CIRCUMSTANCES ADVERSELY IMPACTING CREDIT HISTORY**

Dear Valued Policyholder,

Thank you for selecting us as your carrier for your commercial insurance.

We may use a credit-based insurance score when pricing your business insurance policy. If your credit HISTORY has been adversely impacted by any of the following circumstances, you may request in writing that we take this under consideration when using your credit information.

- Catastrophic medical expense due to illness, disease, or disability
- Divorce, dissolution of a marriage, or involuntary interruption of legally-owed alimony or support payments
- Death of a spouse or family member
- Temporary loss of employment
- Identity theft
- Total or other loss that makes your home uninhabitable
- Victim of domestic abuse
- Care of an adult dependent or dependent grandchild
- Impact from a major natural catastrophe, including hurricane or tornado
- Military deployment overseas
- Any other circumstance an insurer may choose to recognize
- Personal guarantee of a business loan
- A catastrophic event, as declared by the federal or state government
- A serious illness or injury, or serious illness or injury to an immediate family member
- Predatory lending resulting in the foreclosure of, or commencement of proceedings or an action to foreclose, a mortgage of real property owned by the insured or insurance applicant

In order for us to take into consideration these circumstances, you must submit this request to us not more than sixty (60) days after the date of your application for insurance or your policy's renewal. We may require you to provide additional documentation of the circumstances to explain how the circumstances may have negatively affected your credit history.

You may send your request by email to BL_Credit_Request@libertymutual.com. Please include the business name, your name and title, policy number, and phone number.

INFORMATION ABOUT YOUR POLICY

Policy Number: JKF (27) 70 39 03 85

Like many insurance companies, Liberty Mutual Insurance considers many factors, including information based on your credit history, claims history, and risk characteristics to determine your premium. You have the option to request that we re-evaluate your insurance rate with up-to-date information for determining the premium for the next renewal period. IMPORTANT NOTICE – PLEASE READ CAREFULLY

Audit Information Policyholder Notice

Thank you for insuring your business with Liberty Mutual. We appreciate the trust and confidence you have placed in us. We take our responsibility to our customers seriously, and part of that responsibility is keeping you informed at all times.

This explanation is not a part of your insurance policy, and it does not alter any of its provisions or conditions. Please refer any questions you may have to your insurance agent.

We would like to thank you for being a policyholder. We appreciate your business.

If your policy contains a condition stating it is subject to a premium audit, we would like to take this opportunity to explain how the audit process works and answer the most common questions we receive from our policyholders. The information in this notice will make it easier for you to prepare for your audit.

INSURANCE PREMIUM AUDIT FACTS

Audits can benefit our policyholders by allowing us to collect the appropriate amount of premium for each policy.

Most commercial policies are written based on estimated or fluctuating exposure bases. At the end of the policy term an audit will determine the actual exposure bases and the premium will be adjusted accordingly. A company representative will conduct the audit.

The premium auditor will examine and audit records that relate to your policy. The records necessary to complete the audit will vary, based on the coverages you have. Types of records that may be requested for your audit include, but are not limited to:

- Payroll Records, including Federal 941 forms
- Sales Journals or income statements
- General Ledger
- Cash Disbursements Journal
- Subcontractor Certificates

Keeping accurate and complete records will allow the auditor to properly classify and allocate your exposures correctly. Often there are allowable credits available according to insurance manual classification and rating rules. The premium auditor will be able to give you the credits, to which you are entitled, if your records provide the necessary details. Providing the records your auditor needs can save you time and money as well as expedite the audit process.

HOW AUDITS ARE CONDUCTED

Audits are handled in different ways, depending on the types of coverages you may have. We conduct audits in the following ways:

Physical Audit – An auditor will contact you and set up a convenient time to personally come to your business and review your records.

Phone Audit – Forms will be mailed to you, explaining what is necessary to complete a phone audit. The phone auditor will contact you or your bookkeeper for this information.

Voluntary Audit – Forms will be mailed to you for completion. We will provide you with contact information if you need assistance in completing the forms.

COMPLETING THE AUDIT

Many states have enacted legislation that governs the time in which an audit must be completed, billed, and paid. This applies to audits for cancelled policies as well as regular audits. In order to comply with state regulations, it is important to make your records available for audit when our representative contacts you. We will make every effort to complete the audit within a reasonable time after the close of the policy period stated in your policy.

FREQUENTLY ASKED QUESTIONS

Q: What if I use subcontractors?

A: Subcontractors are factored in to the audit process. Subcontractors who do not have insurance are treated as though they are your employees at the time of the audit. If your subcontractor furnishes you with a certificate of liability or workers' compensation insurance, your insurance cost for that subcontractor could be less. See your policy for details on limits of insurance required for certificates.

Q: I have no employees and work alone. Does the insurance company still need to complete an audit?

A: Yes. The auditor will need to verify you worked alone by examining business records that may include tax filings, disbursements, and check stubs.

Q: Do I need an audit if I have cancelled my policy or am no longer insured with you?

A: An audit may still be necessary even if you no longer have an active policy with us. The audit would cover the time period for which you were insured by us. Other factors that may determine if an audit is necessary include the time the policy was in effect and the amount of premium involved.

Q: If I use leased employees but the leasing company carries the liability, are the leased employees excluded from my General Liability policy?

A: No. Per GL base contract, the definition is "Employee" includes a "leased worker". "Employee" does not include a "temporary worker".

Q: Is it necessary to keep records on any casual labor I use?

A: Yes. Casual labor payroll is examined during the audit.

Q: What happens if I do not comply with the audit and fail to provide all necessary records and verification?

A: It is important to provide the necessary information in order to complete the audit. If you fail to do so, your policy may be cancelled or nonrenewed. You may also receive an estimated audit statement based on increased policy exposure estimates due to non-compliance of audit.

Q: Am I able to request an audit on my policy?

A: Yes. Inquiries may be started by contacting your independent agent or our Premium Audit Department.

If you would like additional information about the policy audit process, your independent agent can assist you. The Premium Audit Department is also available to answer any questions you may have regarding this process.

Please contact us at 1-888-224-9246 or via E-mail at PremiumAuditServices@libertymutual.com.

This notice is for information purposes only and does not provide coverage. Your Declarations Page, in conjunction with your policy and other applicable endorsements, provides complete details of your coverages. If this notice conflicts with the applicable policy language, the policy language prevails. Carefully read your policy, including all endorsements.

**U.S. TREASURY DEPARTMENT'S OFFICE OF FOREIGN
ASSETS CONTROL ("OFAC")
ADVISORY NOTICE TO POLICYHOLDERS**

No coverage is provided by this Policyholder Notice nor can it be construed to replace any provisions of your policy. You should read your policy and review your Declarations page for complete information on the coverages you are provided.

This Notice provides information concerning possible impact on your insurance coverage due to directives issued by OFAC. **Please read this Notice carefully.**

Please refer any questions you may have to your insurance agent.

The Office of Foreign Assets Control (OFAC) administers and enforces sanctions policy, based on Presidential declarations of "national emergency". OFAC has identified and listed numerous:

- Foreign agents;
- Front organizations;
- Terrorists;
- Terrorist organizations; and
- Narcotics traffickers;

as "Specially Designated Nationals and Blocked Persons". This list can be located on the United States Treasury's web site - <http://www.treas.gov/ofac>.

In accordance with OFAC regulations, if it is determined that you or any other insured, or any person or entity claiming the benefits of this insurance has violated U.S. sanctions law or is a Specially Designated National and Blocked Person, as identified by OFAC, this insurance will be considered a blocked or frozen contract and all provisions of this insurance are immediately subject to OFAC. When an insurance policy is considered to be such a blocked or frozen contract, no payments nor premium refunds may be made without authorization from OFAC. Other limitations on the premiums and payments also apply.

IMPORTANT POLICYHOLDER INFORMATION CONCERNING BILLING PRACTICES

Dear Valued Policyholder: This insert provides you with important information about our policy billing practices that may affect you. Please review it carefully and contact your agent if you have any questions.

Premium Notice: We will mail you a policy Premium Notice separately. The Premium Notice will provide you with specifics regarding your agent, the account and policy billed, the billing company, payment plan, policy number, transaction dates, description of transactions, charges/credits, policy amount balance, minimum amount, and payment due date. This insert explains fees that may apply to and be shown on your Premium Notice.

Available Premium Payment Plans:

- **Annual Payment Plan:** When this plan applies, you have elected to pay the entire premium amount balance shown on your Premium Notice in full. No installment billing fee applies when the Annual Payment Plan applies.
- **Installment Payment Plan:** When this plan applies, you have elected to pay your policy premium in installments (e.g.: quarterly or monthly installments - Installment Payment Plans vary by state). As noted below, an installment fee may apply when the Installment Payment Plan applies.

The Premium Payment Plan that applies to your policy is shown on the top of your Premium Notice. Please contact your agent if you want to change your Payment Plan election.

Installment Payment Plan Fee: If you elected to pay your premiums in installments using the Installment Premium Payment Plan, an installment billing fee applies to each installment bill. The installment billing charge will not apply, however, if you pay the entire balance due when you receive the bill for the first installment. Because the amount of the installment charge varies from state to state, please consult your Premium Notice for the actual fee that applies.

Dishonored Payment Fee: Your financial institution may refuse to honor the premium payment withdrawal request you submit to us due to insufficient funds in your account or for some other reason. If that is the case, and your premium payment withdrawal request is returned to us dishonored, a payment return fee will apply. Because the amount of the return fee varies from state to state, please consult your Premium Notice for the actual fee that applies.

Late Payment Fee: If we do not receive the minimum amount due on or before the date or time the payment is due, as indicated on your Premium Notice, you will receive a policy cancellation notice effective at a future date that will also reflect a late payment fee charge. Issuance of the cancellation notice due to non-payment of a scheduled installment(s) may result in the billing and collection of all or part of any outstanding premiums due for the policy period. Late Payment Fees vary from state to state and are not applicable in some states.

Special Note: Please note that some states do not permit the charging of certain fees. Therefore, if your state does not allow the charging of an Installment Payment Plan, Dishonored Payment or Late Payment Fee, the disallowed fee will not be charged and will not be included on your Premium Notice.

EFT-Automatic Withdrawals Payment Option: When you select this option, you will not be sent Premium Notices and, in most cases, will be charged installment fees. For more information on our EFT-Automatic withdrawals payment option, refer to the attached EFT enrollment sheet.

Once again, please contact your agent if you have any questions about the above billing practice information.

Thank you for selecting us to service your insurance needs.

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties, and what is and is not covered.

Throughout this policy or coverage part the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us", and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under **Section II – Who Is an Insured**.

Other words and phrases that appear in quotation marks have special meaning. Refer to **Section V – Definitions**.

SECTION I – COVERAGES

COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. INSURING AGREEMENT

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend any insured or additional insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in **Section III – Limits of Insurance**; and
- (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under **Supplementary Payments – Coverages A and B**.

- b. This insurance applies to "bodily injury" and "property damage" only if:

- (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";

If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change, or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

- c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred or to have begun to occur by any insured listed under **1. of Section II – Who Is an Insured** or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change, or resumption of that "bodily injury" or "property damage" after the end of the policy period.

- d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under **1. of Section II – Who Is an Insured** or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

- e. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services, or death resulting at any time from the "bodily injury".

2. EXCLUSIONS

This insurance does not apply to:

However, unless (1) above applies, this exclusion does not apply to damages because of "bodily injury".

b. AIRCRAFT, AUTO, OR WATERCRAFT

"Bodily injury" or "property damage" arising out of:

- (1) The ownership, maintenance, use, or entrustment to others of any aircraft, "auto", or watercraft owned or operated by, or rented, leased, or loaned to, any insured; or
- (2) Any "auto" you do not own, lease, hire, rent, or borrow that is used in connection with your business.

Use includes operation and "loading or unloading".

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training, or monitoring of others, or any other business practices by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" involved the ownership, maintenance, use, or entrustment to others of any aircraft, "auto", or watercraft that is owned or operated by or rented, leased or loaned to any insured.

This exclusion does not apply to:

- (3) A watercraft while ashore on premises you own or rent;

c. ASBESTOS

- (1) "Bodily injury" or "property damage" arising out of:

d. CONTRACTUAL LIABILITY

- (1) That the insured would have in the absence of the contract or agreement; or
- (2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorneys' fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:
 - (a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and
 - (b) Such attorneys' fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

- (1) A defect, deficiency, inadequacy, or dangerous condition in "your product" or "your work"; or
- (2) A delay or failure by you or anyone acting on your behalf to perform a contract or agreement in accordance with its terms.

This exclusion does not apply to the loss of use of other property arising out of sudden and accidental physical injury to "your product" or "your work" after it has been put to its intended use.

g. DAMAGE TO PROPERTY

"Property damage" to:

- (1) Property you own, rent, lease, or occupy, including any costs or expenses incurred by you, or any other person, organization, or entity, for repair, replacement, enhancement, restoration, or maintenance of such property for any reason, including prevention of injury to a person or damage to another's property;
- (2) Premises you sell, give away, or abandon, if the "property damage" arises out of any part of those premises;
- (3) Property loaned to you;
- (4) Personal property in the care, custody, or control of the insured;
- (5) That particular part of real property on which you or any contractors or subcontractors working directly or indirectly on your behalf are performing operations, if the "property damage" arises out of those operations; or
- (6) That particular part of any property that must be restored, repaired, or replaced because "your work" was incorrectly performed on it.

Items (1), (3), and (4) above do not apply to "property damage" (other than damage by fire, lightning, explosion, smoke, or leakage from an automatic fire protection system) to:

- (7) Premises rented to you for a period of seven or fewer consecutive days; or
- (8) Contents of premises rented to you for a period of seven or fewer consecutive days; or
- (9) Contents that you rent or lease as part of a premises rental or lease agreement for a period of more than seven days.

Items (3), (4), and (6) of this exclusion do not apply if such "property damage" results from the use of elevators. For the purpose of this provision, elevators do not include vehicle lifts. Vehicle lifts are lifts or hoists used in automobile service or repair operations.

A separate limit of insurance applies to Damage To Premises Rented To You as described in **Section III – Limits of Insurance**.

Item (2) of this exclusion does not apply if the premises are "your work" and were never occupied, rented, or held for rental by you.

Items (3), (4), (5), and (6) of this exclusion do not apply to liability assumed under a sidetrack agreement.

Item (6) of this exclusion does not apply to "property damage" included in the "products-completed operations hazard".

h. DAMAGE TO YOUR PRODUCT

"Property damage" to "your product" arising out of it or any part of it.

i. DAMAGE TO YOUR WORK

"Property damage" to "your work" arising out of it or any part of it and included in the "products-completed operations hazard".

This exclusion does not apply if the damaged work or the work out of which the damage arises was performed on your behalf by a subcontractor.

j. EMPLOYER'S LIABILITY

"Bodily injury" to:

(1) An "employee" of any insured arising out of and in the course of:

(a) Employment by the insured; or

(b) Performing duties related to the conduct of the insured's business; or

(2) The spouse, child, parent, brother, sister, sibling, or dependent of that "employee" as a consequence of (1) above.

