

2025 HOA Board of Directors Election

As we approach our upcoming Annual Meeting, we want to take a moment to encourage all homeowners to consider volunteering for a position on the Board of Directors for 2025. Serving on the Board is a great way to become more involved in the community, and it helps ensure that the responsibilities of managing and maintaining our neighborhood are shared among a group of dedicated individuals.

While we are required to have at least three members on the Board, we welcome additional volunteers! More members mean we can divide tasks and create committees to focus on specific areas like the ACC (Architectural Control Committee), Financial Review, Property Maintenance/Vendor Review, Community Involvement and Outreach, Volunteer Coordination, and more. This makes the workload lighter for everyone, while providing opportunities to focus on the areas that matter most to you.

Volunteering for the Board is not only an opportunity to help shape the future of our neighborhood, but also to connect with neighbors, build community, and make a real impact where we live. If you've ever thought about taking a more active role in your community, now is the time to get involved.

Annual Meeting Details

A separate notice, including the proposed budget, agenda, and details for the time and location of the Annual Meeting, will be sent to every homeowner and posted on the Community Boards soon. We hope that all homeowners can attend, as your participation is crucial in shaping the direction of our neighborhood.

We look forward to seeing you at the meeting, and we encourage anyone who is interested in volunteering for a Board position to reach out with any questions or to express your interest. Together, we can make our community an even better place to call home!
