C. Concealment, Misrepresentation Or Fraud**

We will not pay for any loss or damage in any case of:

If notice is mailed, proof of mailing will be sufficient proof of notice.

5. The following paragraph is added:

**Increase In Premium Or Decrease In Coverage**

We will not increase the premium unilaterally or decrease the coverage benefits on renewal of this Policy unless we mail through first-class mail written notice of our intention, including the actual reason, to the first Named Insured's last mailing address known to us, at least 45 days before the effective date.

- c. A substantial change in the exposure or risk other than that indicated in the application and underwritten as of the effective date of the Policy unless the first Named Insured has notified us of the change and we accept such change.

**Section I – Property** is amended as follows:

**A. Each Coverage – Coverage 1, Coverage 2 and Coverage 3 – is provided under this endorsement only if that Coverage(s) is chosen by entry in the above Schedule and then only with respect to the building identified for the Coverage(s) in the Schedule.**

**B. Application Of Coverage(s)**

The Coverage(s) provided by this endorsement applies only if both **B.1.** and **B.2.** are satisfied and are then subject to the qualifications set forth in **B.3.**

**1. The ordinance or law:**

- a. Regulates the demolition, construction or repair of buildings, or establishes zoning or land use requirements at the described premises; and
- b. Is in force at the time of loss.

But coverage under this endorsement applies only in response to the minimum requirements of the ordinance or law. Losses and costs incurred in complying with recommended actions or standards that exceed actual requirements are not covered under this endorsement.

**2. The building sustains direct physical damage:**

- a. That is covered under this policy and as a result of such damage, you are required to comply with the ordinance or law; or
- b. That is covered under this policy and direct physical damage that is not covered under this policy, and as a result of the building damage in its entirety, you are required to comply with the ordinance or law.
- c. But if the damage is not covered under this policy, and such damage is the subject of the ordinance or law, then there is no coverage under this endorsement even if the building has also sustained covered direct physical damage.

3. In the situation described in **B.2.b.** above, we will not pay the full amount of loss otherwise payable under the terms of Coverages 1, 2 and/or 3 of this endorsement. Instead, we will pay a proportion of such loss, meaning the proportion that the covered direct physical damage bears to the total direct physical damage.

(Section H. of this endorsement provides an example of this procedure.)

However, if the covered direct physical damage alone would have resulted in a requirement to comply with the ordinance or law, then we will pay the full amount of loss otherwise payable under terms of Coverages 1, 2 and/or 3 of this endorsement.

- C. We will not pay under Coverage 1, 2 or 3 of this endorsement for:

1. Enforcement of or compliance with any ordinance or law which requires the demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungi", wet rot or dry rot; or
2. The costs associated with the enforcement of or compliance with any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungi", wet rot or dry rot.

#### D. Coverage

##### 1. Coverage 1 – Coverage For Loss To The Undamaged Portion Of The Building

With respect to the building that has sustained covered direct physical damage, we will pay under Coverage 1 for the loss in value of the undamaged portion of the building as a consequence of a requirement to comply with an ordinance or law that requires demolition of undamaged parts of the same building. Coverage 1 is included within the Limit Of Insurance shown in the Declarations as applicable to the covered building. Coverage 1 does not increase the Limit of Insurance.

##### 2. Coverage 2 – Demolition Cost Coverage

With respect to the building that has sustained covered direct physical damage, we will pay the cost to demolish and clear the site of undamaged parts of the same building, as a consequence of a requirement to comply with an ordinance or law that requires demolition of such undamaged property.

Paragraph E.5.d. Loss Payment Property Loss Condition does not apply to **Demolition Cost Coverage.**

##### 3. Coverage 3 – Increased Cost Of Construction Coverage

With respect to the building that has sustained covered direct physical damage, we will pay the increased cost to:

- a. Repair or reconstruct damaged portions of that building; and/or
- b. Reconstruct or remodel undamaged portions of that building, whether or not demolition is required;

when the increased cost is a consequence of a requirement to comply with the minimum standards of the ordinance or law.