This exclusion applies:

(3) Whether any insured may be liable as an employer or in any other capacity; and

(4) To any obligation to share damages with or repay someone else who must pay damages because of the injury.

This exclusion does not apply to liability assumed by the insured under an "insured contract".

k. EMPLOYMENT-RELATED PRACTICES

(1) A person arising or allegedly arising out of any:

(a) Refusal to employ or promote a person;

(b) Termination of a person's employment;

(c) Employment-related practices, policies, acts, or omissions, including, but not limited to, coercion, demotion, evaluation, reassignment, discipline, defamation, harassment, humiliation, discrimination, or malicious prosecution directed at a person; or

This exclusion applies even if:

- (1) Such "bodily injury" or "property damage" is of a different kind or degree than expected or intended; or
- (2) Such "bodily injury" or "property damage" is sustained by a different person or persons, entity, real or personal property than expected or intended.

However, this exclusion does not apply to "bodily injury" or "property damage" resulting from the use of reasonable force to protect persons or property.

m. LIQUOR LIABILITY

"Bodily injury" or "property damage" for which any insured may be held liable by reason of:

- (1) Causing or contributing to the intoxication of any person;

if the "occurrence" which caused the "bodily injury" or "property damage", involved that which is described in (1), (2), or (3) above.

However, this exclusion applies only if you are in the business of manufacturing, distributing, selling, serving, or furnishing alcoholic beverages. For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving, or furnishing alcoholic beverages.

- (1) The transportation of "mobile equipment" by an "auto" owned or operated by or rented, leased, or loaned to any insured; or

- (a) At or from any premises, site, or location which is or was at any time owned or occupied by, or rented or loaned to, any insured. However, this does not apply to:
 - (i) "Bodily injury" if sustained within a building and caused by smoke, fumes, vapor, or soot produced by or originating from equipment that is used to heat, cool, or dehumidify the building, or equipment that is used to heat water for personal use, by the building's occupants or their guests;
 - (ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site, or location has been added to your policy as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site, or location and such premises, site, or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or

However, this does not apply to:
 - (i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants, or other operating fluids which are needed to perform the normal electrical, hydraulic, or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants, or other operating fluids escape from a vehicle part designed to hold, store, or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal, or release of the fuels, lubricants, or other operating fluids, or if such fuels, lubricants, or other operating fluids are brought on or to the premises, site, or location with the intent that they be discharged, dispersed, or released as part of the operations being performed by such insured, contractor, or subcontractor;
 - (ii) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes, or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or
 - (iii) "Bodily injury" or "property damage" arising out of heat, smoke, or fumes from a "hostile fire"; or
 - (e) At or from any premises, site, or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the operations are to test for, monitor, abate, clean up, remove, contain, treat, detoxify, neutralize, remediate, dispose of, or in any way respond to, or assess the effects of, "pollutants".
- (2) Any damages, loss, costs, or expenses arising out of any:

- (a) Request, demand, order, or statutory or regulatory requirement that any insured or others test for, monitor, abate, clean up, remove, contain, treat, detoxify, neutralize, remediate, dispose of or in any way respond to, or assess the effects of, "pollutants"; or
- (b) Claim or suit by or on behalf of any governmental authority or any other person, entity, or organization for damages because of testing for, monitoring, abating, cleaning up, removing, containing, treating, detoxifying, neutralizing, remediating, disposing of, or in any way responding to, or assessing the effects of, "pollutants".

However, this paragraph does not apply to liability for damages because of "property damage" that the insured would have in the absence of such request, demand, order, or statutory or regulatory requirement, or such claim or "suit" by or on behalf of a governmental authority.

So long as the above conditions are met, attorneys' fees incurred by us in the defense of that indemnitee, necessary litigation expenses incurred by us and necessary litigation expenses incurred by the indemnitee at our request will be paid as Supplementary Payments. Notwithstanding the provisions of **2.d.(2) of Section I – Coverages, Coverage A – Bodily Injury and Property Damage Liability** or **2.d.(2) of Section I – Coverages, Coverage B – Personal and Advertising Injury Liability**, such payments will not be deemed to be damages for "bodily injury", "property damage", or "personal and advertising injury" and will not reduce the limits of insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when:

- g. We have used up the applicable limit of insurance in the payment of judgments or settlements; or
- h. The conditions set forth above, or the terms of the agreement described in **f.** above, are no longer met.

However, none of these "employees" or "volunteer workers" are insureds for:
 - (1) "Bodily injury" or "personal and advertising injury":
 - (a) To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), to a co-"employee" while in the course of their employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;

3. NEWLY ACQUIRED OR FORMED ORGANIZATION

Any organization you newly acquire or form, other than a partnership, joint venture, or limited liability company, and over which you maintain financial interest of more than 50% of the voting stock, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:

- a. Coverage under this provision is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier; and
- b. Coverage A does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and
- c. Coverage B does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.

SECTION III – LIMITS OF INSURANCE

- 1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:
 - a. Insureds;
 - b. Claims made or "suits" brought; or
 - c. Persons or organizations making claims or bringing "suits".
- 2. The General Aggregate Limit is the most we will pay for the sum of:
 - a. Medical expenses under Coverage C;

- b. Damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard"; and
 - c. Damages under Coverage B.
3. The Products-Completed Operations Aggregate Limit is the most we will pay under Coverage A for damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard", except for, the products or operations for which the classification, listed in the Declarations or in a policy Schedule, states that products-completed operations are subject to the General Aggregate Limit.
4. Subject to 2. above, the Personal And Advertising Injury Limit is the most we will pay under Coverage B for the sum of all damages because of all "personal and advertising injury" arising out of any one "occurrence".
- Non-Cumulation of Liability – Same Occurrence – if one "occurrence" causes "personal and advertising injury" during the policy period and during the policy period of one or more prior, or future, general liability policies issued to you by us, then this policy's Personal And Advertising Injury Limit will be reduced by the amount of each payment made by any Liberty Mutual underwriting company under the other Policies because of such "occurrence".
5. Subject to 2. or 3. above, whichever applies, the Each Occurrence Limit is the most we will pay for the sum of:
- a. Damages under Coverage A; and
 - b. Medical expenses under Coverage C;
- because of all "bodily injury" and "property damage" arising out of any one "occurrence".
- Non-Cumulation of Liability – Same Occurrence – if one "occurrence" causes "bodily injury" and/or "property damage" during the policy period and during the policy period of one or more prior, or future, general liability policies issued to you by us, then this policy's Each Occurrence Limit will be reduced by the amount of each payment made by any Liberty Mutual underwriting company under the other Policies because of such "occurrence".
6. Subject to 5. above, the Damage To Premises Rented To You Limit is the most we will pay under Coverage A for damages because of "property damage" to:
- a. Any one premise:
 - (1) While rented to you; or
 - (2) While rented to you or temporarily occupied by you with permission of the owner for damage by fire, lightning, explosion, smoke, or leakage from an automatic fire protection system; or
 - b. Contents that you rent or lease as part of a premises rental or lease agreement.
7. Subject to 5. above, the Medical Expense Limit is the most we will pay under Coverage C for all medical expenses because of "bodily injury" sustained by any one person.

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the aggregated Limits of Insurance. However, the Each Occurrence Limit is the most we will pay for damages and Medical Expenses because of all "bodily injury" and "property damage" arising out of any one "occurrence", and the Personal and Advertising Injury Limit is the most we will pay for damage because of all "personal and advertising injury" arising out of any one "occurrence", regardless of the length of the policy period.

SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS

1. BANKRUPTCY

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. DUTIES IN THE EVENT OF OCCURRENCE, OFFENSE, CLAIM, OR SUIT

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

- a. You must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim or "suit" under this policy. To the extent possible, notice should include:
 - (1) How, when, and where the "occurrence" or offense took place;
 - (2) The names and addresses of any injured persons and witnesses;
 - (3) The nature and location of any injury or damage arising out of the "occurrence" or offense; and
 - (4) Any other pertinent information related to the "occurrence" or offense.
- b. If a claim is made or "suit" is brought against any insured, you must:
 - (1) Immediately record the specifics of the claim or "suit" and the date received; and
 - (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or "suit" as soon as practicable.
- c. You and any other involved insured must:
 - (1) Immediately send us copies of any demands, notices, summonses, or legal papers received in connection with the claim or "suit";
 - (2) Authorize us to obtain records and other information;
 - (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and
 - (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.
- d. Additionally, in the event of an "occurrence", "suit", claim, or offense, you must:
 - (1) Agree to examinations under oath at our request;
 - (2) We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records; and
 - (3) In the event of an examination, an insured's answers must be signed.
- e. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.
- f. The above duties in **a.** and **b.** only apply when the "occurrence" or offense is known or reasonably should be known to any insured listed in **1.** of **Section II – Who Is an Insured**, or any "employee" authorized by you to give or receive notice of an "occurrence" or claim.

3. LEGAL ACTION AGAINST US

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured, and the claimant or the claimant's legal representative.

4. OTHER INSURANCE

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages A or B of this Coverage Part, our obligations are limited as follows:

a. PRIMARY INSURANCE

This insurance is primary except when **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in **c.** below.

b. EXCESS INSURANCE

(1) This insurance is excess over:

(a) Any of the other insurance, whether primary, excess, contingent, or on any other basis:

(i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk, Owner Controlled Insurance Program or OCIP, Contractor Controlled Insurance Program or CCIP, Wrap Up Insurance, or similar coverage for "your work";

(ii) That is insurance for fire, lightning, explosion, smoke, or leakage from automatic fire protection systems for premises rented to you or temporarily occupied by you with permission of the owner;

(iii) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or

(iv) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **2.b. of Section I – Coverages, Coverage A – Bodily Injury and Property Damage Liability.**

(b) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured.

(2) When this insurance is excess, we will have no duty under Coverages A or B to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

(3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(b) The total of all deductible and self-insured amounts under all that other insurance.

(4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. METHOD OF SHARING

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. SEPARATION OF INSURED

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

6. WHEN WE DO NOT RENEW

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

7. GENERAL LIABILITY VALUE UP

If we renew your policy, we may adjust certain exposure estimates (such as sales and payroll) to reflect inflationary and market trends. Those estimates are used to calculate your premium for future renewals.

This may impact the premium we charge for your future renewal and other associated charges.

 - (1) Paid to us prior to the anniversary date; and
 - (2) Coverage under renewal policy is conditioned upon the check, draft or remittance being honored upon presentment to the bank or other financial institution.
- d. Failure to pay the required renewal premium when due shall mean that you have not accepted our renewal offer. Therefore, this policy will automatically terminate at the end of the current policy period, and you will have no coverage. Undeclared exposures, changes in exposures, or change in your business operation, acquisition or use of locations may occur during the policy period that are not shown in the Declarations. If so, we may require an additional premium. That premium will be determined in accordance with our rates and rules then in effect.

If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

 - (a) Containing "by-product material" other than the tailings or wastes produced by the extraction or concentration of uranium or thorium from any ore processed primarily for its "source material" content, and
 - (b) Resulting from the operation by any person or organization of any "nuclear facility" included under the first two paragraphs of the definition of "nuclear facility".

For purposes of this endorsement, the following is amended:

"Property damage" includes all forms of radioactive contamination or destruction of property.

All other provisions of this policy apply.

COMMERCIAL PROPERTY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties, and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us", and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to **Section VI – Definitions**.

SECTION I – COVERAGES

We will pay for direct physical loss of or direct physical damage to Covered Property at a location shown in the Declarations caused by or resulting from any Covered Cause of Loss under **3. Covered Causes of Loss**.

1. COVERED PROPERTY

Covered Property, as used in this Coverage Part, means the type of property described in **1. Covered Property** if a Limit of Insurance is shown in the Declarations for that type of property. Regardless of coverage shown in the Declarations, there is no coverage for property described under **2. Property Not Covered** unless otherwise stated within this Coverage Part.

a. Building, meaning a building or structure shown in the Declarations, including:

- (1) Completed additions;
- (2) Fixtures, including outdoor fixtures;
- (3) Permanently installed:
 - (a) Machinery; and
 - (b) Equipment;
- (4) Your personal property in apartments, rooms, or common areas furnished by you as landlord;
- (5) Personal property owned by you that is used to maintain or service a building or structure shown in the Declarations, or the premises of a location shown in the Declarations.
- (6) If not covered by other insurance:
 - (a) Additions under construction, alterations, and repairs to a building or structure shown in the Declarations;
 - (b) Materials, equipment, supplies, and temporary structures, on or within 1,000 feet of a location shown in the Declarations, used in connection with (a) above.
- (7) Building glass, meaning glass that is part of a building or structure. Building glass does not include "specialty glass". We will also pay for the following glass expenses:
 - (a) Expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.
 - (b) Expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.
- (8) Bridges not exceeding 30 feet in length, roadways, walks, patios, or other paved surfaces.
- (9) Outdoor signs attached to a building or structure shown in the Declarations.

b. Business Personal Property:

- (1) In or on a building or structure shown in the Declarations;
- (2) In the open at or within 1,000 feet of a location shown in the Declarations;
- (3) In a vehicle at or within 1,000 feet of a location shown in the Declarations; or
- (4) In a trailer or portable storage unit, at or within 1,000 feet of a covered location shown in the Declarations, when a limit for Business Personal Property in a Trailer or Portable Storage Unit is shown in the Declarations. The Business Personal Property in a Trailer or Portable Storage Unit Limit shown in the Declarations is the most we will pay in any one "occurrence" for all direct physical loss of or direct physical damage to Business Personal Property in a Trailer or Portable Storage Unit, regardless of the number or type of such trailer or units.

Coverage provided under (4) above does not apply to loss or damage to the trailer or portable storage unit itself.

(5) Business Personal Property includes:

- (a) Property you own that is used in your business;
- (b) Property of others that is in your care, custody, or control, except as limited in **d.(3)(b)** under **Section V – Conditions, Property Loss Conditions. 5. Loss Payment and Valuation**. This includes labor, materials, or services furnished or arranged by you on personal property of others.
- (c) Your use interest as tenant in improvements and betterments. Improvements and betterments are fixtures, alterations, installations, or additions:
 - (i) Made a part of the building or structure you occupy but do not own; and
 - (ii) You acquired or made at your expense but cannot legally remove;
- (d) Leased personal property which you have a written, contractual responsibility to insure, unless otherwise provided for under **(5)(b)** above; and
- (e) Exterior building glass (other than "specialty glass"), if you are a tenant and no Limit of Insurance is shown in the Declarations for Building property. The glass must be owned by you, or you must be legally required or have a written, contractual responsibility to insure such glass. Exterior building glass includes semi-exterior glass (glass which is on the exterior of the insured premises, but which is interior to an enclosed structure, i.e., an enclosed store in a shopping mall). We will also pay for the following glass expenses:
 - (i) Expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.
 - (ii) Expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

c. PRESERVATION OF COVERED PROPERTY

If it is necessary to move Covered Property described in **a.** or **b.** above from a location shown in the Declarations to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss of or direct physical damage to that Covered Property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 90 days after the property is first moved.

