2024 Exchange Update

Dear Fellow Truck Insurance Exchange Member:

As we close the books on 2023, Farmers Insurance Group® continues to provide its customers with coverage options to help them manage risk and meet their insurance needs. We strive to deliver the best value and experience to every customer we're privileged to serve. Farmers appreciates your business and looks forward to continuing to earn your confidence for many years to come.

Truck Insurance Exchange is one of the insurers comprising Farmers Insurance Group®. Truck Insurance Exchange along with Farmers Insurance Exchange and Fire Insurance Exchange, and their subsidiaries and affiliates, provide automobile, homeowners, personal umbrella, and business owners insurance. For more information, please visit farmers.com.

Recent Developments

- A cross-functional team from across the enterprise was established to develop a clear and compelling three-year strategy for Farmers. In June, our new strategy was announced, and implementation is now underway.
- We introduced a new opportunity for Farmers agency owners and their health-licensed agency staff to sell Medicare to eligible customers.
- The Exchanges sold three brokerage entities and the servicing arm of its flood program to a subsidiary of Farmers Group Inc. for \$760 million. The transaction significantly contributed to strengthening the surplus of the Exchanges, while also positioning Farmers agency owners for future growth and improved customer retention.
- We delivered when it mattered most in a year full of catastrophes. In fact, this year alone, we handled nearly 50 large CAT events, including severe storms, a hurricane, wildfires, and winter storms.

Better Together

- Farmers contributed \$5,368,985.83 in charitable giving with 68% of those funds supporting disaster resilience efforts.
- Our employees continue to make a difference in communities across the country, completing 36,908 hours of service across 1,599 causes in 807 communities in 2023.
- Our employees also positively impacted 903 Junior Achievement students in October through exposure to financial literacy and career readiness training. Exceptional feedback has led to an exciting new partnership with Junior Achievement, launching in 2024.

2024 Exchange Update(continued)

FREQUENTLY ASKED QUESTIONS

As a member of Truck Insurance Exchange, we want you to understand the basics of the operation of an Exchange because, as you will see below, you are an owner of the Exchange.

What is an Exchange?

An Exchange is an insurance organization, which operates in most ways like any other insurance company, but with a few key differences. Truck Insurance Exchange was organized under a provision in the California Insurance Code, which allows insureds to "exchange" policies with other insureds. Because the insureds cannot practically be involved in actually issuing policies, collecting premium, paying commissions to agents, etc., they appoint a third party - called an "attorney-in-fact" (AIF) - to perform those duties on their behalf for a fee. That appointment is made through a document called a "Subscription Agreement." You were asked to sign a Subscription Agreement at the time you applied for insurance with Truck Insurance Exchange and that is how you became a member (aka subscriber).

Who owns the Exchange?

You do. Subscribers of the Exchange are owners until such time as they no longer have insurance from the Exchange. Subscribers elect a Board of Governors which supervises the financial affairs of the Exchange and the performance of the AIF in conformity with the Subscription Agreement terms.

Why is an AIF fee paid to Truck Underwriters Association (TUA)?

Under the Subscription Agreement mentioned above, members appoint TUA to perform certain of the tasks, such as policy issuance and collection of premium, which are involved in running an insurance operation. The Subscription Agreement specifies an AIF fee of 20 percent of premium, although TUA has taken less than that amount.

What is TUA?

TUA is a wholly owned subsidiary of Farmers Group, Inc. (FGI), which is part of the Zurich Insurance Group, Ltd (ZIG), a Swiss company. Neither TUA, FGI nor ZIG has any ownership interest in Truck Insurance Exchange, which is owned by its subscribers (insureds).

How was your premium dollar spent by Truck Insurance Exchange in 2023?

Your premium dollar covers Exchange costs including losses incurred, acquisition costs, taxes, license fees, the AIF fee, and any contributions to surplus. For 2023, the AIF fee was 14.0% of the premium dollar, which included the AIF profit of 7.08% of the premium dollar for that year.

Can the Exchange lose money?

If premiums collected exceed claims payments and other expenses (including the fee for the AIF), then the Exchange retains those net premium earnings (as contributions to surplus). If premiums are not sufficient to cover claims and expenses, the Exchange will lose money. That's one reason it is important to build surplus to pay future losses. The AIF does not participate in claims losses and does not enjoy any net premium earnings. Importantly, subscribers are not responsible for any losses the Exchange might suffer.

How can I exercise my right to vote?