However:

- a. This coverage applies only if the restored or remodeled property is intended for similar occupancy as the current property, unless such occupancy is not permitted by zoning or land use ordinance or law.
- b. We will not pay for the increased cost of construction if the building is not repaired, reconstructed or remodeled.

Paragraph E.5.d. Loss Payment Property Loss Condition does not apply to the **Increased Cost Of Construction Coverage.**

**E. Loss Payment**

1. All following loss payment Provisions E.2. through E.5. are subject to the apportionment procedure set forth in Section B.3. of this endorsement:
2. When there is a loss in value of an undamaged portion of a building to which Coverage 1 applies, the loss payment for that building, including damaged and undamaged portions, will be determined as follows:
  - a. If the property is repaired or replaced on the same or another premises, we will not pay more than the lesser of:
    - (1) The amount you actually spend to repair, rebuild or reconstruct the building, but not for more than the amount it would cost to restore the building on the same premises and to the same height, floor area, style and comparable quality of the original property insured; or
    - (2) The Limit Of Insurance shown in the Declarations as applicable to the covered building.
  - b. If the property is not repaired or replaced, we will not pay more than the lesser of:
    - (1) The actual cash value of the building at the time of loss; or
    - (2) The Limit Of Insurance shown in the Declarations as applicable to the covered building.
3. Unless Paragraph E.5. applies, loss payment under Coverage 2 – Demolition Cost Coverage will be determined as follows:

We will not pay more than the lesser of the following:

  - a. The amount you actually spend to demolish and clear the site of the described premises; or
  - b. The applicable Limit Of Insurance shown for Coverage 2 in the Schedule above.
4. Unless Paragraph E.5. applies, loss payment under Coverage 3 – Increased Cost Of Construction Coverage will be determined as follows:
  - a. We will not pay under Coverage 3:
    - (1) Until the property is actually repaired or replaced, at the same or another premises; and

- (2) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
  - b. If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay under Coverage 3 is the lesser of:
    - (1) The increased cost of construction at the same premises; or
    - (2) The applicable Limit Of Insurance shown for Coverage 3 in the Schedule above.
  - c. If the ordinance or law requires relocation to another premises, the most we will pay under Coverage 3 is the lesser of:
    - (1) The increased cost of construction at the new premises; or
    - (2) The applicable Limit Of Insurance shown for Coverage 3 in the Schedule above.
5. If a Combined Limit Of Insurance is shown for Coverages 2 and 3 in the Schedule above, Paragraphs E.2. and E.3. of this endorsement do not apply with respect to the building property that is subject to the Combined Limit, and the following loss payment provisions apply instead:

The most we will pay, for the total of all covered losses for Demolition Cost and Increased Cost Of Construction, is the Combined Limit Of Insurance shown for Coverages 2 and 3 in the Schedule above. Subject to this Combined Limit of Insurance, the following loss payment provisions apply:

  - a. For Demolition Cost, we will not pay more than the amount you actually spend to demolish and clear the site of the described premises.
  - b. With respect to the Increased Cost Of Construction:
    - (1) We will not pay for the increased cost of construction:
      - (a) Until the property is actually repaired or replaced, at the same or another premises; and
      - (b) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

000003 46/116

(2) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the same premises.

(3) If the ordinance or law requires relocation to another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the new premises.

F. The terms of this endorsement apply separately to each building to which this endorsement applies.

G. Under this endorsement, we will not pay for loss due to any ordinance or law that:

1. You were required to comply with before the loss, even if the building was undamaged; and
2. You failed to comply with.

H. Example of Proportionate Loss Payment for Ordinance or Law Coverage Losses (procedure as set forth in Section B.3. of this endorsement).

Assume:

- Wind is a Covered Cause of Loss. Flood is an excluded Cause of Loss;
- The building has a value of \$200,000;
- Total direct physical damage to building: \$100,000;
- The ordinance or law in this jurisdiction is enforced when building damage equals or exceeds 50% of the building's value;
- Portion of direct physical damage that is covered (caused by wind): \$30,000;
- Portion of direct physical damage that is not covered (caused by flood): \$70,000; and
- Loss under Ordinance or Law Coverage 3 of this endorsement: \$60,000.