2. PROPERTY NOT COVERED

Unless otherwise stated in this Coverage Part, Covered Property does not include:

- a.** Accounts, bills, food stamps, other evidences of debt, or accounts receivable;

- b. Aircraft including "unmanned aircraft". This item does not apply to "unmanned aircraft" that you hold for sale or that you manufacture, store, process, or hold for repair or maintenance, but only while not in flight. In flight includes takeoff and landing;
- c. Animals, unless owned by others and boarded by you, or if owned by you, only as "stock" while inside of buildings;
- d. Automobiles held for sale;
- e. Automobiles, motorcycles, motortrucks, motorhomes, and other self-propelled vehicles or machines subject to motor vehicle registration or that are:

 - (a) Vehicles or self-propelled machines or autos you manufacture, process, or warehouse; or
 - (b) Vehicles or self-propelled machines, other than autos, you hold for sale;
- f. Bridges exceeding 30 feet in length;
- g. Contraband under any state, federal, local, or other law or regulation, or property in the course of illegal transportation or trade;
- h. Costs of excavations, grading, backfilling, or filling, other than costs incurred that are necessary to repair or replace Covered Property lost or damaged by a Covered Cause of Loss. Any costs associated with land stabilization or the reconstruction, reclaiming, or restoring land or water are not covered;
- i. Dams, dikes, bulkheads, pilings, piers, wharves, docks, or any similar type of property used or built in connection with a body of water, whether man-made or naturally occurring;

- p. Personal property while airborne or waterborne;
- q. Portable storage units, trailers, or semi-trailers;

3. COVERED CAUSES OF LOSS

- a. Covered Causes of Loss means direct physical loss of or direct physical damage to Covered Property unless the loss is:
 - (1) Excluded or limited under this Coverage Form; or
 - (2) Excluded or limited by any other provisions of this policy.

b. COLLAPSE

Unless excluded or limited under this Coverage Form or any other provisions of this policy, the following applies to the peril of collapse:

The coverage provided under this provision applies only to an actual and abrupt collapse as described and limited in (1) through (7) below.

- (1) For the purpose of this provision, abrupt collapse means the actual and abrupt falling down or caving in of a building or any part of a building with the result that the building or any part of the building cannot be occupied for its intended purpose.
- (2) We will pay for direct physical loss of or direct physical damage to Covered Property, caused by the actual and abrupt collapse of a building or any part of a building that is insured under this Coverage Part, if such collapse is caused by one or more of the following:
 - (a) The "specified causes of loss";
 - (b) Breakage of building glass;
 - (c) Weight of rain that collects on a roof;
 - (d) Weight of people or Business Personal Property;
 - (e) Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;
 - (f) Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
 - (g) Use of defective material or methods in construction, remodeling, or renovation if the collapse occurs during the course of the construction, remodeling, or renovation; or
 - (h) Use of defective material or methods in construction, remodeling, or renovation if the collapse occurs after the construction, remodeling, or renovation is complete, but only if the collapse is caused in whole or in part by a cause of loss listed in (a) through (f) above.
- (3) Collapse does not include and we will not pay for loss or damage caused by, resulting from, or consisting of the following:
 - (a) A building or any part of a building that is in danger of falling down or caving in;
 - (b) Any part of a building that is standing, even if it has separated from another part of the building;
 - (c) A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage, or expansion.

But if a non-covered collapse results in a Covered Cause of Loss at a location shown in the Declarations, we will pay for the direct physical loss of or direct physical damage to Covered Property caused by that Covered Cause of Loss.

(4) With respect to the following property:

- (a)** Outdoor antennas (including dish-shaped antennas) and their lead-in wiring, masts, or towers;
- (b)** Awnings;
- (c)** Gutters and downspouts;
- (d)** Yard fixtures;
- (e)** Outdoor swimming pools;
- (f)** Piers, wharves, and docks;
- (g)** Beach or diving platforms or appurtenances;
- (h)** Retaining walls; and
- (i)** Walks, roadways, and other paved surfaces;

if an abrupt collapse is caused by a cause of loss listed in **(2)(a)** through **(2)(h)** above, we will pay for direct physical loss of or direct physical damage to the above property only if such loss or damage is a direct result of the abrupt collapse of a building insured under this Coverage Part and the property is Covered Property under this Coverage Part.

(5) If Business Personal Property abruptly falls down or caves in and such collapse is not the result of actual and abrupt collapse of a building, we will pay for direct physical loss of or direct physical damage to Covered Property caused by such collapse of Business Personal Property only if:

- (a)** The collapse of Business Personal Property was caused by a cause of loss listed in **(2)(a)** through **(2)(h)** above;
- (b)** The Business Personal Property which collapses is inside a building; and
- (c)** The property which collapses is not of a kind listed in **(4)** above, regardless of whether that kind of property is considered to be Business Personal Property or real property.

The coverage stated in item **(5)** does not apply to Business Personal Property if marring and/or scratching is the only damage to that Business Personal Property caused by the collapse.

(6) This provision does not apply to and coverage is not afforded to Business Personal Property that has not abruptly fallen down or caved in, even if the Business Personal Property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage, or expansion.

(7) This provision will not increase the Limits of Insurance provided in this Coverage Part.

4. ADDITIONAL COVERAGES

Additional Coverages may be attached to this Coverage Form by endorsement. These coverages and their limits, if applicable will be shown in the Declarations or the Schedule of the Additional Coverage Form. Unless otherwise stated, the Limits of Insurance available under these Additional Coverages are in addition to, and not part of, any other Limits of Insurance in this Coverage Form.

SECTION II – EXCLUSIONS AND LIMITATIONS

1. EXCLUSIONS

- a.** We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. These exclusions apply whether or not the loss event results in widespread damage or affects a substantial area.

(1) ORDINANCE OR LAW

- (a)** The enforcement of or compliance with any ordinance or law:
 - (i)** Regulating the construction, use, or repair of any property; or
 - (ii)** Requiring the tearing down of any property, including the cost of removing its debris.
- (b)** Item **(1)** above applies whether the loss results from:
 - (i)** An ordinance or law that is enforced even if the property has not been damaged; or
 - (ii)** The increased costs incurred to comply with an ordinance or law in the course of construction, repair, renovation, remodeling, or demolition of property or removal of its debris, following a physical loss to that property.

(2) EARTH MOVEMENT

- (a)** Earthquake, including tremors and aftershocks and any earth sinking, rising, or shifting related to such event;
- (b)** Landslide, including any earth sinking, rising, or shifting related to such event;
- (c)** Mine subsidence, meaning subsidence of a man-made mine, whether or not mining activity has ceased;
- (d)** Earth sinking (other than sinkhole collapse), rising, or shifting including soil conditions which cause settling, cracking, or other disarrangement of foundations, or other parts of realty. Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil, and the action of water under the ground surface.

But if Earth Movement, as described in **(a)** through **(d)** above, results in fire or explosion damage to Covered Property, we will pay for the direct physical loss of or direct physical damage to Covered Property caused by that fire or explosion (if fire or explosion would otherwise be covered under this Coverage Part).

- (e)** Volcanic eruption, explosion, or effusion. But if volcanic eruption, explosion, or effusion results in fire, building glass breakage (other than "specialty glass"), or Volcanic Action damage to Covered Property, we will pay for the direct physical loss of or direct physical damage to Covered Property caused by that fire, building glass breakage, or Volcanic Action (if fire, building glass breakage (other than "specialty glass") or Volcanic Action would otherwise be covered under this Coverage Part).

Volcanic Action means loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

- (i)** Airborne volcanic blast or airborne shock waves;
- (ii)** Ash, dust, or particulate matter; or
- (iii)** Lava flow.

With respect to coverage for Volcanic Action as set forth in **(e)(i)**, **(e)(ii)**, and **(e)(iii)** above, all volcanic eruptions that occur within any 168-hour period will constitute a single "occurrence".

Volcanic Action does not include the cost to remove ash, dust, or particulate matter that does not cause direct physical loss of or direct physical damage to Covered Property.

This exclusion applies regardless of whether any of the above, in **(a)** through **(e)**, is caused by an act of nature or is otherwise caused by an artificial, man-made, or other cause.

(3) GOVERNMENTAL ACTION

Seizure or destruction of property by order of governmental authority.

But we will pay for direct physical loss of or direct physical damage to Covered Property caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part.

(4) NUCLEAR HAZARD

Nuclear reaction, radiation, or radioactive contamination, however caused, whether intentional or unintentional. This includes but is not limited to the release, dispersal, or application of radioactive material, or the use of a nuclear weapon or device that involves or produces a nuclear reaction, or nuclear radiation, or radioactive contamination, or radioactive force.

When a law in effect in the jurisdiction where the loss or damage occurs requires that we cover any resulting fire damage from nuclear hazard as described above, we will pay only for the resulting damage to Covered Property caused by that resulting fire, if the fire would be covered under this Coverage Part. We will pay only the "actual cash value" for the damaged property. Therefore, we will not pay for any indirect or related loss(es), such as Business Income, Extra Expense, legal liability, or leasehold interest loss(es).

(5) UTILITY SERVICES

The failure of power, communication, water, or other utility service supplied to a location shown in the Declarations, however caused, if the failure:

- (a) Originates away from the location shown in the Declarations; or
- (b) Originates at the location shown in the Declarations, but only if such failure involves equipment used to supply the utility service to the described location from a source away from the described location.

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure, or surge of power, or the failure of communication, water, or other utility service, results in a Covered Cause of Loss, we will pay for the direct physical loss of or direct physical damage to Covered Property caused by that Covered Cause of Loss.

Communication services include but are not limited to service relating to Internet access or access to any electronic, cellular, or satellite network.

(6) WAR AND MILITARY ACTION

- (a) War, including undeclared or civil war;
- (b) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign, or other authority using military personnel, or other agents; or
- (c) Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

(7) WATER

- (a) Flood, surface water, waves (including tidal wave and tsunami), tides, tidal water, overflow of streams, or other natural or man-made bodies of water, or spray from any of these, all whether or not driven by wind (including storm surge);
- (b) Mudslide or mudflow;

- (c) Water or sewage that backs up or overflows or is otherwise discharged from a sewer, drain, sump, sump pump, or related equipment;
- (d) Water under the ground surface pressing on, or flowing, or seeping through:
 - (i) Foundations, walls, floors, or paved surfaces;
 - (ii) Basements, whether paved or not; or
 - (iii) Doors, windows, or other openings; or
- (e) Waterborne material carried or otherwise moved by any of the water referred to in (a), (c), or (d) above, or material carried or otherwise moved by mudslide or mudflow.

This exclusion applies regardless of the source of the water and regardless of whether any of the above, in (a) through (e), is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall, or other boundary, or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in (a) through (e), results in fire, explosion, or sprinkler leakage damage, we will pay for the direct physical loss of or direct physical damage to Covered Property caused by that fire, explosion, or sprinkler leakage (if fire, explosion, or sprinkler leakage would otherwise be covered under this Coverage Part).

(8) CERTAIN ELECTRONIC DATA PROCESSING RELATED LOSSES

This insurance does not apply to loss or damage caused by any of the following:

- (a) Interruption in normal "electronic data processing equipment" function on network service or function due to insufficient capacity to process transactions or to an overload of activity on the system or network;
- (b) Unexplained or indeterminable failure, malfunction, or slowdown of "electronic data processing equipment" or "electronic data and media data", including the inability to access or properly manipulate "electronic data and media data";
- (c) The inability of "electronic data processing equipment" to correctly recognize, process, distinguish, interpret, or accept one or more dates or times.
- (d) Errors, omissions, or deficiency in design in:
 - (i) Programming, processing, or storing "electronic data and media data"; or
 - (ii) Installation, testing, maintenance, modification, or repair of your:
 - i. "Electronic data processing equipment";
 - ii. "Electronic data or media data";
 - iii. Network to which your "electronic data processing equipment" or "electronic data or media data" is connected to or depends on.
- (e) Loss or damage caused by or resulting from manipulation of "electronic data and media data" by employees (including temporary or leased employees), or by an entity retained by you, or for you, to inspect, design, install, modify, maintain, repair, or replace that system.
- (f) Any advice, consultation, design, evaluation, inspection, installation, maintenance, repair, replacement, or supervision provided, or done by you, or for you to determine, rectify, or test for any potential or actual problems described in (a) through (e) above.

However, if excluded loss or damage, as described in (a) through (f) above, results in a "specified cause of loss", we will pay only for the direct physical loss of or direct physical damage to Covered Property caused by such "specified cause of loss".

We will not pay to correct any deficiencies or change any features due to loss or damage described in (a) through (f) above.

Mere loss of use or loss of functionality of any property is not considered direct physical loss or direct physical damage.

(9) FUNGI, WET ROT, OR DRY ROT

Presence, growth, proliferation, spread, or any activity of "fungi", wet rot, or dry rot.

But if "fungi", wet rot, or dry rot results in a "specified cause of loss" to Covered Property, we will pay for the direct physical loss of or direct physical damage to the Covered Property caused by that "specified cause of loss".

This exclusion does not apply when "fungi", wet rot, or dry rot results from fire or lightning (if fire or lightning would otherwise be covered under this Coverage Part).

(10) VIRUS OR BACTERIA

Any virus, bacterium, or other microorganism that induces or is capable of inducing physical distress, illness, or disease.

However, this exclusion does not apply to loss or damage caused by or resulting from "fungi", wet rot, or dry rot. Such loss or damage is addressed in a separate exclusion or limitation under this Coverage Part.

With respect to any loss or damage subject to this exclusion, such exclusion supersedes any exclusion relating to "pollutants".

The terms of this exclusion, or the inapplicability of this exclusion to a particular loss, do not serve to create coverage for any loss that would otherwise be excluded under this Coverage Part.

b. We will not pay for loss or damage caused by or resulting from any of the following:

(1) ELECTRICAL APPARATUS

(a) Artificially generated electrical, magnetic, or electromagnetic energy that damages, disturbs, disrupts, or otherwise interferes with any:

(i) Electrical or electronic wire, device, appliance, system, or network; or

(ii) Device, appliance, system, or network utilizing cellular or satellite technology.

(b) For the purpose of this exclusion, electrical, magnetic, or electromagnetic energy includes but is not limited to:

(i) Electrical current, including arcing;

(ii) Electrical charge produced or conducted by a magnetic or electromagnetic field;

(iii) Pulse of electromagnetic energy; or

(iv) Electromagnetic waves or microwaves.

But if fire results, we will pay for the direct physical loss of or direct physical damage to Covered Property caused by fire (if fire would otherwise be covered under this Coverage Part).

This exclusion does not apply to direct physical loss or direct physical damage to "electronic data processing equipment".

(2) CONSEQUENTIAL LOSSES

Delay, loss of use, or loss of market.

(3) SMOKE, VAPOR, GAS

Smoke, vapor, or gas from agricultural smudging or industrial operations.

