

December 8, 2025

Dear Neighbors:

I know we have all experienced our USPS mail being delivered to the wrong address and have been frustrated with this situation. Now that it's the Christmas holidays, we need to be even more diligent in getting misplaced mail & packages to the correct address.

If you have difficulty finding the correct mail recipient, please notify me and I will assist.

Thank you and have a Merry Christmas/Happy Holiday!

Bernie Goudey, President

RRV HOA