Step 1: Determine the proportion that the covered direct physical damage bears to the total direct physical damage.

$$\$30,000 \text{ divided by } \$100,000 = .30$$

Step 2: Apply that proportion to the Ordinance or Law loss.

$$\$60,000 \times .30 = \$18,000$$

In this example, the most we will pay under this endorsement for the Coverage 3 loss is \$18,000, subject to the applicable Limit of Insurance and any other applicable provisions.

**NOTE:** The same procedure applies to losses under Coverages 1 and 2 of this endorsement.

I. If shown as applicable in the Schedule of this endorsement, the following applies:

**Business Income And Extra Expense Optional Coverage**

1. If a Covered Cause of Loss occurs to property at the premises described in the Declarations, coverage is extended to include the amount of actual and necessary loss you sustain during the increased period of suspension of your "operations" caused by or resulting from a requirement to comply with any ordinance or law that:

- a. Regulates the construction or repair of any property;
- b. Requires the tearing down of parts of any property not damaged by a Covered Cause of Loss; and
- c. Is in force at the time of loss.

However, coverage is not extended under this endorsement to include loss caused by or resulting from the enforcement of or compliance with any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

2. Paragraph H.9. Period Of Restoration Definition is replaced by the following:

9. "Period of restoration" means the period of time that:

a. Begins:

(1) 72 hours after the time of direct physical loss or damage caused by or resulting from any Covered Cause of Loss at the described premises, unless a lesser number of hours is shown in the Schedule of this endorsement; or

(2) Immediately after the time of the direct physical loss or damage for Extra Expense Coverage caused by or resulting from any Covered Cause of Loss at the described premises; and

b. Ends on the earlier of:

(1) The date when the property at the described premises should be repaired, rebuilt or replaced with reasonable speed and similar quality; or

POLICY NUMBER: CBP00000598  
01/10/25

(2) The date when business is resumed at a new permanent location.

"Period of restoration" includes any increased period required to repair or reconstruct the property to comply with the minimum standards of any ordinance or law, in force at the time of loss, that regulates the construction or repair, or requires the tearing down of any property.

The expiration date of this policy will not cut short the "period of restoration".

If the suspension of e-commerce activity is caused solely by an interruption described in C.1.b. above, then the period of coverage begins 8 hours or one business day (which ever elapses first) after the interruption begins. Under this endorsement, the interruption in service is deemed to begin when service to your website is interrupted. The period of coverage ends on the earliest of:

- (1) The time when your e-commerce activity is resumed;
- (2) The time when service is restored to you; or
- (3) Two weeks after the interruption began.

c. The time periods expressed in 2.a. and 2.b. above (including the 8 hour or one business day which ever elapses first) waiting period apply to the coverage under Section II of this endorsement and are not affected by any provision in any form or endorsement relating to or modifying business income coverage.

## 3. Business Income

a. Business Income means the:

- (1) Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses; and

(2) Continuing normal operating expenses incurred, including payroll.

b. The amount of Business Income loss will be determined based on consideration of the following, b.(1) through b.(4). However, the amount of loss will be reduced to the extent that the reduction in the volume of business from the affected e-commerce activity is offset by an increase in the volume of business from other channels of commerce.

- (1) The Net Income of the business of e-commerce before the loss or damage or interruption in service or function occurred;
- (2) The likely Net Income of the business of e-commerce if no loss or damage or interruption in service had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses;
- (3) The operating expenses, including payroll, necessary to resume e-commerce activity with the same quality of service that existed before the loss or damage or interruption in service or function; and
- (4) Other relevant sources of information, including your financial records and accounting procedures, bills, invoices and other vouchers, and deeds, liens and contracts.