(4) STEAM APPARATUS

Explosion of steam boilers, steam pipes, steam engines, or steam turbines owned or leased by you, or operated under your control. But if explosion of steam boilers, steam pipes, steam engines, or steam turbines results in fire or combustion explosion, we will pay for the direct physical loss of or direct physical damage to Covered Property caused by that fire or combustion explosion. We will also pay for direct physical loss of or direct physical damage to Covered Property caused by or resulting from the explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.

(5) FROZEN PLUMBING

Water, other liquids, powder, or molten material that leaks or flows from plumbing, heating, air conditioning, or other equipment (except fire protective systems) caused by or resulting from freezing.

This provision does not apply if you have used reasonable care to:

- (a) Maintain heat in the building or structure; or
- (b) Shut off the water supply and drain all systems and appliances of water if the heat is not maintained.

(6) DISHONESTY

Dishonest, intentional, or criminal acts (including theft) by you, anyone else with an interest in the property, or any of your or their partners, "members", officers, "managers", employees (including temporary or leased employees), directors, trustees, or authorized representatives, whether acting alone or in collusion with each other or with any other party; or theft by any person to whom you entrust the property for any purpose, whether acting alone or in collusion with any other party. In the event of such loss involving dishonest, intentional, or criminal acts, no insured is entitled to coverage, even insureds who did not commit or conspire to commit the act causing the loss.

This exclusion:

- (a) Applies whether or not an act occurs during your normal hours of operation;
- (b) Does not apply to acts of destruction by your employees (including temporary or leased employees) or authorized representatives; but theft by your employees (including temporary or leased employees) or authorized representatives is not covered.

(7) FALSE PRETENSE

Voluntary parting with any property by you or anyone else to whom you have entrusted the property if induced to do so by any fraudulent scheme, trick, device, or false pretense.

(8) EXPOSED PROPERTY

Rain, snow, ice, or sleet to personal property in the open.

(9) PATHOGENIC OR POISONOUS BIOLOGICAL OR CHEMICAL MATERIALS

Deliberate or intentional dispersal or application of any pathogenic or poisonous biological or chemical materials.

But if direct physical loss of or direct physical damage to Covered Property by fire results, we will pay for the resulting direct physical loss of or direct physical damage to Covered Property caused by that fire (if fire would otherwise be covered under this Coverage Part).

(10) POLLUTION

Discharge, dispersal, seepage, migration, release or escape, absorption, contact with, exposure to, existence of, or presence of "pollutants" unless such loss or damage is itself caused by any of the "specified causes of loss". But if the discharge, dispersal, seepage, migration, release or escape, absorption, contact with, exposure to, existence of, or presence of "pollutants" results in damage to Covered Property caused by a "specified cause of loss", we will pay for the direct physical loss of or direct physical damage to Covered Property caused by that "specified cause of loss". This exclusion does not apply to damage to glass caused by chemicals applied to the glass.

(11) NEGLECT

Neglect of an insured to use all reasonable means to save and preserve property from further damage at and after the time of loss.

(12) OTHER TYPES OF LOSS

- (a)** Wear and tear;
- (b)** Rust or other corrosion, decay, deterioration, pressure from or presence of plant or tree roots, hidden or latent defect or any quality in property that causes it to damage or destroy itself;
- (c)** Smog;
- (d)** Settling, cracking, shrinking, or expansion;
- (e)** Nesting or infestation, or discharge or release of waste products or secretions, by insects, birds, rodents, or other animals;
- (f)** Mechanical breakdown, including rupture or bursting caused by centrifugal force. This exclusion does not apply to direct physical loss of or direct physical damage to:
 - (i)** Covered Property from an elevator collision as a result of a mechanical breakdown; or
 - (ii)** "Electronic Data Processing Equipment"
- (g)** The following causes of loss to personal property:
 - (i)** Dampness or dryness of atmosphere;
 - (ii)** Changes in or extremes of temperature;
 - (iii)** Marring or scratching;
 - (iv)** Changes in flavor, color, texture, or finish; or
 - (v)** Evaporation or leakage

But if an excluded cause of loss that is listed in **(a)** through **(g)** above results in a "specified cause of loss" or building glass breakage (other than "specialty glass"), we will pay for the direct physical loss of or direct physical damage to Covered Property caused by that "specified cause of loss" or building glass breakage (if such "specified cause of loss" or building glass breakage is otherwise covered under this Coverage Part).

(13) CONTINUOUS OR REPEATED SEEPAGE OR LEAKAGE OF WATER

Continuous or repeated seepage or leakage of water, or the presence or condensation of humidity, moisture, or vapor, that occurs over a period of 14 days or more.

- c.** We will not pay for loss or damage caused by or resulting from any of the following **(1)** through **(3)** below. But if an excluded cause of loss that is listed in **(1)** through **(3)** below results in a Covered Cause of Loss, we will pay for the direct physical loss of or direct physical damage to Covered Property caused by that Covered Cause of Loss.

(1) WEATHER CONDITIONS

Weather conditions. But this exclusion only applies if weather conditions contribute in any way with a cause or event excluded in **1. Exclusions** above to produce the loss or damage.

(2) ACTS OR DECISIONS

Acts or decisions, including the failure to act or decide, of any person, group, organization, or governmental body.

(3) NEGLIGENT WORK

Faulty, inadequate, or defective:

- (a)** Planning, zoning, development, surveying, siting;
- (b)** Design, specifications, workmanship, repair, construction, renovation, remodeling, grading, compaction;
- (c)** Materials used in repair, construction, renovation, or remodeling; or
- (d)** Maintenance;

of part or all of any property on or off the premises of a location shown in the Declarations.

d. ADDITIONAL EXCLUSION(S)

The following applies only to the property specified in this Additional Exclusion(s):

LOSS OR DAMAGE TO PRODUCTS

We will not pay for loss or damage to any merchandise, goods, or other product caused by or resulting from error or omission by any person or entity (including those having possession under an arrangement where work or a portion of the work is outsourced) in any stage of the development, production, or use of the product, including planning, testing, processing, packaging, installation, maintenance, or repair. This exclusion applies to any effect that compromises the form, substance, or quality of the product. But if such error or omission results in direct physical loss of or direct physical damage to Covered Property by a Covered Cause of Loss, we will pay for such direct physical loss of or direct physical damage to Covered Property caused by that Covered Cause of Loss.

2. LIMITATIONS

a. We will not pay for loss of or damage to property, as described and limited in this section. In addition, we will not pay for any loss that is a consequence of loss or damage as described and limited in this section:

- (1)** Steam boilers, steam pipes, steam engines, or steam turbines caused by or resulting from any condition or event inside such equipment. But we will pay for the direct physical loss of or direct physical damage to such equipment caused by or resulting from an explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass (if such losses would otherwise be covered under this Coverage Part).
- (2)** Hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment, other than an explosion.
- (3)** Building materials and supplies not attached as part of the building or structure, caused by or resulting from theft. However, this limitation does not apply to building materials and supplies held for sale by you.
- (4)** Property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property.
- (5)** Property that has been transferred to a person or to a place outside the premises of a location shown in the Declarations on the basis of unauthorized instructions.

- (6) The interior of any building or structure, or to personal property in the building or structure, caused by or resulting from rain, snow, sleet, ice, sand, or dust, whether driven by wind or not, unless:
 - (a) The building or structure first sustains direct physical loss or direct physical damage by a Covered Cause of Loss to its roof or walls through which the rain, snow, sleet, ice, sand, or dust enters; or
 - (b) The loss or damage is caused by or results from thawing of snow, sleet, or ice on the building or structure.
- (7) Lawns, trees, shrubs, or plants which are part of a vegetated roof, caused by or resulting from:
 - (a) Dampness or dryness of atmosphere or of soil supporting the vegetation;
 - (b) Changes in or extremes of temperature;
 - (c) Disease;
 - (d) Frost or hail; or
 - (e) Rain, snow, sand, dust, ice, sleet, smoke, soot, or ash.
- b. We will not pay for loss of or damage to the following types of property unless caused by the "specified causes of loss" or building glass breakage:
 - (1) Animals, and then only if they are killed or their destruction is made necessary.
 - (2) Articles such as glassware, statuary, marble, chinaware, and porcelain, if broken. This restriction does not apply to:
 - (a) Building glass, meaning glass that is part of a building or structure. Building glass does not include "specialty glass";
 - (b) Containers of property held for sale; or
 - (c) Photographic or scientific instrument lenses.
- c. For direct physical loss of or direct physical damage to Covered Property caused by theft, special limits apply to certain articles of property. The articles of property listed below are covered only up to the Theft Special Limit shown in the Declarations. The Theft Special Limit is the total limit we will pay for all the property listed below for any one "occurrence" of theft, regardless of the types or number of articles that are lost or damaged in that "occurrence". The Theft Special Limit is part of, not in addition to, the Limit of Insurance to the applicable Covered Property. This limitation does not apply to jewelry and watches worth \$100 or less per item. The Theft Special Limit is the most we will pay for:
 - (1) Furs, fur garments, and garments trimmed with fur.
 - (2) Jewelry, watches, watch movements, jewels, pearls, precious and semiprecious stones,
 - (3) Bullion, gold, silver, platinum, and other precious alloys or metals.
 - (4) Patterns, dies, molds, and forms.
 - (5) Stamps, letters of credit, and tickets that do not include lottery tickets.
- d. For direct physical loss of or direct physical damage to lottery tickets, including those held for sale, the Theft Special Limits – Lottery Tickets limit shown in the Declarations is the total limit we will pay for the direct physical loss of or direct physical damage to lottery tickets in one "occurrence" of theft, regardless of the types or number that are lost or damaged in that "occurrence". This special limit is part of, not in addition to, the Limit of Insurance to the applicable Covered Property.

SECTION III – LIMITS OF INSURANCE

- 1. Unless otherwise stated, the most we will pay for loss or damage in any one "occurrence" is the applicable Limits of Insurance shown in the Declarations.

Payments under **1.c. Preservation of Covered Property** of **Section I – Coverages** will not increase the applicable Limit of Insurance.

2. INFLATION GUARD

a. In accordance with b. below, the Limit of Insurance for property to which this Inflation Guard provision applies will automatically increase by the amount shown in the Declarations.

b. The amount of increase is calculated as follows:

(1) Multiply the property limit that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the property limit by:

The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 7% is .07); and

(2) Multiply the number calculated in accordance with b.(1) above by:

(a) The number of days starting on the most recent policy inception date, or the effective date of the most recent policy change amending the property limit, whichever is later, and ending at the date of loss; and

(b) Divided by 365.

EXAMPLE

If the applicable property limit is \$100,000. The annual percentage increase is 8%. The number of days starting on the most recent policy inception date,(or last policy change) and ending at the date of loss, is 146.

The amount of increase is:

$$\$100,000 \times .08 \times 146 \div 365 = \$3,200.$$

SECTION IV – DEDUCTIBLES

Unless otherwise stated:

We will not pay for loss or damage in any one "occurrence" until the amount of loss or damage exceeds the applicable Deductible shown in the Declarations. We will then pay the amount of covered loss or damage in excess of the Deductible, up to the applicable Limit of Insurance.

When one "occurrence" at a single location involves loss or damage to more than one item of Covered Property or one or more Additional Coverages apply, and such property or Additional Coverages are subject to separate Limits of Insurance, only the highest applicable Deductible will be applied. However, when an "occurrence" involves loss or damage covered solely by one or more Additional Coverages, we will pay the amount of the loss in excess of the highest applicable Deductible for that Additional Coverage or coverages.

If one "occurrence" results in loss or damage at more than one location, the Deductible will apply separately to loss or damage at each location that has sustained loss or damage.

SECTION V – CONDITIONS

PROPERTY LOSS CONDITIONS

1. ABANDONMENT

There can be no abandonment of any Covered Property to us unless we specifically agree in writing.

2. APPRAISAL

a. If we and you disagree on the amount of loss or the value of the Covered Property, including the amount of "actual cash value" or replacement cost, either party, may make a written demand for an appraisal of the loss or the value of the Covered Property. In this event, each party will select a competent, impartial, and disinterested appraiser.

b. The two appraisers will select a competent, impartial, and disinterested umpire.

- c. If the appraisers selected cannot agree on an umpire, either appraiser may request that the umpire be selected by a judge of a court having jurisdiction. The appraisers shall then appraise the loss stating separately, the amount of loss or the value of the Covered Property including the itemized estimate of the "actual cash value" and replacement cost of each item and the duration of repairs. If the appraisers fail to agree, they will submit their differences to the selected umpire.
- d. A decision agreed to by the umpire and either of the appraisers will be binding.
- e. Each party will:
 - (1) Pay its chosen appraiser; and
 - (2) Bear the other expenses of the appraisal and umpire equally.
- f. If there is an appraisal, we will still retain our right to deny the claim.
- g. In no event will an appraisal be used for the purpose of interpreting any Coverage Part provision, determining causation, or determining whether any item or loss is covered under this Coverage Part.
- h. If non-covered damaged property is included in the appraisal award, we retain the right to deny the uncovered portion of the claim.

3. DUTIES IN THE EVENT OF LOSS OR DAMAGE

- a. You must see that the following are done in the event of loss or damage to Covered Property:
 - (1) Notify us or one of our authorized representatives and any applicable regulatory authority as to what occurred and include the names and addresses of available witnesses where applicable.
 - (2) Notify the police if a law may have been broken.
 - (3) Give us prompt notice of the loss or damage. Include a description of the property involved.
 - (4) As soon as possible, give us a description of how, when, and where the loss or damage occurred.
 - (5) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase any Limits of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
 - (6) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values, and amount of loss claimed.
 - (7) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing, and analysis, and permit us to make copies from your books and records.
 - (8) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
 - (9) Cooperate with us in the investigation or settlement of the claim.
 - (10) Resume all or part of your operations as quickly as possible.
- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. LEGAL ACTION AGAINST US

No one may bring a legal action against us under this insurance unless:

- a. There has been full compliance with all of the terms of this insurance; and

- b. The action is brought within two years after the date on which the direct physical loss or direct physical damage occurred.

5. LOSS PAYMENT AND VALUATION

In the event of loss or damage covered by this Coverage Part:

- a. At our option, we will either:
 - (1) Pay the value of lost or damaged property;
 - (2) Pay the cost of repairing or replacing the lost or damaged property, subject to **d.** below;
 - (3) Take all or any part of the property at an agreed or appraised value; or
 - (4) Repair, rebuild, or replace the property with other property of like kind and quality, subject to **d.** below.
- b. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- c. We will not pay you more than your financial interest in the Covered Property.
- d. Except as provided in (2) through (5) below or otherwise superseded in this Coverage Part, we will determine the value of Covered Property at replacement cost without deduction for depreciation, subject to the following:
 - (1) For loss or damage on a replacement cost basis, we will not pay more than the least of the following amounts:
 - (a) The Limit of Insurance applicable to the lost or damaged Covered Property;
 - (b) The cost to replace, on the same premises, the lost or damaged property with other property:
 - (i) Of comparable material and quality; and
 - (ii) Used for the same purpose; or
 - (c) The amount that you actually spend that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost described in (b) above is limited to the cost which would have been incurred had the building been built at the original premises.
 - (d) You may make a claim for loss or damage covered by this insurance on an "actual cash value" basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an "actual cash value" basis, you may still make a claim on a replacement cost basis if you notify us of your intent to do so within 180 days after the loss or damage.
 - (e) We will not pay on a replacement cost basis for any loss or damage:
 - (i) Until the lost or damaged property is actually repaired or replaced; and
 - (ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage.

