Dear Farmers® Customer,

Thank you for choosing Farmers for your Business Insurance needs.

In today's business environment, we understand that your business needs may change during the year. For example, you may acquire new equipment, adjust your staffing, add a new location, create electronic ordering and/or billing for your customers or begin offering new services.

These changes may require updated insurance coverage for your business.

Farmers and its agents want to help make you smarter about your insurance. To do that, we offer special services at no additional cost to you to help you ensure your business has the coverage it needs.

For example:

- Your agent will be happy to schedule a Farmers Friendly Review® with you. During this review, your agent can talk to you about available insurance discounts, potential coverage gaps, and new products that may be available to you. In addition, if there have been changes in your business since your last policy review, your premium may be eligible for additional pricing consideration.
- MysafetyPoint.com makes safety and loss control information available that may help you avoid workplace injuries and other losses.

To access this information, log onto www.mysafetypoint.com, then register with your policy number and email address to find safety and loss control information that is specific to your type of business.

ENCLOSED YOU WILL FIND YOUR POLICY DOCUMENTS. PLEASE REVIEW YOUR COVERAGES TO ENSURE THEY MEET YOUR NEEDS.

If you have any questions, please contact your Farmers agent.

Premium Change Notice

Re: Renewal of 60672-20-92

Dear Valued Customer:

We want to take this opportunity to thank you for choosing Farmers[®] Business Insurance and to share some important information. Your policy renewal date is approaching soon and based on current underwriting information in our files, your renewal notice will reflect an increase in premium over the prior year. Please keep in mind that this increase may be due to a combination of factors including policy changes you may have requested, changes in the economic factors affecting the risk, such as property values, payrolls or sales volume, or rate factor changes made by us in response to rising claims and other costs. The level of risk associated with this policy is not commensurate with the current premium level. Accordingly, please be advised that the renewal premium will be \$ 14,056.00.

We know the protection of your business is important to your success and we're honored that you've chosen Farmers Business Insurance. If you would like to discuss your upcoming renewal, we recommend you contact your Farmers Insurance agency at 970-444-1111

Sincerely,
MID-CENTURY INSURANCE COMPANY

Dear Valued Customer,

Have the growth of your business and rising labor costs reduced the accuracy of the payroll or revenue shown on your policy? Have increased costs and inflationary trends reduced the protection provided by your policy? Building and Business Personal Property insurance limits, once adequate, may no longer meet today's repair or replacement costs.

To help compensate for these inflationary trends, the limits of insurance for Building and/or Business Personal Property coverages have been increased by a modest percentage. To keep your policy current with rising labor costs and normal business growth, the payroll and/or revenue have also been increased by a modest percentage.

This renewal offer includes the adjusted limits of insurance, payroll, revenue, and premium for your policy. The adjustments are relatively small, and they're based on estimated increases in the past year's construction and repair costs, as well as other inflationary factors, such as rising labor costs and normal business growth.

These increases do not guarantee adequate coverage for any loss; they are based on estimates. It is possible, for example, that updates or improvements to your property or increased sales might cause your individual needs for coverage to be greater than the amount provided by these adjustments. If you have not reviewed your policy recently, the effects of inflationary changes over time create the likelihood that the increases we made are less than the increases you need for optimal coverage.

These changes are made to better serve your insurance needs, and we encourage you to contact your Farmers[®] agent, who will be pleased to help you with a comprehensive review of your policy.

Acceptance of these changes does not waive the provisions of the coinsurance clause or any other policy clause.

Thank you for choosing Farmers. We appreciate your business.

A claim in time

Delays can make claims more difficult to resolve. That's why it is important to report claims as soon as possible.

Minor injuries may grow into serious problems if treatment is delayed, like an employee trying to tough-out an on-the-job sprain or a customer who can't afford the copay for a back injury.

For injured employees, reporting a claim promptly can get treatment started quickly, which can help minimize employee lost time. For a third-party injury, it allows for gathering and preserving key evidence, which may lead to a more effective resolution.

Slip and fall? Give us a call!

It happens more than you might think. A customer has an incident at a business – a slip, a fall, tripping on the stairs or hitting their head on an open cabinet. They seem embarrassed but not seriously hurt. You're relieved it wasn't anything more serious. Or was it?

A year later, a lawyer sends a demand claiming injuries and negligence. Does anyone remember who was working that day? Is there still security footage? Pictures of the scene? Maintenance records? Names of witnesses?

The sooner you report a claim, the sooner Farmers® can investigate, preserve evidence, and follow up with the injured person. Those services are included with your policy. **To report a Farmers claim, contact your agent or visit farmers.com/claims/**