## 4. Extra Expense

a. Extra Expense means necessary expenses you incur:

- (1) During the period of coverage set forth in C.2. of this endorsement, that you would not have incurred if there had been no loss or damage or interruption in service or function, subject to (2) below; or
- (2) To avoid or minimize the suspension of e-commerce activity.

b. The amount of Extra Expense will be determined based on:

- (1) Necessary expenses that exceed the normal operating expenses that would have been incurred in the course of e-commerce activity during the period of coverage if no loss or damage or interruption in service or function had occurred. We will deduct from the total of such expenses the salvage value that remains of any property bought for temporary use during the period of coverage, once e-commerce activity is resumed; and
- (2) Necessary expenses that reduce the Business Income loss that otherwise would have been incurred during the period of coverage.

#### 5. Resumption Of E-Commerce Activity

- a. We will reduce the amount of your Business Income loss to the extent that you can resume e-commerce activity, in whole or in part, by using damaged or undamaged equipment or "electronic data" at the described premises or elsewhere.
- b. We will reduce the amount of your Extra Expense loss to the extent that you can return e-commerce activity to normal and discontinue Extra Expense.
- c. If you do not resume e-commerce activity, or do not do so as quickly as possible, we will pay based on the length of time it would have taken to resume such activity as quickly as possible.

#### D. Section III – Causes Of Loss

1. The provisions of this endorsement do not supersede or in any way affect the application of the Exclusion Of Certain Computer-Related Losses contained in the Businessowners Coverage Form. The exclusion addresses the inability of a computer system to correctly recognize, process, distinguish, interpret or accept one or more dates or times.
2. The Businessowners Coverage Form, by means of exclusions and limitations stated therein and all modifications stated in D.2. through D.4. of this endorsement, provides the Covered Causes of Loss applicable to Section I and Section II of this endorsement.
  - a. The Power Failure Exclusion does not apply with respect to power or communications supply services, provided that there is an interruption in utility service which is caused by a "specified cause of loss" as defined in the Businessowners Coverage Form.

b. The exclusion of artificially generated electrical current, including electrical arcing, does not apply.

c. The exclusion of mechanical breakdown does not apply with respect to the breakdown of your computers and their related equipment, but this exception is limited to the effect of such mechanical breakdown on "electronic data".

d. The following exclusions are added. We will not pay for loss or damage caused by or resulting from:

- (1) A virus, malicious code or similar instruction introduced into or enacted on a computer system (including "electronic data") or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But this exclusion does not apply if your e-commerce activity is conducted via a computer system that is equipped with virus-scanning or anti-virus software, or if the Anti-Virus Waiver is indicated as applicable in the Schedule. When this exclusion does not apply, then coverage also extends to shut-down of the computer system if the shut-down is undertaken in response to the detection of a virus or other incident by virus-scanning software, to mitigate or avoid attack, infiltration or infection of the system;
- (2) Unauthorized viewing, copying or use of "electronic data" (or any proprietary or confidential information or intellectual property in any form) by any person, even if such activity is characterized as theft;
- (3) Errors or omissions in programming or processing "electronic data";
- (4) Errors or deficiency in design, installation, maintenance, repair or modification of your computer system or any computer system or network to which your system is connected or on which your system depends (including "electronic data");
- (5) Manipulation of your computer system, including "electronic data", by an employee, volunteer worker or contractor, for the purpose of diverting "electronic data" or causing fraudulent or illegal transfer of any property;

(6) Interruption in normal computer function or network service or function due to insufficient capacity to process transactions or to an overload of activity on the system or network. But this exclusion does not apply if such incident is caused by a virus, malicious code or similar instruction introduced into or enacted on a computer system or network;

(7) Unexplained or indeterminable failure, malfunction or slowdown of a computer system, including "electronic data" and the inability to access or properly manipulate the "electronic data"; or

(8) Complete or substantial failure, disablement or shut-down of the entire Internet, regardless of the cause.

