BE IT RESOLVED, that the following policy shall govern the adoption and amendment of the Dues Collection Policy.

1. Scope:

To adopt a procedure and policy to be followed when Owner accounts are not current.

2. Specifics:

The Association shall levy and enforce regular and special assessments which are secured by a continuing lien upon the property against which the assessment is made. By accepting a deed to any lot, each Owner agrees to pay to the Association all the assessments.

Fines assessed for noncompliance of the Association's Governing Documents are due upon notification to the Owner.

In the event an Owner does not occupy their residence but chooses to lease said property, the Owner shall be liable for their Tenants actions. It shall be the Owner's personal obligation to pay to the Association all assessments, fines, fees, or penalties that are levied against the property, whether the cause of the Owner or a Tenant.

If the English language is not the Owner's first, primary language or does not have the ability to read English, the Owner may request the Notification written in their primary language. All additional expenses incurred in this endeavor shall be paid by the Association.

The Board of Directors sets assessments annually. These assessments are paid in full, annually, and are due the 1st of March. Statements will be mailed to each Owner prior to the due date but are due regardless of receipt of statement.

If payment is returned due to insufficient funds or any other reason, there will be a \$45.00 NSF fee to cover bank charges and the payment will be considered delinquent.