However, if the cost to repair or replace the damaged Building property is \$2,500 or less, we will settle the loss according to the provisions of (a) and (b) above whether or not the actual repair or replacement is complete. If coinsurance is a condition of this Coverage Part, the coinsurance condition must be satisfied for this condition to apply.
 - (f) The cost to repair, rebuild, or replace does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.
 - (2) If any "actual cash value" (also shown as ACV) option applies, as shown in the Declarations, (1) above does not apply to Covered Property. Instead, we will determine the value of Covered Property at "actual cash value".

- (3)** We will value of the following property at "actual cash value":
- (a)** Used or secondhand merchandise held in storage or for sale;
 - (b)** Personal Property of others. However:
 - (i)** If an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.
 - (ii)** Our payment for loss of or damage to personal property of others will only be for the account of the owners of the property. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
 - (c)** Household contents, except personal property in apartments or rooms furnished by you as landlord;
 - (d)** Manuscripts; and
 - (e)** Contents of a residence, other than your personal property in apartments, rooms, or common areas furnished by you as landlord. For the purpose of this provision, tenants improvements and betterments are not considered contents of a residence.
 - (f)** "Stock", unless otherwise shown in the Declarations. But, for "stock" you have sold but not delivered, the valuation will be at the selling price less discounts and expenses you otherwise would have had.
- (4)** Glass at the cost of replacement with safety glazing material if required by law.
- (5)** Tenants' improvements and betterments at:
- (a)** Replacement cost if you make repairs promptly.
 - (b)** A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:
 - (i)** Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
 - (ii)** Divide the amount determined in **(i)** above by the number of days from the installation of improvements to the expiration of the lease.
- If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.
- (c)** Nothing if others pay for repairs or replacement.
- e.** Our payment for loss of or damage to personal property of others will only be for the account of the owners of the property. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.

We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.

- f. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, provided you have complied with all of the terms of this Coverage Part, and:
 - (1) We have reached agreement with you on the amount of loss; or
 - (2) An appraisal award has been made.
- g. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable Coverage Part provisions including Limits of Insurance and all other provisions of this Loss Payment Condition. Our payment under the provisions of item **5. Loss Payment And Valuation** does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer of Rights of Recovery Against Others to Us Condition in this Coverage Part.

6. OTHER INSURANCE

If there is other insurance covering the same loss or damage, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

7. RECOVERED PROPERTY

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, you may retain the property. But then you must return to us the amount we paid to you for the property.

- a. We will pay:
 - (1) Recovery expenses; and
 - (2) Expenses to repair the recovered property.
- b. But the amount we pay will not exceed the least of the following:
 - (1) The total of **a.(1)** and **a.(2)** above;
 - (2) The value of the recovered property; or
 - (3) The applicable Limit of Insurance.

8. VACANCY

a. DESCRIPTION OF TERMS

- (1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in item **(a)** and **(b)** below:
 - (a)** When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

 - (ii)** Used by the building owner to conduct customary operations.
- (2) Buildings under "construction or renovation" are not considered vacant.

b. VACANCY PROVISIONS

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

- (1)** We will not pay for any loss or damage caused by any of the following even if they are Covered Causes of Loss:
 - (a)** Vandalism;
 - (b)** Sprinkler leakage, unless you have used reasonable care to:
 - (i)** Maintain heat in the building or structure; or
 - (ii)** Shut off the water supply and drain all the systems and appliances of water if the heat is not maintained.
 - (c)** Building glass breakage;
 - (d)** Water damage;
 - (e)** Theft; or
 - (f)** Attempted theft.
- (2)** With respect to Covered Causes of Loss other than those listed in **(1)(a)** through **(1)(f)** above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

PROPERTY GENERAL CONDITIONS

1. CONTROL OF PROPERTY

- a.** Except as outlined under **1.b.(6) Dishonesty** of **Section II – Exclusions and Limitations** or any concealment, misrepresentation, fraud, or similar provision applicable to this Coverage Part, any act or neglect of any person other than you beyond your direction or control will not affect this insurance.
- b.** The breach of any condition of this Coverage Part at any one or more locations will not affect coverage at any location where, at the time of loss or damage, the breach of condition does not exist.

2. NO BENEFIT TO BAILEE

No person or organization, other than you, having custody of Covered Property will benefit from this insurance.

3. POLICY PERIOD, COVERAGE TERRITORY

Under this policy:

- a.** We cover loss or damage commencing:
 - (1)** During the policy period shown in the Declarations; and
 - (2)** Within the coverage territory.
- b.** The coverage territory is:
 - (1)** The United States of America (including its territories and possessions);
 - (2)** Puerto Rico; and
 - (3)** Canada.

4. PROPERTY VALUE UPS

If we renew your policy, we may adjust property limits for certain coverages (that include but are not limited to building, business personal property, and business income) to reflect inflationary and market trends at renewal. These amended limits are used to calculate your premium for future renewals. This may impact the premium we charge for your future renewal and other associated charges.

SECTION VI – DEFINITIONS

1. "Actual cash value" (also shown as ACV) means the amount it would cost to repair or replace, on the date of loss, with material of like kind and quality, with reasonable deduction for physical depreciation and obsolescence, but in no event more than the fair market value. Unless otherwise provided by this Coverage Part, we may deduct expense depreciation subject to state, local, or other jurisdictional law. Expense depreciation is defined as depreciation, including but not limited to the cost of goods, materials, overhead and profit, labor and services necessary to replace, repair, or rebuild damaged property. If expense depreciation is applied to loss for damaged property, we shall provide a written explanation as to how the expense depreciation was calculated.
2. "Construction or renovation" means alterations to an existing building or structure with evidence of continuous, substantial construction, or major renovation activity.

However, "construction or renovation" does not include:
 - a. Routine maintenance or repair; or
 - b. Updates to the existing building that are cosmetic in nature, including but not limited to: interior/exterior paint, new furniture, window ware, rugs, and plumbing/electrical fixtures.
3. "Digital art or media" means any unique digital identifier secured on a cryptographically secured distributed ledger, which may be used to certify ownership or authenticity of any digital, computerized, or otherwise tangible objects. This includes "digital art or media" which may be known as non-fungible tokens (NFTs) or by any other names known. "Digital art or media" does not mean "electronic data and media data".
4. "Electronic data and media data" means:
 - a. Data stored on, created or used on, or transmitted to or from software (including systems and applications software), on any electronic media or other storage media including, but not limited to hard or floppy disks, CD-ROMs, flash memory, tapes, drives, cells, data processing devices, or any other repositories used with electronically controlled equipment;

 - (4) "Virtual currency", or "digital art or media", or accounts receivable.
5. "Electronic data processing equipment" means:
 - a. Electronic equipment that processes data and is used in your business operations including, but not limited to computers, servers, facsimile machines, word processors, multi-functional telephone equipment, laptops and other portable digital devices, digital assistants; and
 - b. Any component parts or peripherals of such equipment, including related surge protection devices.
 - c. "Electronic data processing equipment" does not include:
 - (1) Property that you manufacture, hold for sale, distribute, or repair; or
 - (2) Equipment used to operate production-type machinery or equipment.
6. "Fine arts" means paintings, etchings, pictures, tapestries, valuable rugs, statuary, marbles, bronzes, antique furniture, rare books, antique silver, manuscripts, porcelains, bric-a-brac, sports memorabilia, and any other similar property of rarity, historic value, or artistic merit. "Fine arts" does not include "specialty glass" or "digital art or media".

7. "Fungi" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents, or by-products produced or released by "fungi".
8. "Manager" means a person serving in a directorial capacity for a limited liability company.
9. "Member" means an owner of a limited liability company represented by its membership interest, who also may serve as a "manager".
10. "Money" means:
 - a. Currency, coins, and bank notes in current use and having a face value;
 - b. Traveler's checks, register checks, and money orders held for sale to the public;

"Money" does not include "securities", "virtual currency", or "virtual currency related equipment".
11. "Occurrence" means one event or a series of related events that contribute concurrently to or contribute in any sequence to direct physical loss of or direct physical damage to Covered Property.
12. "Pollutants" means any solid, liquid, gaseous, or thermal irritant or contaminant, including but not limited to smoke, vapor, soot, fumes, acids, alkalis, chemicals, and waste. Waste includes materials to be recycled, reconditioned, or reclaimed.
13. "Securities" means negotiable and nonnegotiable instruments or contracts representing either "money" or other property and includes:
 - a. Tokens, tickets, revenue, and other stamps (whether represented by actual stamps or unused value in a meter) in current use; and

14. "Specialty glass" means rare building glass, ballistic glass, art or stained glass windows, or any building glass serving a functional or protective purpose beyond that of traditional door or window glass.
15. "Specified causes of loss" means the following:

Fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice, or sleet; water damage.

 - a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:
 - (1) The cost of filling sinkholes; or
 - (2) Sinking or collapse of land into man-made underground cavities.
 - b. Falling objects does not include loss of or damage to:
 - (1) Personal property in the open; or
 - (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.
 - c. Water damage means:
 - (1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of any part of a system or appliance (other than a sump system including its related equipment and parts) containing water or steam; and
 - (2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe that is located off the premises of a location shown in the Declarations and is part of a municipal potable water supply system or municipal sanitary sewer system, if the breakage or cracking is caused by wear and tear.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in **c.(1)** or **c.(2)** above this definition of "specified causes of loss", such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the ground surface.

16. "Stock" means merchandise held in storage or for sale, raw materials, and in-process or finished goods, including supplies used in their packing or shipping.

17. "Unmanned aircraft" means an aircraft that is not:

- a.** Designed;
- b.** Manufactured; or
- c.** Modified after manufacture;

to be controlled directly by a person from within or on the aircraft.

"Unmanned aircraft" includes equipment designed for and used with the "unmanned aircraft".

18. "Valuable papers and records" means inscribed, printed or written:

- a.** Documents;
- b.** Manuscripts; and
- c.** Records;

including abstracts, books, deeds, drawings, films, maps, or mortgages.

But "valuable papers and records" does not mean "money" or "securities", "electronic data and media data" or the materials on which the "electronic data and media data" is recorded, "digital art", "virtual currency", or "virtual currency related equipment".

19. "Virtual currency" means any digital assets or representations of monetary value that exists purely in electronic or digital form, whether actual or fictitious, including crypto currencies secured on a cryptographically secured distributed ledger, which are designed to hold value, pay for goods or services, are held for investment, or are otherwise used in any financial manner. This includes any software or media used exclusively for the purpose of storing, purchasing, selling, transferring, or otherwise handling such "virtual currency".

"Virtual currency" does not include "money", "securities" or any other fiat currencies, or "electronic data and media data".

20. "Virtual currency related equipment" means any device, equipment, software, or media used exclusively in connection with "virtual currency", including but not limited to:

- a.** Mining, staking, or similar equipment that creates, processes, or verifies virtual currencies whether such equipment is offline or connected to the internet or a central computer system.
- b.** Wallets or other devices or software used to store, exchange, and access "virtual currency" or "digital art or media" which include but are not limited to offline hardware devices or software that is connected to the internet or a central computer system.
- c.** Any other software or media used exclusively for the purpose of storing, purchasing, selling, converting, transferring, or otherwise handling such "virtual currency" or "digital art or media".

BUSINESS INCOME AND EXTRA EXPENSE COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties, and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us", and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to **Section V – Definitions**.

SECTION I – COVERAGES

1. We will pay for:
 - a. The actual loss of Business Income you sustain due to the necessary "suspension" of your "operations" during the "period of restoration"; and
 - b. The necessary Extra Expense you incur during the "period of restoration";
caused by direct physical loss of or direct physical damage to property at the location shown in the Declarations and for which a Business Income Limit of Insurance is shown in the Declarations. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to direct physical loss of or direct physical damage to personal property in the open, personal property in a vehicle, or personal property in a portable storage unit, the described premises include the area within 1,000 feet of the location shown in the Declarations.
2. With respect to the requirements set forth above, if you rent, lease, or occupy only part of the site at which the described premises are located, the described premises means:
 - a. The portion of the building or structure shown in the Declarations which you rent, lease, or occupy;
 - b. The area within 1,000 feet of the building or structure shown in the Declarations or within 1,000 feet of the location shown in the Declarations, whichever distance is greater (with respect to direct physical loss of or direct physical damage to personal property in the open, personal property in a vehicle, or personal property in a portable storage unit); and
 - c. Any area within the building or on the site at which the described premises are located, but only if that area services, or is used to gain access to, the portion of the described premises which you rent, lease, or occupy.
3. **BUSINESS INCOME**
 - a. Business Income means the sum of:
 - (1) Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred if no direct physical loss of or direct physical damage had occurred, but not including any Net Income that would likely have been earned or incurred as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses; and
 - (2) Continuing normal operating expenses incurred, including ordinary payroll expenses. Ordinary payroll expenses are subject to a 90-day limitation unless another limitation is shown in the Declarations.
 - b. Ordinary Payroll expenses include:
 - (1) Payroll (Payroll does not include Officers, Executives, Department "Managers", and Employees Under Contract);
 - (2) Employee benefits, if directly related to payroll;

- (3) FICA payments you pay;
- (4) Union dues you pay; and
- (5) Workers' compensation premiums.

For manufacturing risks, Net Income includes the net sales value of production.

4. EXTRA EXPENSE

- a. Extra Expense Coverage is provided at the location shown in the Declarations only if the Declarations show that Business Income Coverage applies at that location.
- b. Extra Expense means reasonable and necessary expenses you incur to:
 - (1) Avoid or minimize the "suspension" of business and to continue "operations" at:
 - (a) The location shown in the Declarations; or
 - (b) Replacement locations or temporary locations, including relocation expenses and costs to equip and operate the replacement location or temporary location, other than those costs necessary to repair or to replace damaged "stock" and equipment.
 - (2) Minimize the "suspension" of business if you cannot continue "operations".
 - (3) Repair or replace property, but only to the extent it reduces the amount of loss that otherwise would have been payable under **3. Business Income**.

5. COVERED CAUSES OF LOSS

- a. Covered Causes of Loss means direct physical loss of or direct physical damage to property unless the loss is:
 - (1) Excluded or limited under this Coverage Form; or
 - (2) Excluded or limited by any other provisions of this policy.

b. COLLAPSE

Unless excluded or limited under this Coverage Form or any other provisions of this policy, the following applies to the peril of collapse:

The coverage provided under this provision applies only to an actual and abrupt collapse as described and limited in (1) through (7) below.