3. The Covered Causes of Loss include removal of "electronic data" from your system in an act of thievery by someone other than an employee, volunteer worker or contractor. Removal means that the "electronic data" is no longer in your computer system. Removal does not mean viewing, copying or use of "electronic data" (or any proprietary or confidential information or intellectual property in any form). Coverage for removal does not include transfer of funds, securities or similar property which is designated in the Coverage Form as Property Not Covered, even if eliminated from Property Not Covered by endorsement.
4. An endorsement(s) which adds or eliminates a Covered Cause of Loss from Businessowners Coverage Form also applies to coverage under this endorsement, unless such other endorsement contains a specific provision to the contrary or is made inapplicable to this endorsement via its Schedule or the Declarations.

#### E. Section IV – Other Provisions

##### 1. General

The coverage under this endorsement is limited as described, and does not extend to or modify any coverage provided under any other form or endorsement in this policy.

##### 2. Claim-Related Fees

We will not pay for costs, fees or other expenses you incur in establishing the amount of your claim.

#### 3. Insurance-To-Value

The Insurance-To-Value requirements do not apply to the coverage provided under this endorsement.

#### 4. Limit Of Insurance – Annual Aggregate

The applicable Limit of Insurance shown in the Schedule is the most we will pay under this endorsement, for the total of all losses covered under Sections I and II of this endorsement and sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust the applicable Limit of Insurance, then the balance of that Limit is available for subsequent loss sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

#### 5. Deductible

The Deductible shown in the Schedule applies to loss covered under Section I of this endorsement. We will not pay for loss in any one occurrence until the amount of loss exceeds the Deductible. We will then pay the amount of loss in excess of the Deductible, subject to the available limit of the Limit of Insurance.

#### 6. Coverage Territory

With respect to the coverage provided under this endorsement, the following is added to F. Property General Conditions 4. Policy Period, Coverage Territory:

A computer virus or other incident that occurs on the Internet or other computer-based interactive communications network may originate anywhere in the world. However, even if an incident that originates outside the Coverage Territory results in coverage under this endorsement, the coverage is limited to the Coverage Territory (United States of America, its territories and possessions, and Puerto Rico and Canada) in accordance with the provisions of Paragraphs B.1. and C.1. of this endorsement.

## **EARTHQUAKE**

This endorsement modifies insurance provided under the following:

### **BUSINESSOWNERS COVERAGE FORM**

**Section I – Property** is amended as follows:

**A.** With respect to the coverage provided under this endorsement, the following are considered Covered Causes of Loss:

1. Earthquake.
2. Volcanic Eruption, meaning the eruption, explosion or effusion of a volcano.

**B.** All Earthquake shocks or Volcanic Eruptions that occur within any 168-hour period will constitute a single Earthquake or Volcanic Eruption. The expiration of this policy will not reduce the 168-hour period.

**C.** With respect to the coverage provided by this endorsement, we will not pay for loss or damage caused by or resulting from any Earthquake or Volcanic Eruption that begins before the inception of this insurance.

But, if this policy replaces earthquake insurance that excludes loss or damage that occurs after the expiration of the policy we will pay for loss or damage by Earthquake or Volcanic Eruption that occurs on or after the inception of this insurance, if the series of Earthquake shocks or Volcanic Eruptions began within 168 hours prior to the inception of this insurance.

**D.** To the extent that Exclusion **B.1.b. Earth Movement** might conflict with coverage provided under this endorsement, that exclusion does not apply.

**E.** Paragraph **D. Deductibles** is replaced by the following for Earthquake and Volcanic Eruption:

**D. Deductibles**

1. We will subtract a sum from the amount of loss or damage in any one occurrence.

**a.** The sum we subtract from each separate item will be a percentage of its value. The applicable percentage is shown in the Declarations.

**b.** This Deductible applies separately to the following:

- (1) Each building or structure;
- (2) The contents of each building or structure; and
- (3) Personal property in the open.

**Example:**

When:

|                                |           |
|--------------------------------|-----------|
| The value of the property is   | \$100,000 |
| The Earthquake Deductible is   | 5%        |
| The amount of loss is          | \$ 20,000 |
| Step (a): \$100,000 x 5% =     | \$5,000   |
| Step (b): \$20,000 – \$5,000 = | \$15,000  |

The most we will pay is \$15,000. The remaining \$5,000 is not covered because of the Deductible.