You may exercise your voting rights in any of the following ways:

1. By attending the annual members meeting in Woodland Hills, CA on March 18, 2025, at 2 PM,
2. Electronically through your Farmers.com account (voting will be available from January 1, 2025, to March 7, 2025, and you will be required to create a Farmers.com account if you do not already have one), or
3. Through mail by requesting a paper proxy from the Subscriber Relations Office (completed proxies must be received by March 7, 2025)

Where can I get more information about the Exchange, or obtain a paper proxy?

You can go to www.farmers.com/about-us for most questions. If you have additional questions or want to obtain a paper proxy along with a postage paid envelope to confidentially return your proxy, please contact:

Subscriber Relations Office Fire Insurance Exchange Attn: Corporate Secretary

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. Disclosure Of Premium

In accordance with the federal Terrorism Risk Insurance Act, we are required to provide you with a notice disclosing the portion of your premium, if any, attributable to coverage for terrorist acts certified under the Terrorism Risk Insurance Act. The portion of your premium attributable to such coverage is shown in the Schedule of this endorsement or in the policy Declarations.

B. Disclosure Of Federal Participation In Payment Of Terrorism Losses

The United States Government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. The federal share equals a percentage (as shown in Part II of the Schedule of this endorsement or in the policy Declarations) of that portion of the amount of such insured losses that exceeds the applicable insurer retention. However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

C. Cap On Insurer Participation In Payment Of Terrorism Losses

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

A. The following is added to Section **B. Exclusions**:

This insurance does not apply to:

Perfluoroalkyl And Polyfluoroalkyl Substances

- a. "Bodily injury" or "property damage" which would not have occurred, or "personal and advertising injury" which would not have taken place, in whole or in part, but for the actual, alleged, threatened or suspected inhalation, ingestion, absorption, consumption, discharge, dispersal, seepage, migration, release or escape of, contact with, exposure to, existence of, or presence of, any "perfluoroalkyl or polyfluoroalkyl substances".
- b. "Perfluoroalkyl or polyfluoroalkyl substances" means any:

- 1. Chemical or substance that contains one or more alkyl carbons on which hydrogen atoms have been partially or completely replaced by fluorine atoms, including but not limited to:

This endorsement is part of your policy. It supersedes and controls anything to the contrary. It is otherwise subject to all the terms of the policy.

Dear Valued Customer,

Have the growth of your business and rising labor costs reduced the accuracy of the payroll or revenue shown on your policy? Have increased costs and inflationary trends reduced the protection provided by your policy? Building and Business Personal Property insurance limits, once adequate, may no longer meet today's repair or replacement costs.

To help compensate for these inflationary trends, the limits of insurance for Building and/or Business Personal Property coverages have been increased by a modest percentage. To keep your policy current with rising labor costs and normal business growth, the payroll and/or revenue have also been increased by a modest percentage.

This renewal offer includes the adjusted limits of insurance, payroll, revenue, and premium for your policy. The adjustments are relatively small, and they're based on estimated increases in the past year's construction and repair costs, as well as other inflationary factors, such as rising labor costs and normal business growth.

These increases do not guarantee adequate coverage for any loss; they are based on estimates. It is possible, for example, that updates or improvements to your property or increased sales might cause your individual needs for coverage to be greater than the amount provided by these adjustments. If you have not reviewed your policy recently, the effects of inflationary changes over time create the likelihood that the increases we made are less than the increases you need for optimal coverage.

These changes are made to better serve your insurance needs, and we encourage you to contact your Farmers® agent, who will be pleased to help you with a comprehensive review of your policy.

Acceptance of these changes does not waive the provisions of the coinsurance clause or any other policy clause.

Thank you for choosing Farmers. We appreciate your business.

A claim in time

Delays can make claims more difficult to resolve. That's why it is important to report claims as soon as possible.

Minor injuries may grow into serious problems if treatment is delayed, like an employee trying to tough-out an on-the-job sprain or a customer who can't afford the copay for a back injury.

For injured employees, reporting a claim promptly can get treatment started quickly, which can help minimize employee lost time. For a third-party injury, it allows for gathering and preserving key evidence, which may lead to a more effective resolution.

Slip and fall? Give us a call!

It happens more than you might think. A customer has an incident at a business – a slip, a fall, tripping on the stairs or hitting their head on an open cabinet. They seem embarrassed but not seriously hurt. You're relieved it wasn't anything more serious. Or was it?

A year later, a lawyer sends a demand claiming injuries and negligence. Does anyone remember who was working that day? Is there still security footage? Pictures of the scene? Maintenance records? Names of witnesses?

The sooner you report a claim, the sooner Farmers® can investigate, preserve evidence, and follow up with the injured person. Those services are included with your policy. **To report a Farmers claim, contact your agent or visit farmers.com/claims/**