- (1) For the purpose of this provision, abrupt collapse means the actual and abrupt falling down or caving in of a building or any part of a building with the result that the building or any part of the building cannot be occupied for its intended purpose.
- (2) We will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur caused by the actual and abrupt collapse of a building or any part of a building, if such collapse is caused by one or more of the following:
 - (a) The "specified causes of loss";
 - (b) Breakage of building glass;
 - (c) Weight of rain that collects on a roof;
 - (d) Weight of people or personal property;
 - (e) Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;
 - (f) Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;

- (g) Use of defective material or methods in construction, remodeling, or renovation if the collapse occurs during the course of the construction, remodeling, or renovation; or
 - (h) Use of defective material or methods in construction, remodeling, or renovation if the collapse occurs after the construction, remodeling, or renovation is complete, but only if the collapse is caused in whole or in part by a cause of loss listed in (a) through (f) above.
- (3) Collapse does not include and we will not pay for loss or damage caused by, resulting from, or consisting of the following:
- (a) A building or any part of a building that is in danger of falling down or caving in;
 - (b) Any part of a building that is standing, even if it has separated from another part of the building;
 - (c) A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage, or expansion.

But if a non-covered collapse results in a Covered Cause of Loss at a location shown in the Declarations, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur caused by that Covered Cause of Loss.

- (4) With respect to the following property:
- (a) Outdoor antennas (including dish-shaped antennas) and their lead-in wiring, masts, or towers;
 - (b) Awnings;
 - (c) Gutters and downspouts;
 - (d) Yard fixtures;
 - (e) Outdoor swimming pools;
 - (f) Piers, wharves, and docks;
 - (g) Beach or diving platforms or appurtenances;
 - (h) Retaining walls; and
 - (i) Walks, roadways, and other paved surfaces;

if an abrupt collapse is caused by a cause of loss listed in (2)(a) through (2)(h) above, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur from the above property only if such loss or damage is a direct result of the abrupt collapse.

- (5) If personal property abruptly falls down or caves in and such collapse is not the result of actual and abrupt collapse of a building, we will pay the actual loss of Business Income you sustain and necessary Extra Expense you incur caused by such collapse of personal property only if:
- (a) The collapse of personal property was caused by a cause of loss listed in (2)(a) through (2)(h) above;
 - (b) The personal property which collapses is inside a building; and
 - (c) The property which collapses is not of a kind listed in (4) above, regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in (5) above does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

- (6) This provision does not apply to and coverage is not afforded to personal property, other than building, that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage, or expansion.
- (7) This provision will not increase the Limits of Insurance provided in this Coverage Part.

6. ADDITIONAL COVERAGES

Additional Coverages may be attached to this Coverage Form by endorsement. These coverages and their limits, if applicable will be shown in the Declarations or the Schedule of the Additional Coverage Form. Unless otherwise stated, the Limits of Insurance available under these Additional Coverages are in addition to, and not part of, any other Limits of Insurance in this Coverage Form.

SECTION II – EXCLUSIONS AND LIMITATIONS

1. EXCLUSIONS

- a. We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. These exclusions apply whether or not the loss event results in widespread damage or affects a substantial area.

(1) ORDINANCE OR LAW

- (a) The enforcement of or compliance with any ordinance or law:
- (i) Regulating the construction, use, or repair of any property; or
 - (ii) Requiring the tearing down of any property, including the cost of removing its debris.
- (b) Item (1) above applies whether the loss results from:
- (i) An ordinance or law that is enforced even if the property has not been damaged; or
 - (ii) The increased costs incurred to comply with an ordinance or law in the course of construction, repair, renovation, remodeling, or demolition of property or removal of its debris, following a physical loss to that property.

(2) EARTH MOVEMENT

- (a) Earthquake, including tremors and aftershocks and any earth sinking, rising, or shifting related to such event;
- (b) Landslide, including any earth sinking, rising, or shifting related to such event;
- (c) Mine subsidence, meaning subsidence of a man-made mine, whether or not mining activity has ceased;
- (d) Earth sinking (other than sinkhole collapse), rising, or shifting including soil conditions which cause settling, cracking, or other disarrangement of foundations, or other parts of realty. Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil, and the action of water under the ground surface.

But if Earth Movement, as described in (a) through (d) above, results in fire or explosion damage to property, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur caused by that fire or explosion (if fire or explosion would otherwise be covered under this Coverage Part).

- (e) Volcanic eruption, explosion, or effusion. But if volcanic eruption, explosion, or effusion results in fire, building glass breakage (other than "specialty glass"), or Volcanic Action damage to property, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur caused by that fire, building glass breakage, or Volcanic Action (if fire, building glass breakage (other than "specialty glass"), or Volcanic Action would otherwise be covered under this Coverage Part).

Volcanic Action means loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

- (i) Airborne volcanic blast or airborne shock waves;
- (ii) Ash, dust, or particulate matter; or

(iii) Lava flow.

With respect to coverage for Volcanic Action as set forth in (e)(i), (e)(ii), and (e)(iii) above, all volcanic eruptions that occur within any 168-hour period will constitute a single "occurrence".

Volcanic Action does not include the cost to remove ash, dust, or particulate matter that does not cause direct physical loss of or direct physical damage to property.

This exclusion applies regardless of whether any of the above, in (a) through (e), is caused by an act of nature or is otherwise caused by an artificial, man-made, or other cause.

(3) GOVERNMENTAL ACTION

Seizure or destruction of property by order of governmental authority.

But we will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part.

(4) NUCLEAR HAZARD

Nuclear reaction, radiation, or radioactive contamination, however caused, whether intentional or unintentional. This includes but is not limited to the release, dispersal, or application of radioactive material, or the use of a nuclear weapon or device that involves or produces a nuclear reaction, or nuclear radiation, or radioactive contamination, or radioactive force.

When a law in effect in the jurisdiction where the loss or damage occurs requires that we cover any resulting fire damage from nuclear hazard as described above, we will pay only for the resulting damage to property caused by that resulting fire, if the fire would be covered under this Coverage Part. Therefore, we will not pay for any indirect or related loss(es), such as Business Income, Extra Expense, legal liability, or leasehold interest loss(es).

(5) UTILITY SERVICES

The failure of power, communication, water, or other utility service supplied to a location shown in the Declarations, however caused, if the failure:

- (a) Originates away from the location shown in the Declarations; or
- (b) Originates at the location shown in the Declarations, but only if such failure involves equipment used to supply the utility service to the described location from a source away from the described location.

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure, or surge of power, or the failure of communication, water, or other utility service, results in a Covered Cause of Loss, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur caused by that Covered Cause of Loss.

Communication services include but are not limited to service relating to Internet access or access to any electronic, cellular, or satellite network.

(6) WAR AND MILITARY ACTION

- (a) War, including undeclared or civil war;
- (b) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign, or other authority using military personnel, or other agents; or
- (c) Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

(7) WATER

- (a)** Flood, surface water, waves (including tidal wave and tsunami), tides, tidal water, overflow of streams, or other natural or man-made bodies of water, or spray from any of these, all whether or not driven by wind (including storm surge);
- (b)** Mudslide or mudflow;
- (c)** Water or sewage that backs up or overflows or is otherwise discharged from a sewer, drain, sump, sump pump, or related equipment;
- (d)** Water under the ground surface pressing on, or flowing, or seeping through:
 - (i)** Foundations, walls, floors, or paved surfaces;
 - (ii)** Basements, whether paved or not; or
 - (iii)** Doors, windows, or other openings; or
- (e)** Waterborne material carried or otherwise moved by any of the water referred to in **(a)**, **(c)**, or **(d)** above, or material carried or otherwise moved by mudslide or mudflow.

This exclusion applies regardless of the source of the water and regardless of whether any of the above, in **(a)** through **(e)**, is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall, or other boundary, or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in **(a)** through **(e)**, results in fire, explosion, or sprinkler leakage damage, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur caused by that fire, explosion, or sprinkler leakage (if fire, explosion, or sprinkler leakage would otherwise be covered under this Coverage Part).

(8) CERTAIN ELECTRONIC DATA PROCESSING RELATED LOSSES

This insurance does not apply to loss or damage caused by any of the following:

- (a)** Interruption in normal "electronic data processing equipment" function on network service or function due to insufficient capacity to process transactions or to an overload of activity on the system or network;
- (b)** Unexplained or indeterminable failure, malfunction, or slowdown of "electronic data processing equipment" or "electronic data and media data", including the inability to access or properly manipulate "electronic data and media data";
- (c)** The inability of "electronic data processing equipment" to correctly recognize, process, distinguish, interpret, or accept one or more dates or times.
- (d)** Errors, omissions, or deficiency in design in:
 - (i)** Programming, processing, or storing "electronic data and media data"; or
 - (ii)** Installation, testing, maintenance, modification, or repair of your:
 - i.** "Electronic data processing equipment";
 - ii.** "Electronic data or media data";
 - iii.** Network to which your "electronic data processing equipment" or "electronic data or media data" is connected to or depends on.
- (e)** Loss or damage caused by or resulting from manipulation of "electronic data and media data" by employees (including temporary or leased employees), or by an entity retained by you, or for you, to inspect, design, install, modify, maintain, repair, or replace that system.
- (f)** Any advice, consultation, design, evaluation, inspection, installation, maintenance, repair, replacement, or supervision provided, or done by you, or for you to determine, rectify, or test for any potential or actual problems described in **(a)** through **(e)** above.

However, if excluded loss or damage, as described in **(a)** through **(f)** above, results in a "specified cause of loss", we will pay only for the actual loss of Business Income you sustain and necessary Extra Expense you incur caused by such "specified cause of loss".

We will not pay to correct any deficiencies or change any features due to loss or damage described in **(a)** through **(f)** above.

Mere loss of use or loss of functionality of any property is not considered direct physical loss or direct physical damage.

(9) FUNGI, WET ROT, OR DRY ROT

Presence, growth, proliferation, spread, or any activity of "fungi", wet rot, or dry rot.

But if "fungi", wet rot, or dry rot results in a "specified cause of loss" to property, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur caused by that "specified cause of loss".

This exclusion does not apply when "fungi", wet rot, or dry rot results from fire or lightning (if fire or lightning would otherwise be covered under this Coverage Part).

(10) VIRUS OR BACTERIA

Any virus, bacterium, or other microorganism that induces or is capable of inducing physical distress, illness, or disease.

However, this exclusion does not apply to loss or damage caused by or resulting from "fungi", wet rot, or dry rot. Such loss or damage is addressed in a separate exclusion or limitation under this Coverage Part.

With respect to any loss or damage subject to this exclusion, such exclusion supersedes any exclusion relating to "pollutants".

The terms of this exclusion, or the inapplicability of this exclusion to a particular loss, do not serve to create coverage for any loss that would otherwise be excluded under this Coverage Part.

b. We will not pay for loss or damage caused by or resulting from any of the following:

(1) ELECTRICAL APPARATUS

(a) Artificially generated electrical, magnetic, or electromagnetic energy that damages, disturbs, disrupts, or otherwise interferes with any:

(i) Electrical or electronic wire, device, appliance, system, or network; or

(ii) Device, appliance, system, or network utilizing cellular or satellite technology.

(b) For the purpose of this exclusion, electrical, magnetic, or electromagnetic energy includes but is not limited to:

(i) Electrical current, including arcing;

(ii) Electrical charge produced or conducted by a magnetic or electromagnetic field;

(iii) Pulse of electromagnetic energy; or

(iv) Electromagnetic waves or microwaves.

But if fire results, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur caused by fire (if fire would otherwise be covered under this Coverage Part).

This exclusion does not apply to direct physical loss of or direct physical damage to "electronic data processing equipment".

(2) CONSEQUENTIAL LOSSES

Delay, loss of use, or loss of market.

(3) SMOKE, VAPOR, GAS

Smoke, vapor, or gas from agricultural smudging or industrial operations.

(4) STEAM APPARATUS

Explosion of steam boilers, steam pipes, steam engines, or steam turbines owned or leased by you, or operated under your control. But if explosion of steam boilers, steam pipes, steam engines, or steam turbines results in fire or combustion explosion, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur caused by that fire or combustion explosion. We will also pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur caused by or resulting from the explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.

(5) FROZEN PLUMBING

Water, other liquids, powder, or molten material that leaks or flows from plumbing, heating, air conditioning, or other equipment (except fire protective systems) caused by or resulting from freezing.

This provision does not apply if you have used reasonable care to:

- (a) Maintain heat in the building or structure; or
- (b) Shut off the water supply and drain all systems and appliances of water if the heat is not maintained.

(6) DISHONESTY

Dishonest, intentional, or criminal acts (including theft) by you, anyone else with an interest in the property, or any of your or their partners, "members", officers, "managers", employees (including temporary or leased employees), directors, trustees, or authorized representatives, whether acting alone or in collusion with each other or with any other party; or theft by any person to whom you entrust the property for any purpose, whether acting alone or in collusion with any other party. In the event of such loss involving dishonest, intentional, or criminal acts, no insured is entitled to coverage, even insureds who did not commit or conspire to commit the act causing the loss.

This exclusion:

- (a) Applies whether or not an act occurs during your normal hours of operation;
- (b) Does not apply to acts of destruction by your employees (including temporary or leased employees) or authorized representatives; but theft by your employees (including temporary or leased employees) or authorized representatives is not covered.

(7) FALSE PRETENSE

Voluntary parting with any property by you or anyone else to whom you have entrusted the property if induced to do so by any fraudulent scheme, trick, device, or false pretense.

(8) EXPOSED PROPERTY

Rain, snow, ice, or sleet to personal property in the open.

(9) PATHOGENIC OR POISONOUS BIOLOGICAL OR CHEMICAL MATERIALS

Deliberate or intentional dispersal or application of any pathogenic or poisonous biological or chemical materials.

But if direct physical loss of or direct physical damage to property by fire results, we will pay for the resulting actual loss of Business Income you sustain and necessary Extra Expense you incur caused by that fire (if fire would otherwise be covered under this Coverage Part).

(10) POLLUTION

Discharge, dispersal, seepage, migration, release or escape, absorption, contact with, exposure to, existence of, or presence of "pollutants" unless such loss or damage is itself caused by any of the "specified causes of loss". But if the discharge, dispersal, seepage, migration, release or escape, absorption, contact with, exposure to, existence of, or presence of "pollutants" results in damage to property caused by a "specified cause of loss", we will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur caused by that "specified cause of loss". This exclusion does not apply to damage to glass caused by chemicals applied to the glass.

(11) NEGLECT

Neglect of an insured to use all reasonable means to save and preserve property from further damage at and after the time of loss.

(12) OTHER TYPES OF LOSS

- (a)** Wear and tear;
- (b)** Rust or other corrosion, decay, deterioration, pressure from or presence of plant or tree roots, hidden or latent defect or any quality in property that causes it to damage or destroy itself;
- (c)** Smog;
- (d)** Settling, cracking, shrinking, or expansion;
- (e)** Nesting or infestation, or discharge or release of waste products or secretions, by insects, birds, rodents, or other animals;
- (f)** Mechanical breakdown, including rupture or bursting caused by centrifugal force. This exclusion does not apply to direct physical loss of or direct physical damage to:
 - (i)** Property from an elevator collision as a result of a mechanical breakdown; or
 - (ii)** "Electronic data processing equipment".
- (g)** The following causes of loss to personal property:
 - (i)** Dampness or dryness of atmosphere;
 - (ii)** Changes in or extremes of temperature;
 - (iii)** Marring or scratching;
 - (iv)** Changes in flavor, color, texture, or finish; or
 - (v)** Evaporation or leakage.