**2.** No deductible applies to the following Additional Coverages:

- a.** Business Income;
- b.** Extra Expense; and
- c.** Civil Authority.

**F.** The following is added to Paragraph **C. Limits Of Insurance**:

all "loss" which such spouse becomes legally obligated to pay by reason of such "claim" will be treated for the purposes of this endorsement as "loss" which the "insured person" becomes legally obligated to pay as a result of the "claim" made against such "insured person". Such "loss" to the spouse will be covered under this endorsement only if and to the extent that such "loss" would be covered if incurred by the "insured person".

However, this Paragraph b. does not apply to a "claim" arising out of any "wrongful act" committed or allegedly committed by the "insured person's" spouse.

c. This insurance also applies to "claims" arising out of the "wrongful acts" of an "insured person" made against:

- (1) The estate, heirs or legal representatives of a deceased "insured person"; and
- (2) The legal representative of that "insured person" in the event of incompetency, insolvency or bankruptcy.

However, this Paragraph c. only applies to "claims" if and to the extent that, in the absence of such death, incompetency, insolvency or bankruptcy of the "insured person", such "claims" would have been covered by this insurance according to all applicable terms, conditions and exclusions.

## 2. Insuring Agreement – Association Reimbursement

We will pay on behalf of the "association" any "loss" for which the "association" has indemnified an "insured person", as permitted or required by law, and which the "insured person" becomes legally obligated to pay as a result of a "claim" first made against that "insured person" (or an "insured person's" spouse or any other party granted the rights of an "insured person" under Paragraph 1.) during the policy period or during the Extended Reporting Period, if purchased, as described in Paragraph G.

However, this insurance applies only to a "claim" arising out of a "wrongful act" committed by the "insured person" which occurs on or after the Retroactive Date, if any, shown in the Schedule, and before the end of the policy period.

## 3. Insuring Agreement – Association Liability

We will pay on behalf of the "association" any "loss" which the "association" becomes legally obligated to pay as a result of a "claim" first made against the "association" during the policy period or during the Extended Reporting Period, if purchased, as described in Paragraph G.

## 4. Defense And Settlement

However, we will have no duty to defend the insured against any "claim" because of a "wrongful act" to which this insurance does not apply. We may, at our discretion, investigate any incident that may result in a "loss". We may, with your written consent, settle any "claim".

All "claims" arising out of the same "wrongful act" or "interrelated wrongful acts" committed by one or more "insured persons" shall be considered a single "claim". Such single "claim" shall be deemed to be first made on the date the initial "claim" arising out of such "wrongful act" or "interrelated wrongful acts" was first made pursuant to Paragraph E. or notice of such "wrongful act" or "interrelated wrongful acts" was first reported pursuant to Paragraph E.

    - a. Insureds;
    - b. "Claims" made or "suits" brought; or
    - c. Persons, organizations or government agencies making "claims" or bringing "suits".
- If the aggregate Limit of Insurance is exhausted by the payment of "loss", we will have no further obligations or liability of any kind under this endorsement.
- "Claims expenses" are part of the "loss" and are payable within the Limit of Insurance shown in the Schedule, thereby reducing that Limit.

000003 107/116

**2. Deductible**

Subject to Paragraph D.1. of this endorsement, we will pay only that amount of "loss" which is in excess of the Deductible shown in the Schedule. The Deductible will be borne by the insureds, uninsured and at their own risk. A single deductible will apply to all "loss" resulting from all "claims" alleging the same "wrongful acts" or "interrelated wrongful acts".

If the "association" is permitted or required by law to indemnify an "insured person" for "loss", but fails or refuses, other than for reason of "financial insolvency", then our payment for such "loss" will not be subject to any deductible and the "association" shall be responsible for, and shall hold us harmless from, and shall reimburse us for such "loss" up to the deductible shown in the Schedule.
