Old or New Business

- The board was invited to introduce any old or new business for discussion.
 - Leonard started the discussion about Russ with Swanson Landscaping. October 25th the Irrigation will be ready to shut down for winterization. Rebekah will send out the email blast to all of the homeowners on October 22nd, 2024, to remind them to shut their individual valves.
 - Leonard asked about the new contract for Russ with Swanson Landscaping, Annie had found out that once it is put together Mark will send it to the board for review and Approval.
 - He also wanted to let us know that Russ, with Swanson Landscaping, is wonderful. He is also the only landscaper that has ever kept in touch with him for any reason, and the common areas are beautiful.
 - Leonard asked about the CCIOA changes.
 - Annie let the Board know about the changes. Delinquencies and Towing vehicles.

 - Rebekah from HOAServices spoke to the Board about the Stucco Wall/retaining Wall that is looking bad. There are chunks of stucco that flew off from one of the last storms which had terrible winds

and massive cracks. This is not a shared wall. There was a landscape marker and a survey done. Rebekah will speak to Mark S. about this and see what the next step is.

Budget

- Annie opened discussion to members of the community for the Budget.
 - Michelle asked for a copy of the Approved budget to be emailed to her. RW will do that.
 - For the Board, if you ever need assistance with the Portal, you can reach out to Mary in Accounting to set up an appointment for help.