But if an excluded cause of loss that is listed in **(a)** through **(g)** above results in a "specified cause of loss" or building glass breakage (other than "specialty glass"), we will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur caused by that "specified cause of loss" or building glass breakage (if such "specified cause of loss" or building glass breakage is otherwise covered under this Coverage Part).

(13) CONTINUOUS OR REPEATED SEEPAGE OR LEAKAGE OF WATER

Continuous or repeated seepage or leakage of water, or the presence or condensation of humidity, moisture, or vapor, that occurs over a period of 14 days or more.

(14) FINISHED STOCK

- (a)** Damage or destruction of "finished stock"; or
- (b)** The time required to reproduce "finished stock".

This exclusion does not apply to Extra Expense.

(15) BUSINESS INCOME AND EXTRA EXPENSE EXCLUSIONS

- (a)** Any Extra Expense, or increase of Business Income loss, caused by or resulting from:
 - (i)** Delay in rebuilding, repairing, or replacing the property, or resuming "operations", due to interference at the location of the rebuilding, repair, or replacement by strikers or other persons; or
 - (ii)** "Suspension", lapse, or cancellation of any license, lease, or contract. But if the "suspension", lapse, or cancellation is directly caused by the "suspension" of "operations", we will cover such loss that affects your Business Income during the "period of restoration".
- (b)** Any other consequential loss including fines and penalties.
- c.** We will not pay for loss or damage caused by or resulting from **(1)** through **(3)** below. But if an excluded cause of loss that is listed in **(1)** through **(3)** below results in a Covered Cause of Loss, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur caused by that Covered Cause of Loss.

(1) WEATHER CONDITIONS

Weather conditions. But this exclusion only applies if weather conditions contribute in any way with a cause or event excluded in **1. Exclusions** above to produce the loss or damage.

(2) ACTS OR DECISIONS

Acts or decisions, including the failure to act or decide, of any person, group, organization, or governmental body.

(3) NEGLIGENT WORK

Faulty, inadequate, or defective:

- (a)** Planning, zoning, development, surveying, siting;
- (b)** Design, specifications, workmanship, repair, construction, renovation, remodeling, grading, compaction;
- (c)** Materials used in repair, construction, renovation, or remodeling; or
- (d)** Maintenance;

of part or all of any property on or off the premises of a location shown in the Declarations.

d. ADDITIONAL EXCLUSION(S)

The following applies only to the property specified in this Additional Exclusion(s):

LOSS OR DAMAGE TO PRODUCTS

We will not pay for loss or damage to any merchandise, goods, or other product caused by or resulting from error or omission by any person or entity (including those having possession under an arrangement where work or a portion of the work is outsourced) in any stage of the development, production, or use of the product, including planning, testing, processing, packaging, installation, maintenance, or repair. This exclusion applies to any effect that compromises the form, substance, or quality of the product. But if such error or omission results in direct physical loss of or direct physical damage to property by a Covered Cause of Loss, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur caused by that Covered Cause of Loss.

2. LIMITATIONS

- a.** We will not pay for any loss that is a consequence of loss or damage to property as described and limited in this section:

- (1) Steam boilers, steam pipes, steam engines, or steam turbines caused by or resulting from any condition or event inside such equipment. But we will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur caused by or resulting from an explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass (if such losses would otherwise be covered under this Coverage Part).
 - (2) Hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment, other than an explosion.
 - (3) Property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property.
 - (4) Property that has been transferred to a person or to a place outside the premises of a location shown in the Declarations on the basis of unauthorized instructions.
 - (5) The interior of any building or structure, or to personal property in the building or structure, caused by or resulting from rain, snow, sleet, ice, sand, or dust, whether driven by wind or not, unless:
 - (a) The building or structure first sustains direct physical loss or direct physical damage by a Covered Cause of Loss to its roof or walls through which the rain, snow, sleet, ice, sand, or dust enters; or
 - (b) The loss or damage is caused by or results from thawing of snow, sleet, or ice on the building or structure.
 - (6) Lawns, trees, shrubs, or plants which are part of a vegetated roof, caused by or resulting from:
 - (a) Dampness or dryness of atmosphere or of soil supporting the vegetation;
 - (b) Changes in or extremes of temperature;
 - (c) Disease;
 - (d) Frost or hail; or
 - (e) Rain, snow, sand, dust, ice, sleet, smoke, soot, or ash.
- b. We will not pay for any loss that is a consequence of loss or damage to property below, unless caused by the "specified causes of loss" or building glass breakage:
- (1) Animals, and then only if they are killed or their destruction is made necessary.
 - (2) Articles such as glassware, statuary, marble, chinaware, and porcelain, if broken. This restriction does not apply to:
 - (a) Building glass, meaning glass that is part of a building or structure. Building glass does not include "specialty glass";
 - (b) Containers of property held for sale; or
 - (c) Photographic or scientific instrument lenses.

c. ADDITIONAL LIMITATION(S)

BUSINESS INCOME – ELECTRONIC DATA

Coverage for Business Income and Extra Expense does not apply when a "suspension" of "operations" is caused by destruction or corruption of "electronic data and media data" due to direct physical loss of or direct physical damage to property, or any loss or damage to "electronic data and media data".

SECTION III – LIMITS OF INSURANCE

Unless otherwise stated, the most we will pay for loss in any one "occurrence" is the:

- a. Applicable Limit of Insurance shown in the Declarations; or
- b. Actual loss sustained for the number of consecutive months shown in the Declarations.

SECTION IV – CONDITIONS

1. APPRAISAL

- a. If we and you disagree on the amount of Net Income and operating expense or the amount of loss, either party may make a written demand for an appraisal of the loss. In this event, each party will select a competent, impartial, and disinterested appraiser.
- b. The two appraisers will select a competent, impartial, and disinterested umpire.
- c. If the appraisers selected cannot agree on an umpire, either appraiser may request that the umpire be selected by a judge of a court having jurisdiction. The appraisers shall then appraise the loss stating separately, the amount of Net Income and operating expense or amount of loss. If the appraisers fail to agree, they will submit their differences to the selected umpire.
- d. A decision agreed to by the umpire and either of the appraisers will be binding.
- e. Each party will:
 - (1) Pay its chosen appraiser; and
 - (2) Bear the other expenses of the appraisal and umpire equally.
- f. If there is an appraisal, we will still retain our right to deny the claim.
- g. In no event will an appraisal be used for the purpose of interpreting any Coverage Part provision, determining causation, or determining whether any loss is covered under this Coverage Part.

2. DUTIES IN THE EVENT OF LOSS

- a. You must see that the following are done in the event of loss:
 - (1) Notify us or one of our authorized representatives and any applicable regulatory authority as to what occurred and include the names and addresses of available witnesses where applicable.
 - (2) Notify the police if a law may have been broken.
 - (3) Give us prompt notice of the loss or damage. Include a description of the property involved.
 - (4) As soon as possible, give us a description of how, when, and where the loss or damage occurred.
 - (5) Take all reasonable steps to protect the property from further damage, and keep a record of your expenses necessary to protect the property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
 - (6) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values, and amount of loss claimed.
 - (7) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing, and analysis, and permit us to make copies from your books and records.
 - (8) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
 - (9) Cooperate with us in the investigation or settlement of the claim.
 - (10) Resume all or part of your "operations" as quickly as possible.
- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

3. LOSS DETERMINATION

- a. The amount of Business Income loss will be determined based on:
- (1) The Net Income of the business before the direct physical loss of or direct physical damage occurred;
 - (2) The likely Net Income of the business if no direct physical loss of or direct physical damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses;
 - (3) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct physical loss of or direct physical damage; and
 - (4) Other relevant sources of information, including:
 - (a) Your financial records and accounting procedures;
 - (b) Bills, invoices, and other vouchers; and
 - (c) Deeds, liens, or contracts.
- b. The amount of Extra Expense will be determined based on:
- (1) All reasonable and necessary expenses that exceed the normal operating expenses that would have been incurred by "operations" during the "period of restoration" if no direct physical loss of or direct physical damage had occurred. We will deduct from the total of such expenses:
 - (a) The salvage value that remains of any property bought for temporary use during the "period of restoration", once "operations" are resumed; and
 - (b) Any Extra Expense that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions, and provisions as this insurance.
 - (2) All reasonable and necessary expenses that reduce the Business Income loss that otherwise would have been incurred.

c. RESUMPTION OF OPERATIONS

We will reduce the amount of your:

- (1) Business Income loss, other than Extra Expense, to the extent you can resume your "operations", in whole or in part, by using damaged or undamaged property (including merchandise or "stock") at the described premises or elsewhere and by using any other available source of materials or outlet for your products.
- (2) Extra Expense loss to the extent you can return "operations" to normal and discontinue such Extra Expense.

If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

4. LEGAL ACTION AGAINST US

No one may bring a legal action against us under this insurance unless:

- a. There has been full compliance with all of the terms of this insurance; and
- b. The action is brought within two years after the date on which the direct physical loss or direct physical damage occurred.

5. LOSS PAYMENT

We will pay for covered loss within 30 days after we receive the sworn proof of loss, provided you have complied with all of the terms of this Coverage Part, and:

- a. We have reached agreement with you on the amount of loss; or

- b. An appraisal award has been made.

6. OTHER INSURANCE

If there is other insurance covering the same loss or damage, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

SECTION V – DEFINITIONS

1. "Digital art or media" means any unique digital identifier secured on a cryptographically secured distributed ledger, which may be used to certify ownership or authenticity of any digital, computerized, or otherwise tangible objects. This includes "digital art or media" which may be known as non-fungible tokens (NFTs) or by any other names known. "Digital art or media" does not mean "electronic data and media data".
2. "Electronic data and media data" means:
 - a. Data stored on, created or used on, or transmitted to or from software (including systems and applications software), on any electronic media or other storage media including, but not limited to hard or floppy disks, CD-ROMs, flash memory, tapes, drives, cells, data processing devices, or any other repositories used with electronically controlled equipment;
 - b. The electronic media on which the data is stored; and
 - c. Programming records and instructions used with "electronic data processing equipment".
 - d. "Electronic data and media data" does not mean:
 - (1) Prepackaged software;
 - (2) Property that you manufacture, hold for sale, distribute, or repair;
 - (3) Electronic data that is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning, or security system; or
 - (4) "Virtual currency", "digital art or media", or accounts receivable.
3. "Electronic data processing equipment" means:
 - a. Electronic equipment that processes data and is used in your business "operations" including, but not limited to computers, servers, facsimile machines, word processors, multi-functional telephone equipment, laptops and other portable digital devices, digital assistants; and
 - b. Any component parts or peripherals of such equipment, including related surge protection devices.
 - c. "Electronic data processing equipment" does not include:
 - (1) Property that you manufacture, hold for sale, distribute, or repair; or
 - (2) Equipment used to operate production-type machinery or equipment.
4. "Finished stock" means "stock" you have manufactured. "Finished stock" also includes whiskey and alcoholic products being aged, unless there is a Coinsurance percentage shown for Business Income in the Declarations. "Finished stock" does not include "stock" you have manufactured that is held for sale on the premises of any retail outlet insured under this Coverage Part.
5. "Fungi" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents, or by-products produced or released by "fungi".
6. "Manager" means a person serving in a directorial capacity for a limited liability company.
7. "Member" means an owner of a limited liability company represented by its membership interest, who also may serve as a "manager".
8. "Money" means:
 - a. Currency, coins, and bank notes in current use and having a face value;

b. Traveler's checks, register checks, and money orders held for sale to the public.

"Money" does not include "securities", "virtual currency", or "virtual currency related equipment".

9. "Occurrence" means one event or a series of related events that contribute concurrently to or contribute in any sequence to direct physical loss of or direct physical damage to property.
10. "Operations" means your business activities occurring at the described premises and the tenantability of the described location(s).

11. "Period of restoration" means the period of time that:

a. Begins:

(1) Unless a different time period is shown in the Declarations, 72 hours after the time of direct physical loss of or direct physical damage for Business Income Coverage; or

(2) Immediately after the time of direct physical loss of or direct physical damage for Extra Expense Coverage;

caused by or resulting from a Covered Cause of Loss at the location shown in the Declarations; and

b. Ends on the earlier of:

(1) The date when the property at the location shown in the Declarations should be repaired, rebuilt, or replaced with reasonable speed and similar quality; or

(2) The date when business is resumed at a new permanent location.

"Period of restoration" does not include any increased period required due to the enforcement of or compliance with any ordinance or law that:

c. Regulates the construction, use or repair, or requires the tearing down, of any property; or

d. Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify, or neutralize, or in any way respond to, or assess the effects of "pollutants".

The expiration date of this policy will not cut short the "period of restoration".

12. "Pollutants" means any solid, liquid, gaseous, or thermal irritant or contaminant, including but not limited to smoke, vapor, soot, fumes, acids, alkalis, chemicals, and waste. Waste includes materials to be recycled, reconditioned, or reclaimed.

13. "Securities" means negotiable and nonnegotiable instruments or contracts representing either "money" or other property and includes:

a. Tokens, tickets, revenue, and other stamps (whether represented by actual stamps or unused value in a meter) in current use; and

b. Evidences of debt issued in connection with credit or charge cards, which cards are not issued by you; but does not include "money", "virtual currency", or "virtual currency related equipment", or lottery tickets held for sale.

14. "Specialty glass" means rare building glass, ballistic glass, art or stained glass windows, or any building glass serving a functional or protective purpose beyond that of traditional door or window glass.

15. "Specified causes of loss" means the following:

Fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice, or sleet; water damage.

a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:

(1) The cost of filling sinkholes; or

- (2) Sinking or collapse of land into man-made underground cavities.
- b. Falling objects does not include loss of or damage to:
 - (1) Personal property in the open; or
 - (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.
- c. Water damage means:
 - (1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of any part of a system or appliance (other than a sump system including its related equipment and parts) containing water or steam; and
 - (2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe that is located off the premises of a location shown in the Declarations and is part of a municipal potable water supply system or municipal sanitary sewer system, if the breakage or cracking is caused by wear and tear.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in **c.(1)** or **c.(2)** above, such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the ground surface.

- 16. "Stock" means merchandise held in storage or for sale, raw materials, and in-process or finished goods, including supplies used in their packing or shipping.
- 17. "Suspension" means:
 - a. The partial or complete cessation of your business activities; or
 - b. That a part or all of the location shown in the Declarations is rendered untenable.
- 18. "Virtual currency" means any digital assets or representations of monetary value that exists purely in electronic or digital form, whether actual or fictitious, including crypto currencies secured on a cryptographically secured distributed ledger, which are designed to hold value, pay for goods or services, are held for investment, or are otherwise used in any financial manner. This includes any software or media used exclusively for the purpose of storing, purchasing, selling, transferring, or otherwise handling such "virtual currency".

"Virtual currency" does not include "money", "securities" or any other fiat currencies, or "electronic data and media data".
- 19. "Virtual currency related equipment" means any device, equipment, software, or media used exclusively in connection with "virtual currency", including but not limited to:
 - a. Mining, staking, or similar equipment that creates, processes, or verifies virtual currencies whether such equipment is offline or connected to the internet or a central computer system.
 - b. Wallets or other devices or software used to store, exchange, and access "virtual currency" or "digital art or media" which include but are not limited to offline hardware devices or software that is connected to the internet or a central computer system.
 - c. Any other software or media used exclusively for the purpose of storing, purchasing, selling, converting, transferring, or otherwise handling such "virtual currency" or "digital art or media".

"Virtual currency related equipment" does not include "electronic data processing equipment".

COMMERCIAL PROPERTY COVERAGE FORM

SECTION I – COVERAGES

The following is added to **4. Additional Coverages**:

POLLUTANT CLEAN-UP AND REMOVAL COVERAGE

We will pay your expense to extract "pollutants" from land or water at a location shown in the Declarations if the discharge, dispersal, seepage, migration, release, or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor, or assess the existence, concentration, or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

DEBRIS REMOVAL COVERAGE

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE FORM

SECTION I – COVERAGES

The following is added to **4. Additional Coverages**:

DEBRIS REMOVAL COVERAGE

- (1) We will pay your expense to remove debris of Covered Property and other debris that is on a location shown in the Declarations, when such debris is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss of or direct physical damage to Covered Property.
- (2) Debris removal does not apply to costs to:
 - (a) Remove debris of property of yours that is not insured under this policy, or property in your possession that is not Covered Property;
 - (b) Remove debris of property owned by or leased to the landlord of the building where your location shown in the Declarations is located, unless you have a contractual responsibility to insure such property and it is insured under this policy;
 - (c) Remove any property that is listed under **2. Property Not Covered**, except as otherwise provided for under this policy;
 - (d) Remove property of others of a type that would not be Covered Property under this policy;
 - (e) Remove deposits of mud or earth from the grounds of the location shown in the Declarations;
 - (f) Extract "pollutants" from land or water; or
 - (g) Remove, restore, or replace polluted land or water.

SECTION III – LIMITS OF INSURANCE

The following is added:

DEBRIS REMOVAL COVERAGE

a. Subject to the exceptions in b. below, the following provisions apply:

- (1) The most we will pay in any one "occurrence" for the total of direct physical loss of or direct physical damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
- (2) Subject to a.(1) above, the amount we will pay for debris removal expense is limited to 25% of the amount that we pay for loss or damage to the Covered Property that has sustained loss or damage.

However, if no Covered Property has sustained loss or damage, the most we will pay in any one "occurrence" at the location shown in the Declarations for removal of debris of other property when such debris is caused by or results from a Covered Cause of Loss (if such removal is covered under this Additional Coverage) is the Limit of Insurance shown in the Declarations for Debris Removal Of Other Property.

b. We will pay up to the Limit of Insurance listed under Debris Removal – Additional Limit shown in the Declarations for debris removal expense, in any one "occurrence" of loss or damage to Covered Property, if one or both of the following circumstances apply:

- (1) The total of the actual debris removal expense plus the amount we pay for loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.
- (2) The actual debris removal expense exceeds 25% of the amount that we pay for loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if **b.(1)** and/or **b.(2)** above apply, our total payment for loss or damage and debris removal expense in any one "occurrence" may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus the amount shown in the Declarations under Debris Removal – Additional Limit.

c. EXAMPLES

The examples and figures used below are for illustrative purposes only and do not modify the terms and conditions of the policy. In addition, the examples cited below should not be construed as any guarantee of coverage.

(1) EXAMPLE 1

Limit of Insurance:	\$90,000	
Amount of Deductible:	\$500	
Amount of Loss:	\$50,000	
Amount of Loss Payable:	\$49,500	(\$50,000 - \$500)
Debris Removal Expense:	\$10,000	
Debris Removal Expense Payable:	\$10,000	(\$10,000 is 20.2% of \$49,500)

The debris removal expense is less than 25% of the loss payable.

The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of **a.** above.

(2) EXAMPLE 2

Limit of Insurance:	\$90,000	
Amount of Deductible:	\$500	
Amount of Loss:	\$80,000	
Amount of Loss Payable:	\$79,500	(\$80,000 - \$500)
Debris Removal Expense:	\$40,000	
Debris Removal Expense Payable		
Basic Amount:	\$10,500	
Debris Removal – Additional Limit:	\$25,000	

The basic amount payable for debris removal expense under the terms of **b.** above is calculated as follows:

$\$79,500 \times .25 = \$19,875$; capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The Debris Removal – Additional Limit is provided in accordance with the terms of **b.** above, because the debris removal expense (\$40,000) exceeds 25% of the loss payable (\$40,000 is 50.3% of \$79,500), and because the sum of the loss payable and debris removal expense (\$79,500 + \$40,000 = \$119,500) would exceed the Limit of Insurance (\$90,000).

In this example, the Debris Removal – Additional Limit shown on the Declarations is \$25,000. Thus, the total payable for debris removal expense in this example is \$35,500 (\$10,500 + \$25,000); \$4,500 of the debris removal expense is not covered.

SECTION IV – DEDUCTIBLES

The following is added:

No Deductible applies to Debris Removal Coverage.

All other provisions of this policy apply.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

LIMITED FUNGI, WET ROT, OR DRY ROT COVERAGE

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE FORM

SECTION I – COVERAGES

The following is added to **4. Additional Coverages**:

LIMITED FUNGI, WET ROT, OR DRY ROT COVERAGE

- (1) The coverage described herein only applies when the "fungi", wet rot, or dry rot is the result of a "specified cause of loss" other than fire or lightning that occurs during the policy period and only if all reasonable means were used to save and preserve the Covered Property from further damage at the time of and after that "occurrence". This coverage does not apply to lawns, trees, shrubs, or plants which are part of a vegetated roof.
- (2) We will pay direct physical loss of or direct physical damage to Covered Property caused by "fungi", wet rot, or dry rot, including:
 - (a) The cost of removal of the "fungi", wet rot, or dry rot;
 - (b) The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungi", wet rot, or dry rot; and
 - (c) The cost of testing performed after removal, repair, replacement, or restoration of the damaged property is completed, provided there is a reason to believe that "fungi", wet rot, or dry rot is present.

SECTION II – EXCLUSIONS AND LIMITATIONS

For purposes of this endorsement, **1.a.(9) Fungi, Wet Rot, or Dry Rot** does not apply.

SECTION III – LIMITS OF INSURANCE

The following is added:

The most we will pay under Limited Fungi, Wet Rot, or Dry Rot Coverage is the Limit of Insurance shown in the Declarations for this Additional Coverage. Regardless of the number of claims, this Limit of Insurance is the most we will pay for the total of all loss or damage arising out of all "occurrences" of "specified causes of loss" (other than fire or lightning) which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular "occurrence" of loss which results in "fungi", wet rot, or dry rot, we will not pay more than the total applicable Limit of Insurance shown in the Declarations even if the "fungi", wet rot, or dry rot continues to be present or active, or recurs, in a later policy period.

Limited Fungi, Wet Rot, or Dry Rot Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular "occurrence" results in loss or damage by "fungi", wet rot or dry rot, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

SECTION IV – DEDUCTIBLES

The following is added:

For Limited Fungi, Wet Rot, or Dry Rot Coverage, we will not pay for loss or damage in any one "occurrence" until the amount of loss or damage exceeds the highest applicable Building or Business Personal Property Deductible for the building at which the loss occurs, as shown in the Declarations. We will then pay the amount of the loss in excess of the Deductible, up to the applicable Limit of Insurance.

SECTION V – CONDITIONS

PROPERTY LOSS CONDITIONS

The following is added:

If there is covered loss or damage to Covered Property, not caused by "fungi", wet rot, or dry rot, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungi", wet rot, or dry rot causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Fungi, Wet Rot, or Dry Rot Coverage.

The terms of this Limited Coverage do not increase or reduce coverage which may otherwise be provided in this policy.

All other provisions of this policy apply.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

**WATER DAMAGE, OTHER LIQUIDS, POWDER, OR MOLTEN MATERIAL
DAMAGE COVERAGE**

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE FORM

SECTION I – COVERAGES

The following is added to **4. Additional Coverages**:

WATER DAMAGE, OTHER LIQUIDS, POWDER, OR MOLTEN MATERIAL DAMAGE COVERAGE

- (1)** If we pay for a covered loss caused by or resulting from water damage, other liquids, powder, or molten material damage, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes.
- (2)** We will not pay the cost to repair any defect that caused the loss or damage, but we will pay the cost to repair or replace damaged parts of fire extinguishing equipment if the damage:
 - (a)** Results in discharge of any substance from an automatic fire protection system; or
 - (b)** Is directly caused by freezing.

SECTION IV – DEDUCTIBLES

The following is added:

No Deductible applies to Water Damage, Other Liquids, Powder, or Molten Material Damage Coverage.

All other provisions of this policy apply.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

WATER BACK-UP, DISCHARGE, AND SUMP OVERFLOW COVERAGE

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE FORM

THIS IS NOT FLOOD INSURANCE

SECTION I – COVERAGES

The following is added to **4. Additional Coverages**:

WATER BACK-UP, DISCHARGE, AND SUMP OVERFLOW COVERAGE

(1) We will pay for direct physical loss of or direct physical damage to your Covered Property solely caused by or resulting from:

- (a)** Water or waterborne material which backs up, overflows, or is otherwise discharged into a building or structure through sewers or drains contained within a building. A sewer or drain does not include a roof drain, gutter, downspout, or similar fixture or equipment; or
- (b)** Water or waterborne material which enters into or overflows from a sump, sump pump, or related equipment, provided that it is located in a building and designed to remove subsurface water which is drained from the foundation area, even if the overflow or discharge results from mechanical breakdown of a sump pump or its related equipment.

However, with respect to **(b)** above, we will not pay the cost of repairing or replacing a sump pump or its related equipment in the event of mechanical breakdown.

The coverage described in **(b)** above does not apply to loss or damage resulting from an insured's failure to:

- (i)** Keep a sump pump or its related equipment in proper working condition; or
- (ii)** Perform the routine maintenance or repair necessary to keep a sewer or drain free from obstructions.

(2) We will not, however, pay for any loss or damage that results from water or other materials that back up, overflow, or are otherwise discharged from a sewer, drain, sump, sump pump or related equipment when it is caused directly or indirectly by any flood, whether the flood is caused by an act of nature or is otherwise caused. Flood includes surface water, waves (including tidal wave and tsunami), tides, tidal water, overflow of streams or other natural or man-made bodies of water, or spray from any of these, all whether or not driven by wind (including storm surge). Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

SECTION II – EXCLUSIONS AND LIMITATIONS

For purposes of this endorsement, **(c)** of **1.a.(7) Water** is deleted and replaced by the following:

- (c)** Except as provided under the Water Back-Up, Discharge, and Sump Overflow Coverage, water that backs up, overflows, or is otherwise discharged from a sewer, drain, sump, sump pump, or related equipment.

Regardless of the coverage provided in this endorsement, all other provisions of **1.a.(7) Water** apply.

SECTION III – LIMITS OF INSURANCE

The following is added:

The most we will pay in any one "occurrence" under Water Back-Up, Discharge, and Sump Overflow Coverage is the Limit of Insurance shown in the Declarations for this Additional Coverage.

SECTION IV – DEDUCTIBLES

The following is added:

We will not pay for loss or damage resulting directly from an "occurrence" of Water Back-Up, Discharge, and Sump Overflow Coverage until the amount of loss or damage exceeds the Water Back-Up, Discharge, and Sump Overflow Deductible shown in the Declarations. We will then pay the amount of loss in excess of the applicable Deductible amount, up to the Water Back-Up, Discharge, and Sump Overflow Coverage Limit of Insurance shown in the Declarations.

All other provisions of this policy apply.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

With respect to a particular "occurrence" of loss which results in "fungi", wet rot, or dry rot, we will not pay more than the total applicable Limit of Insurance shown in the Declarations even if the "fungi", wet rot, or dry rot continues to be present or active, or recurs, in a later policy period.

CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM

This endorsement modifies insurance provided under the following:

BOILER AND MACHINERY COVERAGE PART
 COMMERCIAL INLAND MARINE COVERAGE PART
 COMMERCIAL PROPERTY COVERAGE PART
 EQUIPMENT BREAKDOWN COVERAGE PART
 FARM COVERAGE PART
 STANDARD PROPERTY POLICY

A. Cap On Certified Terrorism Losses

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

B. Application Of Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

IMPORTANT NOTICE – PLEASE READ CAREFULLY

Terrorism Insurance Premium Disclosure And Opportunity To Reject

Thank you for insuring your business with Liberty Mutual. We appreciate the trust and confidence you have placed in us. We take our responsibility to our customers seriously, and part of that responsibility is keeping you informed at all times.

This notice contains important information about the Terrorism Risk Insurance Act and its effect on your policy. Please read it carefully.

THE TERRORISM RISK INSURANCE ACT

The Terrorism Risk Insurance Act, including all amendments ("TRIA" or the "Act"), establishes a program to spread the risk of catastrophic losses from certain acts of terrorism between insurers and the federal government. If an individual insurer's losses from "certified acts of terrorism" exceed a specified deductible amount, the government will generally reimburse the insurer for a percentage of losses (the "Federal Share") paid in excess of the deductible, but only if aggregate industry losses from such acts exceed the "Program Trigger". An insurer that has met its insurer deductible is not liable for any portion of losses in excess of \$100 billion per year. Similarly, the federal government is not liable for any losses covered by the Act that exceed this amount. If aggregate insured losses exceed \$100 billion, losses up to that amount may be pro-rated, as determined by the Secretary of the Treasury.

Beginning in calendar year 2020, the Federal Share is 80% and the Program Trigger is \$200,000,000.

MANDATORY OFFER OF COVERAGE FOR "CERTIFIED ACTS OF TERRORISM" AND DISCLOSURE OF PREMIUM

TRIA requires insurers to make coverage available for any loss that occurs within the United States (or outside of the U.S. in the case of U.S. missions and certain air carriers and vessels), results from a "certified act of terrorism" AND that is otherwise covered under your policy.

A "certified act of terrorism" means:

[A]ny act that is certified by the Secretary [of the Treasury], in consultation with the Secretary of Homeland Security, and the Attorney General of the United States

- (i) to be an act of terrorism;
- (ii) to be a violent act or an act that is dangerous to
 - (I) human life;
 - (II) property; or
 - (III) infrastructure;
- (iii) to have resulted in damage within the United States, or outside of the United States in the case of
 - (I) an air carrier (as defined in section 40102 of title 49, United States Code) or United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States); or
 - (II) the premises of a United States mission; and
- (iv) to have been committed by an individual or individuals, as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.
